8. All the documents referred to in the 21st AGM Notice and in respect of Special Business, Annual Report as well as Annual Accounts of the subsidiary companies, Register of Members, Register of Share Transfer, Register of Contracts or Arrangements and Register of Directors' and Key Managerial Personnel and their Shareholding, which are to be kept open for inspection by the Members of the Company, will be available for inspection through electronic mode during 11.00 A.M. to 5.00 P.M. on all working days till the date of the 21st AGM. In this regard, Members are requested to send an email from their registered email id to ghial-cs@gmrgroup.in. Further, the Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to ghial-cs@gmrgroup.in, on or before September 08, 2024 and response for the same will be sent by the Company accordingly.

9. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Act.

10. Corporate members intending to nominate their authorised representative to participate in the Meeting are requested to forward to the Company, the Authorisation Letter along with a certified copy of the Board Resolution authorising their representative to attend and vote thereat on their behalf at the AGM. Government / Government Entities intending to nominate their authorised representatives to participate in the Meeting are requested to forward to the Company, the Authorisation Letter. The scanned copy of Authorization Letter (along with Board Resolution for Corporate Members only) shall be sent by email from their registered email id to ghial-cs@gmrgroup.in.

11. The instructions or details of the AGM i.e., access link to the VC or OAVM, login id, passwords, helpline numbers, e-mail id of a designated person who shall provide assistance for easy access to the AGM, shall be shared separately.

12. Facility for joining the AGM will be kept open 15 minutes before the scheduled time of the AGM and shall not be closed till the expiry of 15 minutes after the scheduled time of the AGM.

13. The Chairman of the Board will preside as the Chairman of AGM. In case, the Chairman is not present, the Directors present will elect one among themselves to be the Chairman of the AGM. If no Director is willing to act as the Chairman or if no Director is present within 15 minutes after the time appointed for holding the AGM, the members present shall choose one of the members, to be the Chairman of AGM.

14. The Chairman of the AGM may conduct a vote on the Resolutions by show of hands, unless a demand for poll is made by a member in accordance with the provisions of Section 109 of the Act. Where a poll on any item is required, the members shall cast their votes on the resolutions only by sending e-mails to the email ID ghial-cs@gmrgroup.in from their email addresses which are registered with the Company.

15. This AGM is being held through VC / OAVM, as such the route map to the venue is not annexed to this Notice.

16. The explanatory statement pursuant to Section 102(1) of the Act in respect of Special Business is annexed hereto.

ANNEXURE-1 TO NOTICE OF THE 21st ANNUAL GENERAL MEETING

Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 Item No. 7

The Board of Directors of the Company at its Meeting held on August 06, 2024, on recommendation of the Audit Committee, had reappointed M/s. Narasimha Murthy & Co., Cost Accountants (Firm Registration No. 000042), as the Cost Auditors of the Company for the financial year 2024-25, at a remuneration of Rs. 6,00,000/- plus applicable taxes and reimbursement of out-of-pocket expenses.

The remuneration payable to the Cost Auditor is subject to ratification by the Members of the Company, in terms of the provisions of Section 148(3) of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014. Accordingly, the Resolution as set out in Item No. 7 as an Ordinary Resolution, is placed for ratification by the Members.

The Board recommends the resolution as set out in Item No. 7, for approval of the Members as an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested in the Resolution as set out in Item No. 7.

Item Nos. 8 & 9

Mr. A. Subba Rao (DIN: 00082313) and Dr. M. Ramachandran (DIN: 01573258) were appointed as the Independent Directors at the Eighteenth (18th) Annual General Meeting (AGM) of the Company held in the year 2021 (i.e. on September 15, 2021) for the first (1st) term for three years upto the conclusion of this 21st Annual General Meeting to be held on September 18, 2024.

In view of the above, the Board of Directors, upon recommendation by the Nomination and Remuneration Committee, had approved and recommended to the shareholders, the reappointment of Mr. A. Subba Rao and Dr. M. Ramachandran as Independent Directors of the Company, not liable to retire by rotation, with effect from the conclusion of the 21st Annual General Meeting i.e. September 18, 2024, to hold office for a second term of five (5) consecutive years or upto the conclusion of the 26th Annual General Meeting of the Company to be held in the year 2029, whichever is earlier.**”**

The Nomination and Remuneration Committee and the Board of Directors have assessed the candidatures of Mr. A. Subba Rao and Dr. M. Ramachandran and are of the view that they are persons of integrity and possesses necessary competencies and skills as identified by the Board of Directors for being re-appointed as Independent Directors of the Company.

The proposed Independent Directors meet the criteria of Independence as provided in Section 149(6) of the Act and are not disqualified from being reappointed as the Directors by virtue of the provisions of Section 164 of the Act.

GMR Hyderabad International Airport Limited
CIN: U62100TG2002PLC040118
Registered Office: GMR Aero Towers, Rajiv Gandhi International Airport, Shamshabad, Hyderabad 500 108, Telangana, India
Tel: +91 40 6739 4099 / 6739 3903 / 6739 5000, Fax: + 91 40 6739 3228, Website : www.hyderabad.aero, Email: ghial-cs@gmrgroup.in

Keeping in view of the expertise and knowledge of Mr. Rao and Dr. Ramachandran, the Board is of the opinion that it would be in the interest of the Company to re-appoint both these directors for a second term of five years with effect from the conclusion of this AGM i.e. September 18, 2024.

Dr. M. Ramachandran, if reappointed, during the proposed second tenure, would attain the age of 75 years. In terms of Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company intends to continue his directorship beyond the age of 75 years as Dr. M. Ramachandran is a person of integrity, possesses relevant expertise and vast experience. Considering his business acumen and strategic expertise, his re-appointment as independent Director on the Company's Board, will be beneficial and in the best interest of the Company.

The presence of Mr. Subba Rao and Dr. Ramachandran on the Board of the Company adds value to the Board's leadership and their continued association is critical for steering the Company's performance. Hence their proposed reappointment as Independent Directors (Non-Executive Directors) is being placed before the Shareholders of the Company for their approval through a special resolution.

The Company has received the notices under Section 160 of the Companies Act, 2013, proposing the candidature of Mr. A. Subba Rao and Dr. M. Ramachandran as the Independent Directors of the Company.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives, except. Mr. A. Subba Rao and Dr. M. Ramachandran and their respective relatives, are concerned or interested in the resolution.

The Board recommends the resolutions as set out in Item nos. 8 & 9 of the 21st AGM Notice for approval of the shareholders, as the Special Resolutions.

BOARD'S REPORT FOR THE FINANCIAL YEAR ENDED MARCH 31, 2024

Dear Members,

Your Board of Directors hereby present this 21st Board's Report of GMR Hyderabad International Airport Limited ("GHIAL" or "your Company" or "the Company") together with the audited financial statements for the financial year ended March 31, 2024 ("Financial Year" or "FY" or "Year").

During the financial year 2023-24, the Indian aviation industry saw a significant growth in passenger traffic, with domestic air passenger numbers increasing by approximately 13% year-over-year to reach around 154 million, surpassing the pre-Covid levels of 142 million in FY 2019-20. International passenger traffic saw a growth in FY 2023-24, where traffic reached 72-75 million, surpassing pre-COVID levels.

The airport infrastructure sector in India is also set to witness significant growth in the coming fiscal years, driven by a sustained increase in both domestic and international passenger traffic. With the recovery trajectory post-Covid continuing to show strong momentum, the outlook for FY 2024-25 remains stable with substantial improvements expected across various metrics. A significant number of investments are in pipeline to develop Indian airport infrastructure which include new greenfield airports, brownfield airports and expansion of the existing airports. Multiple factors have been favouring the aviation industry like robust recovery, ever-increasing demand in domestic business and leisure travel, increase in international travel amid lower restrictions and addition of new routes to remote locations. Owing to this, the Indian airline companies have placed orders for a significant number of aircrafts (~1700) to be delivered over the next decade. This order book is more than double of their current fleet size.

STATE OF COMPANY'S AFFAIRS AND OPERATIONS:

During the financial year, the Rajiv Gandhi International Airport ("RGIA" or "Hyderabad Airport" or "Airport") handled 25.04 million passengers. It also handled highest single day passengers of 77,237 on December 30, 2023, and highest single day Air Traffic Movements (ATMs) of 544 on March 30, 2024.

By the end of the Financial Year, RGIA was connected to 67 domestic destinations as compared to pre-COVID level of 55 domestic destinations and 20 international destinations as compared to 16 destinations pre-COVID.

At present, the Indian airline companies are facing a rough patch due to shortage of parts and engine troubles, particularly with Pratt & Whitney (P&W) engines. It was estimated that 24-26% of the fleet of airlines in India was grounded during the financial year ended March 31, 2024.

FINANCIAL PERFORMANCE ON STANDALONE BASIS:

A summary of the Company's Standalone financial results for the Financial Year 2023-24 and its comparison with financial year 2022-23 is as under:

Earnings Per Share (in Rs.):- - Basic and diluted (in Rs.)	9.88	2.85

REVENUE AND PROFIT ON CONSOLIDATED BASIS:

During the Financial Year, your Company has recorded a consolidated Revenue of Rs. 2,718.31 Crores as against Rs. 1,910.80 Crores in the corresponding previous financial year, being an increase of 42.26%.

Further, your Company has also recorded a consolidated PAT of Rs.373.48 Crores for the Financial Year, against the Profit after Tax of Rs.107.90 Crores in the corresponding previous financial year ended March 31, 2023.

APPROPRIATIONS TO RESERVES:

An amount of Rs. 54 Crores has been transferred to Debenture Redemption Reserve during the Financial Year, in compliance with the Companies Act, 2013, in respect of the issuance of domestic Non-convertible Debenture (NCDs).

DIVIDEND:

In view of the compliance requirements of FCBs/NCDs' covenants, your Board decided not to recommend payment of dividends for the Financial Year, even though the Company earned profits during the Financial Year.

EVENTS SUBSEQUENT TO THE DATE OF THE FINANCIAL STATEMENTS:

There were no material changes or commitments affecting the financial position of the Company which occurred between the end of the Financial Year to which these financial statements relate and the date of the Board's Report.

CHANGE IN THE NATURE OF BUSINESS, IF ANY:

There is no change in the nature of business of your Company.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS:

There are no significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status and Company's operations in future.

MAJOR EVENTS AND ACHIEVEMENTS:

New Brand Identity:

Your Company has developed and launched a new brand identity, positioning Hyderabad Airport as an emerging global hub with the tagline "Experience Epic Everyday".

Route Development:

New routes started during the Financial Year to Amritsar; Shivamogga; Kishangarh; Sindhudurg, Salem, Gondia, Frankfurt (International), Ras Al Khaima (International)

New airlines commenced operations from Hyderabad such as Salam Air (Oman-based), Lufthansa (Germany-based) and Fly91 (India-based).

Airport Expansion:

The overall Airport expansion work was almost completed during the FY with the annual passenger capacity increasing to 34 million passengers per annum (MPPA) from 12 MPPA.

Your Company has made the following progress on the Capital Expansion works:

- On the Airside,

  The Airport is now equipped with 8 Rapid Exit Taxiways, a Ground Service Equipment (GSE) tunnel with a total of 632 meter running length. The apron area has expanded to 379,060 square meters, and the taxiway area has grown to 1,477,590 square meters. The airside area now covers 1,856,650 square meters. The capacity of ATMs has doubled, reaching 284,000, while peak hour ATMs capacity has risen to 42.

- On the Passenger Terminal Building ("PTB") expansion,

  During the financial year, the PTB area has increased by 213% to 379,370 square meters. The total check-in counters, including conventional and Self-Bag Drop (SBD), now stands at 149 counters. The emigration and immigration counters have been more than doubled to 88 in total. Departure bus gates have increased to 28, and arrival bus gates have grown to 9. Additionally, the number of security screening machines with Automatic Tray Retrieval System (ATRS) have been tripled to 26, improving the efficiency of passenger throughput. Also, a city-side check-in was commissioned with 6 SBDs in Level-C.

  As on July 31, 2024, the Airport expansion project works in respect of EPC Contracts and IT works clocked an overall physical progress of ~99.92%.

Operations:

The relentless focus of your Company on offering the best possible service quality and passenger experience with world-class levels of operational efficiency has led to achievement of several new milestones during the Financial Year.

Highlights include:

- The airport handled 25.04 million passengers in the Financial Year 2023-24, with about 20 International destinations and 67 domestic destinations.
- Since June 2023, all the aviation related activities are running on 100% green energy. The Airport has achieved ACI level 4+ accreditation for carbon neutrality that underscores your Company's sheer commitment towards environmental sustainability.
- Successfully implemented Airport Collaborative Decision Making (ACDM) tool in close coordination with all the stakeholders in the airport eco-system.
- The rehabilitation work of main runway 09R/27L was successfully completed.
- The adoption of Digi Yatra has significantly increased at the Airport and approximately 29% of the departing passengers used this facility in the month of March 2024.

Non-aero Commercial:

Your Company focuses on creating and delivering a well-rounded shopping, retail and commercial service experience to the passengers and visitors at RGIA, which in turn provides a strong and growing source of revenue for the Airport.

Highlights for the Financial Year include:

- First of its kind in Indian Airports a smart shopping trolley has been implemented at RGIA.
- A retail billing system developed in-house - **ePOS system (Posifly)** has been implemented across all the Non-Aero offerings at the Airport.
- To cater to the increasing number of passenger and non-passenger visitors, the number of outlets across retail, F&B services have been increased significantly both inside as well as outside of the terminal.

MAJOR STEPS TAKEN UP IN VARIOUS AREAS, DURING THE FINANCIAL YEAR INCLUDE:

Financial Frugality:

All the departments across the Airport have engrained frugality in their daily operations as well as strategic planning. The Airport is focusing on innovation, smart technology, developing in-house solutions, infrastructural upgradation and resourcefulness to achieve financial savings without compromising passenger experience.

Safety and Wellbeing of Staff and Other Stakeholders:

Your Company has appointed DuPont Safety Standard (DSS) as an external consultant where the leadership teams along with the DSS are continuously working together to establish a safe working culture and safe environment within the Airport ecosystem.

REGULATORY AND TARIFF ORDERS PASSED BY THE REGULATORS:

The regulated charges of your Company are determined by the Airports Economic Regulatory Authority of India (“AERA” or “the Regulator”) for each control period spanning over five (5) years. Your Company is currently operating in the third control period (April 01, 2021 to March 31, 2026). For the current control period, AERA issued a Tariff Order vide its Order No. 12/2021-22 dated August 31, 2021.

The said Tariff Order was effective from October 01, 2021 under which, the Regulator approved the continuation of the then existing tariffs till March 31, 2022 and enhanced tariff from April 01, 2022 up to March 31, 2026. In the said third control period tariff order, the Regulator allowed the recovery of your Company’s long pending claim with respect to pre–control period entitlements. However, there are few unresolved issues with regard to classification of Cargo, Ground Handling and Fuel Farm services and revenues as aeronautical by AERA as against your Company’s claim that the same are non-aeronautical, treatment of revenue from real estate development, truing up of forex losses on account of External Commercial Borrowings (“ECB”) pay-outs, etc. Hence, your Company has challenged the AERA Order No. 12/2021-22 dated August 31, 2021 in respect of these contested issues vide an appeal filed before TDSAT on September 30, 2021 under Section 18(2) of the Airports Economic Regulatory Authority of India Act, 2008 (‘AERA Act’). The said Appeal was heard, and a Judgement was passed on February 02, 2024 whereby the TDSAT has held that the activities of and revenues from Cargo, Ground Handling and Fueling services as non-aeronautical. Further, the TDSAT has held that the land meant for commercial/real estate development is beyond the jurisdiction of AERA. Also, the tribunal has held that the dividend and interest income are not part of the non-aeronautical income. The decision of TDSAT will have a positive financial impact and will benefit the Company in the 4th control period and going forward.

AERA filed the Civil Appeal in Supreme Court on May 11, 2024 against the Order passed by TDSAT. However, your Company is confident of favourable order from the Supreme Court as well.

AWARDS AND CERTIFICATIONS RECEIVED BY THE COMPANY / RGIA DURING THE FINANCIAL YEAR UNDER REVIEW:

Your Company / RGIA received the following awards / accolades during the Financial Year recognizing the significant contributions it made in different areas of functional excellence:

- Ranked 61st among top 100 global airports at the 2024 Skytrax World Airports Award for Customer Satisfaction.
- Won the Airport Service Quality (ASQ) Award for 'Best Airport in the 15 to 25 Million Passengers Per Annum (MPPA)' category in the Asia-Pacific Region for 2023.
- Won The Best Airport Award in the 10 to 25 million Passengers Per Annum category in Wings India 2024.
- Awarded world’s second most punctual global airport by CIRIUM.
- Achieved 4-star rating in Skytrax audit in July 2023, for facilities, comfort, cleanliness, shopping, food & beverages and staff service.
- Achieved Level 4+ Airport Carbon Accreditation by ACI in recognition of its alignment with global climate goals in carbon management.
- Received the ACI Green Airports Gold Recognition 2023 - 6th year in a row in recognition of its global efforts towards sustainable and eco-friendly airport operations.

- Received Excellent Energy Efficient Unit Award by Confederation of Indian Industry (CII) in 2023 – 7th year in a row to acknowledge GHIAL as an organization that has consistently improved its energy efficiency performance year after year.

- Recognized as National Energy Leader by the Confederation of Indian Industry (CII) in 2023 – 5th year in a row in recognition of leadership in energy management and its contribution towards a sustainable future.

- Accredited to Level 2 Airport Customer Experience Accreditation program by ACI in March 2024 to recognize our commitment to continual customer experience improvement.

SHARE CAPITAL AND DEBT:

Equity Share Capital:

The paid-up equity share capital of your Company as on March 31, 2024, was Rs.378,00,00,000/- (Rupees Three Hundred Seventy-Eight Crores only) comprising of 37,80,00,000 (Thirty-Seven Crores and Eighty Lakhs) equity shares of face value of Rs.10/- (Rupees Ten only) each. During the Financial Year, your Company did not issue any new shares.

GMR Airports Limited was holding 74% of the paid-up equity share capital of your Company as on March 31, 2024. The Hon'ble National Company Law Tribunal, Chandigarh bench vide its order dated June 11, 2024 approved the composite scheme of amalgamation and arrangement amongst GMR Airports Limited ("GAL") and GMR Infra Developers Limited ("GIDL") with GMR Airports Infrastructure Limited (formerly GMR Infrastructure Limited) ("GIL").

The appointed date of the Scheme of amalgamation and arrangement is 1st April 2023 and its effective date is July 25, 2024. By virtue of this Corporate Restructuring upon the Scheme becoming effective, GAL had been dissolved without undergoing the process of winding up. Accordingly, with effect from July 25, 2024, GIL is the Holding Company of the Company.

KFin Technologies Limited is the Registrar and Share Transfer Agent of the Company.

The Senior Secured Foreign Currency Notes (FCBs) are listed on the Singapore Exchange Securities Trading Limited. The Credit Ratings for the FCBs are as under:

- Fitch –BB+ level; Outlook Stable.
- S&P –BB; Outlook Stable.
- Moody's – Ba2; Outlook Positive

During the Financial Year, the interest (half yearly) and / or principal, as applicable, on such aforementioned Senior Secured Foreign Currency Notes issued by the Company was paid by the Company on their determined due dates.

Domestic Non-Convertible Debentures:

During the Financial Year, the Company had issued Rated, Listed, Secured, Redeemable, Non-Convertible Debentures ("NCDs") on a private placement basis in March 2024 for an amount of Rs. 540 Crores.

The details of NCDs issued till date are as under:

- 11,500 number of NCDs of Rs. 10,00,000/- each (ISIN: INE802J07019) were issued on December 13, 2022 at an interest rate of 8.805% p.a. per quarter payable quarterly, fixed for 5 years. The repayment of NCDs of Rs.10,00,000/- each, starts from September 2028 @ 12.5% each for the first four years and 50% final bullet payment in December 2032. These NCDs are listed on BSE Limited with effect from December 14, 2022.

- 84,000 number of NCDs of Rs. 1,00,000/- each (ISIN: INE802J07027) were issued on March 13, 2023 interest rate @ 8.71% p.a. per quarter payable quarterly, fixed for 5 years. The repayment of NCDs of Rs.1,00,000/- each, starts from December 2028 @ 12.5% each for the first four years and 50% final bullet payment in March 2033. These NCDs are listed on BSE Limited with effect from March 14, 2023.

- 54,000 number of NCDs of Rs. 1,00,000/- each (ISIN: INE802J07035) were issued on March 28, 2024 interest rate @ 8.58% pa. per quarter payable quarterly, fixed for 5 years. The repayment of NCDs of Rs.1,00,000/- each, starts from December 2029 @ 12.5% each for the first four years and 50% final bullet payment in March 2034. These NCDs are listed on BSE Limited with effect from April 02, 2024.

The NCDs have been rated "ICRA AA+" with Stable outlook by ICRA Limited and "INDAA+" with Stable outlook by India Ratings.

The proceeds from the NCDs were utilized to refinance the 2024 FCB bonds which were due in April 2024 and partly refinanced 2026 FCB bonds (to the extent of US$ 12.69 Mn) which are due for repayment in 2026.

IDBI Trusteeship Services Limited is the Debenture Trustee and KFin Technologies Limited is the Registrar and Transfer Agent for the Non-Convertible Debentures issued by the Company by way of private placement.

During the Financial Year, the quarterly interest on such NCDs issued by the Company was paid on their determined due dates.

TRANSFER OF UNCLAIMED / UNPAID AMOUNTS TO THE INVESTOR EDUCATION AND PROTECTION FUND (IEPF):

There are no amounts remaining unpaid or unclaimed for a period of seven years from the date they became due for payment, that are liable to be transferred to the Investor Education and Protection Fund (IEPF) Authority, during the Financial Year.

PARTICULARS OF REMUNERATION:

Your Company is not an equity listed Company and as such is not required to provide the details of the remuneration under the provisions of Section 197 (12) of the Companies Act, 2013 read with Rule 5(1), (2) & (3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

DIRECTORS' RESPONSIBILITY STATEMENT:

To the best of their knowledge and belief and according to the information and explanations obtained, your Directors make the following statements in terms of Section 134(3)(c) & 134(5) of the Companies Act, 2013:

a) that in the preparation of the annual financial statements for the year ended March 31, 2024, the applicable accounting standards have been followed along with proper explanations relating to material departures, if any;

b) that such accounting policies as mentioned in Note 3 of the Notes to the financial statements have been selected and applied consistently and judgments and estimates have been made that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2024 and of the Profit of the Company for the year ended on that date;

c) that proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

d) that the annual financial statements have been prepared on a going concern basis;

e) that proper internal financial controls to be followed by the Company have been laid down and that the financial controls are adequate and were operating effectively;

f) that proper systems have been devised to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

INTERNAL CONTROL SYSTEM:

Your Company's internal control systems are commensurate with the nature of its business, size and complexity of its operations.

Your Company's internal control procedures ensure compliance with various policies, practices and statutes in keeping with the organisation's pace of growth and increasing complexity of operations. The Management Assurance Group (Internal Auditors) of the Company carries out extensive audits throughout the year, across all functional areas and submits its reports to the Audit Committee, every quarter.

INTERNAL FINANCIAL CONTROLS AND ITS ADEQUACY:

Your Company has adopted policies and procedures including the design, implementation and maintenance of adequate internal financial controls, which were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of fraud and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial disclosures under the Companies Act, 2013.

During the year under review, such controls were reviewed and tested by the Internal Auditors and no reportable material weakness was observed in the design or operating effectiveness of the controls except few areas where there is a need to further strengthen the controls.

SUBSIDIARIES, JOINT VENTURES AND ASSOCIATE COMPANIES:

Below are the business highlights and achievements of certain major Subsidiaries during the Financial Year:

GMR Air Cargo and Aerospace Engineering Limited (GACAEL):

Cargo Division:

SNo	Name of the Company	Nature of Relationship	Amount (Rs. in Crores)	Particulars
5.	GMR Hotel and Retail Limited (GHRL)	Subsidiary	123.40	Extended Corporate Guarantee in favour of the Lenders of GHRL for securing its unlisted NCDs issued to NIIF IFL towards refinancing of existing term loans.

Your Company, being an Infrastructure Company, is exempt from complying with the provisions of Section 186 (1) of the Companies Act, 2013 relating to any loan or investments made and / or any guarantees or security given.

PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH THE RELATED PARTIES REFERRED TO IN SECTION 188(1) OF THE COMPANIES ACT, 2013:

All transactions entered into with the related parties during the Financial Year were on arm's length basis and in the ordinary course of business. Your Company has not entered into any material contract or arrangement with the related parties, referred to in Section 188(1) of the Companies Act, 2013 and as such no particulars are required to be given in Form AOC-2.

All related party transactions (RPTs) are placed before the Audit Committee. Omnibus approval is obtained on a yearly basis for transactions which are of a repetitive nature. All the RPTs are mentioned in Note No. 52 of the Notes to the Standalone Financial Statements of the Company for the Financial Year.

CORPORATE SOCIAL RESPONSIBILITY (CSR):

Your Company has been implementing community development initiatives in the villages surrounding RGIA for the last 18 years in collaboration with GMR Varalakshmi Foundation (GMR VF). Intensive activities have been focused in six villages i.e., Airport Colony (rehabilitation colony), Gollapally, Mamidipally, Shamshabad, Charinagar and Ranganayakula Thanda. The CSR initiatives are also extended to another 17 villages surrounding the airport. Apart from running a vocational training centre for dropout youth from disadvantaged communities, your Company is also running different activities under the thrust areas of education, health, hygiene & sanitation and empowerment and livelihoods in the community.

During the Financial Year, the following activities/initiatives were taken up under preventive health care & sanitation; promoting education including vocational skills, gender equality through women empowerment activities as per CSR policy of your Company.

Preventive Health Care and Sanitation:

Mobile Medical Unit (MMU)

The MMU started its operations from the year 2005 in association with Help Age India, providing healthcare services to the elderly people in 13 villages. In the target villages, 5-7 per cent of the population comprises of senior citizens and all are availing MMU services. Once a week, the MMU visits all the 13 villages around the airport and elderly are making use of the medical advice and free medicines as per their need. During the Financial Year, 22,435 treatments were provided, and relevant free medicines were also given to the needy.

Running Early Intervention Centre for specially abled children at Shamshabad:

This Centre has been equipped with different physiotherapy equipment & teaching learning tools. It provides weekly twice physiotherapy services and special education on a regular basis. 25 needy and specially abled children are accessing these services.

To reduce the infant mortality and malnutrition among children, your Company initiated Nutrition Centres at Airport Rehabilitation Colony, Ranganayakula Thanda and Mamidipally villages for pregnant and lactating women. These Centres provide daily nutrition supplements, health awareness sessions and regular health check-ups for these women. During the Financial Year, 356 under-privileged women benefitted from these centres.

Promoting Education and Vocational Skills:

***Enhancing Quality of Education*:**

The Company is working with the under-privileged children focusing on education to ensure children have access to quality educational experience. The initiatives range from running Bala Badi for preschool education, Minimum Learning Standard (MLS) for slow learner and After School Learning Centre (ASLC) for Government School students to harness their interest towards learning. The approach includes direct interactions, digital classroom sessions following curricular and extracurricular activities.

The ASLC provides tuition support to slow learners and the opportunity to engage students in curricular and extra-curricular activities. Around 3,700 children benefitted from the teaching learning material, workbooks & notebooks. Coding without computers, E-Learning Centres and Mobile learning were initiated in selected schools. Under Gifted Children Scheme, the Company continued supporting 133 students. The Gifted Children Scheme supports education of meritorious under-privileged children from the community. The complete educational expenses (including school fees, transportation charges, books, and miscellaneous charges towards extracurricular activities etc.) of such children are borne by your Company's CSR initiatives.

***Skill Development*:**

Your Company is implementing various initiatives through GMR VF for empowering youth, including vocational training for drop out youth. One such vocational training centre is the Centre for Empowerment & Livelihoods (CEL-H) at Shamshabad. The Company strongly believes that building and nurturing skills amongst youth is the key to making a difference to their lives and to society. This Centre has been involved in skilling since 2008, when it set up its first skill training center in the vicinity of the airport. GHIAL CSR Unit is currently running 4 vocational training Centers in the states of Telangana and Karnataka viz; GMR Varalakshmi Center for Empowerment and Livelihood (CEL)-Hyderabad, CEL-Raikal, CEL-Nagaram and CEL-Hubbali.

These Centres offer a menu of 10 courses in collaboration with leading industry partners like Volvo, Schneider, Voltas, Saint-Gobain, TVS, etc., to equip trainees with market relevant skills. The Centre also provides placement and post-placement support for trainees.

This year, as a new initiative to promote international placement, GMR VF has partnered with Telangana Overseas Manpower Company (TOMCOM) to train candidates for overseas employment. The inaugural program started in February, 2024 for providing Japanese language training for candidates from hotel management domain for exciting job opportunities in Japan.

GMRVF also collaborated with TVS Motors to establish a new lab and classroom for the Two-wheeler Technician course. TVS provided equipment and support for this initiative.

Further to support small entrepreneurs, this year GMRVF also partnered with Khadi and Village Industries Commission (KVIC), enabling upskilling programmes in several domains.

In the Financial Year, 1,590 candidates were trained in these centers wherein 1,447 (~91%) were placed either by way of wage employment or self-employment.

Promoting Gender Equality and Empowerment of Women:

***Supporting Livelihoods*:**

Women empowerment is one of the key focus areas of GHIAL-CSR and as part of this, women groups from neighbouring villages of RGIA have been trained on tailoring, making jute and paper products etc. To further support the women in marketing these products, an initiative called EMPOWER (Enabling Marketing of Products of Women Entrepreneurs) has been initiated by GHIAL CSR. The CSR team has also facilitated setting up of a women co-operative called Srujana Mahila Abhivruddhi Society for strengthening the skills and capacities of the members to manage the initiative on their own. Looking at the market demands, skill up-gradation programs have been organized periodically, taking the help of expert resource agencies. This has been helpful in improving the quality and product range to a great extent. The regular clients for EMPOWER include Tirumala Tirupati Devasthanam, KSM Aswagandha, HMS Host, Bharati Cements, Jute Corporation of India, National Jute Board, National Thermal Corporation of India, Indian Surgicals, Taj Falaknuma, Hetero and Biological E Ltd. and other individual clients. One of the marketing channels tapped by EMPOWER to market its products is through online stores like Flipkart, Amazon etc.

This year, being marked as the International Year of Millets, a new ready-to-eat millet snacks production unit was launched with 10 women and marketing linkages being made during the year. Overall, 70 women benefited from the EMPOWER initiative during the year.

***Employee Volunteering*:**

Your Company believes in effective partnership and participation of corporate employees in community services. During the financial year, around 57 employee involvement programs were organized to create opportunities for employee involvement, and 312 employees / family members were involved and they invested ~1,513 person hours in community services. There was lot of active participation from the department heads and leadership teams for different volunteering initiatives.

Annual Report on CSR activities undertaken during FY2024 as required under the Companies (Corporate Social Responsibility Policy) Rules, 2014, is annexed to this report as **Annexure-3.**

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, AND FOREIGN EXCHANGE EARNINGS AND OUTGO:

Since the Company does not own any manufacturing facility, the particulars relating to technology absorption as stipulated in the Companies (Accounts) Rules, 2014 are not applicable. However, the particulars relating to conservation of energy are provided in **Annexure-2** to the Board's Report.

The particulars for foreign exchange earnings and outgo in the Financial Year are as follows:

(a) Earnings in foreign currency (on accrual basis): NIL

(b) Expenditure in foreign currency (on accrual basis):

(Rupees in Crores)

Particulars	For the year ended March 31, 2024	For the year ended March 31, 2023
Professional charges	6.75	0.48
Other borrowing cost**	13.72	24.00
Others	6.00	19.14
Total	26.47	43.62

***Represents amortization charge of issuance cost incurred towards issue of 2027 SSN, 2024 SSN and 2026 SSN during the financial year ended March 31, 2018, March 31, 2020 and March 31, 2021 respectively.*

RISK MANAGEMENT:

Your Company has in place a Risk Management Policy, duly approved by the Board of Directors. An Enterprise Risk Management (ERM) framework has been established to identify, assess, monitor and mitigate various risks that may affect the organization. As per the ERM framework, the risks are identified considering the internal and external environment. While there were no risks perceived to threaten the existence of your Company, some of the risks as mentioned below, have been identified as key risks for Financial Year. These key risks are being monitored at regular intervals along with mitigating measures:

SNo	Risk Category	Risk Description
1	Operational	Physical security threats
2	Reputational	Inability to manage accelerated negative media coverage
3	Technology	Cyber Attacks (malware, phishing, ransomware) and security breaches of IT systems
4	Sectoral	High dependence on single airline and increasing instability in aviation sector
5	Talent	High attrition in critical roles and inadequate succession planning
6	Regulatory	Failure to comply with DGCA licensing regulations - Potential risk of suspension / non-renewal of the aerodrome license
7	Strategic	Inaccurate assessment of passenger traffic and consumer spending patterns
8	Strategic	Delay in execution of strategy to enhance and effectively manage the overall passenger experience
9	Project Execution	Project management capabilities impacting growth objectives
10	Extended Enterprise	Financial instability and operational disruptions of key vendors / service providers / partners

VIGIL MECHANISM:

Your Company has established a vigil mechanism by adopting a Whistle Blower Policy for the Directors, regular employees and other stakeholders of the Company, including advisors, consultants and employees on contract. The Policy also applies to third parties having commercial dealings with the Company, including vendors, service providers, partners, joint venture employees and customers. The Policy has adequate safeguards to ensure that no complainant is victimized for raising a genuine concern under the Policy and has a provision for direct access to the Chairperson of the Audit Committee, in appropriate and exceptional cases. The Whistle Blower Policy is available on the Company's website.

Any Whistle Blower making a complaint under the Policy may make a disclosure to the Ombudsperson – Mr. H. J. Dora, Director of the Company, through the following modes:

(a) Written or oral complaints through teleconference or by personally meeting the Ombudsperson.

(b) An Ethics Helpline is established with a Toll-Free No. 1800-1020-467 and maintained for reporting the complaints and concerns of employees, suppliers and other stakeholders. This is managed by a Third-Party Agency and confidentiality is maintained in all the complaints and concerns raised. This facility is also extended through fax, mail and post. Anybody can reach through e-mail: gmr@ethicshelpline.in.

The Ombudsperson will ensure that complaints received under the Policy are investigated in a fair manner and that the decisions are reported to appropriate authorities for taking necessary action. The Whistle Blower Policy provides adequate protection to the complainant against any retaliation.

During the financial year 2023-2024, no complaints under this Policy were:

- Pending at the beginning of the financial year.
- Received during the financial year.
- Disposed of during the financial year.
- Remaining unresolved at the end of the financial year.

AUDITORS:

Statutory Auditors and Statutory Audit Report:

M/s. K. S. Rao & Co., Chartered Accountants (ICAI Firm Registration No. 003109S] were re-appointed as one of the Joint Statutory Auditors of the Company for a term of five (5) years to hold office from the conclusion of the 19th Annual General Meeting (AGM) held in the year 2022 till the conclusion of the 24th AGM to be held in the year 2027.

The other Joint Statutory Auditor i.e., M/s. Walker Chandiok & Co. LLP, Chartered Accountants, Hyderabad (Firm Registration No. 001076N/N500013) were appointed for a term of five (5) years, from the conclusion of 16th AGM held in the year 2019 till the conclusion of the ensuing 21st AGM. The Board has discussed and recommended to the shareholders for their approval, the re-appointment of M/s. Walker Chandiok & Co., LLP as one of Joint Auditors of the Company to hold office from conclusion of the ensuing 21st AGM till conclusion of the 26th AGM.

Statutory Auditors' qualification / comment on the Company's standalone financial statements for the Financial Year:

As detailed in Note 50 to the accompanying standalone financial statements, the Company had not recognized necessary adjustments in the carrying value of the up-front processing fees receivable amounting to Rs. 63 Crores from Yes Bank Limited ("the Bank") basis the factors mentioned in the aforesaid note. However, owing to the delays in obtaining requisite approvals by the Bank for refund of the upfront processing fee, the management of the Company has assessed and written-off the upfront fee receivable, during the year ended 31 March 2023.

The Statutory Auditor's opinion on the standalone financial statements for the year ended 31 March 2022 was qualified in respect of above matter for lack of sufficient appropriate evidence to support management's assessment of recoverability of the said balance as on the reporting date.

The comparative financial information included in the accompanying standalone financial statements has not been restated in accordance with the requirements of Indian Accounting Standard 8 on account of aforesaid matter, and hence, the Auditor's opinion on the accompanying standalone financial statements is also modified because of the possible effects of this matter on the comparability of the current year figures and the corresponding figures.

Management's Response to the Statutory Auditors' qualifications / comments:

There are no qualifications, reservations or adverse remarks made by the auditors in their reports for the year ended March 31, 2024. There was a modified opinion of the previous year's comparative numbers with respect to the upfront processing fees of Rs.63 Crores paid to Yes Bank Limited in respect of an undrawn loan facility of Rs. 4,200 Crores in the year 2019.

During the financial year ended 2019, the Company had entered into a term loan facility arrangement with Yes Bank Limited ("YBL" or "Bank"), to avail a term loan of Rs. 4,200 Crores, and had incurred an up-front processing fee of Rs. 63 Crores. However, in view of certain developments, the Bank expressed its inability to extend the loan, and accordingly on April 21, 2020, the arrangement was terminated. Further YBL vide their letter dated June 9, 2020, acknowledged the receipt of request from the Company for refund of the aforesaid up-front fees and to present the Company's request to the appropriate committees for approvals.

However, owing to the delays in obtaining requisite approvals by the Bank for refund of upfront processing fee, the management had assessed and written off the carrying value of upfront processing fee recoverable during the quarter and year ended March 31, 2023

Statement on Impact of Audit Qualifications as required under Regulation 53(1)(a) read with Regulation 52(3)(a) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015, is herewith attached as an **Annexure-4.**

Further, the Auditors of your Company have not reported any incident involving fraud by the Company or by the officers and employees of the Company during the Financial Year.

Secretarial Auditors and Secretarial Audit Report:

Pursuant to Section 204 of the Companies Act, 2013 and the Rules made thereunder, the Board had reappointed M/s. KBG Associates, a firm of Company Secretaries in Practice (Firm Registration No. P2009AP006100) for undertaking the Secretarial Audit of the Company for the Financial Year 2023-2024. The Secretarial Audit Report for the Financial Year is attached as **Annexure-5** and forms an integral part of this Board's Report. There are no qualifications, reservations or adverse remarks in the Secretarial Audit Report for the Financial Year.

Further, the Secretarial Audit reports of material unlisted subsidiaries of the Company incorporated in India, (viz. GMR Hospitality and Retail Limited & GMR Air Caro And Aerospace Engineering Limited) as required under Regulation 24A of the SEBI LODR Regulations for the financial year ended March 31, 2024, have been annexed as "**Annexure 5-A to 5-B",** respectively.

Cost Auditors and Cost Audit Report:

Pursuant to the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014 as amended from time to time, your Company is maintaining all the cost records and M/s. Narasimha Murthy and Co., Cost Accountants, have issued a cost audit report for the Financial Year. There are no qualifications, reservations or adverse remarks in the cost audit report for the Financial Year.

The Board has reappointed M/s. Narasimha Murthy and Co., Cost Accountants (Firm Registration No. 000042), as Cost Auditor to audit the cost records of the Company for the financial year 2024-25. As required under the Companies Act, 2013, a resolution seeking Shareholders' ratification for the remuneration payable to the Cost Auditors forms part of the Notice convening the 21st AGM.

SECRETARIAL STANDARDS:

The Company complied with the applicable mandatory Secretarial Standards with respect to Meetings of the Board of Directors (SS-1) and General Meetings (SS-2) issued by the Institute of Company Secretaries of India.

SEBI LODR REGULATIONS:

Consequent upon issue and listing of Non-Convertible Debentures ("NCDs") with effect from December 14, 2022, your Company has become a high value debt listed Company. The Company complied with the applicable Regulations of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 ("SEBI LODR Regulations").

The Report on Corporate Governance as stipulated under relevant provisions of SEBI LODR Regulations read with Master Circular No. SEBI/HO/DDHS/PoD1/P/CIR/2023/108 dated July 29, 2022, forms part of the Annual Report as **Annexure-6**. The requisite Certificate from the Practicing Company Secretary confirming compliance with the conditions of Corporate Governance is attached to the said Report.

PROCEEDINGS UNDER THE INSOLVENCY AND BANKRUPTCY CODE, 2016 AND ONE TIME SETTLEMENT:

During the Financial Year, no proceedings have been initiated against the Company under the Insolvency and Bankruptcy Code, 2016 and no proceedings under the Insolvency and Bankruptcy Code, 2016 were pending at the end of the year. Further, during the Financial Year, the Company has not made any one-time settlement.

ANNUAL RETURN:

Pursuant to Section 92(3) read with Section 134(3)(a) of the Companies Act, 2013, the Annual Return for the financial year March 31, 2024 has been placed on the Company's website at https://www. hyderabad.aero.

DETAILS OF EMPLOYEE STOCK OWNERSHIP PLANS:

The Company has not issued any Employee Stock Ownership Plans (ESOP) to its Employees.

HUMAN RESOURCES AND DEVELOPMENT:

Recruitment: In order to enhance the quality of its workforce while promoting diversity, Company has strengthened its HR Business Partner (HRBP) model by introducing additional screening levels during the recruitment process. As of March 31, 2024, the Company had a total workforce of 856 employees on its rolls.

Learning and Development: Your Company provides opportunities to all its employees to attend training programs to develop their behavioral and technical skills through various training programs spread across various domains like airside, firefighting, safety, aviation security, hazard management, soft skills, MS office, values and beliefs and Ekalavya.

Employee Relations: During the year under review, relations between the Management and employees continued to remain cordial. Rewards and Recognitions were conferred on those employees who have performed beyond the call of duty.

Communication Forums: Your Company gives a platform for its employees to communicate directly with the CEO through the CEO's Town Hall Meeting, which is held bi-annually and promotes a bottom-up communication flow. In this platform, the CEO shares all the insights pertaining to the business verticals, sectors of the GMR Group along with organizational performance, plans, goals and objectives. All the strategies, hits and misses of the previous period are communicated to the employees. This is also a platform to recognize the contributions of the employees and welcome new employees on board. Your Company also conducted departmental skip level meetings and orientations for new joiners / hires.

Employee Development Initiatives: Your Company has in place Multi-Tier Leadership Development Programs (MTLDP) which equip the employees at various levels of management with managerial and execution skills required at their levels to excel as versatile leaders. Participants are prepared to take on higher cross-functional responsibilities and drive a high-performance culture in the organization. During the year under review, mid-level management employees underwent Catapult Program which is designed to build the leadership pipeline.

Employee Recognition: Recognition culture in your Company saw a positive trend among the employees in terms of motivation, performance and continuing endeavor for achievement. Your Company recognizes exemplary performers through various initiatives like Star of the Month ('SOM-Individual and Team'), 'Star Team of the Quarter', 'Star of the Year' 'Thank You' and 'Well Done' cards. The increasing trend of SOM Nominations and card redemptions indicates positive change in the recognition culture. Also, the Company has introduced a practice of recognizing the Value Ambassadors as value champions.

Employee Engagement and Wellness: Employee engagement is one of the top-most priorities for your Company. An employee engagement survey is conducted with the help of a third-party survey administration partner. Summaries of survey results are shared with the employees and these engagement survey findings become the basis for developing employee engagement initiatives across departments. Department wise action plans are developed to ensure that engagement factors affecting each department are properly addressed.

Engagement interventions include initiatives like Job rotation / enrichment opportunities for employees, V-Connect for new joiners, sports events, recognition platforms, festival celebrations, professional development initiatives etc. Your Company has also extended engagement to the employee's families and also to Airport stakeholders through events like Pariwar Milan, 15^{th} Anniversary Celebrations, during the Financial Year. Your Company has been conducting stakeholder engagement initiatives like "One Family, One Mission", under which various events like International Yoga Day, Sankranti Celebrations, Ramzan, Holi, Deepavali, Onam, Women's Day, Father's Day, Dandiya night, etc., were organized for the RGIA community.

Various health awareness sessions, blood donation camps and medical screening camps were conducted as part of "Ayushi", an employee wellness initiative. The employees undergo annual health checkup as per eligibility which is mandatory for employees like in ARFF and Security and Control departments.

DISCLOSURE UNDER THE SEXUAL HARASSMENT OF WOMEN AT WORKPLACE (PREVENTION, PROHIBITION AND REDRESSAL) ACT, 2013:

Your Company has adopted an Anti-Sexual Harassment Policy which is in line with the requirements of the Sexual Harassment of Women at the Workplace (Prevention, Prohibition and Redressal) Act, 2013. An Internal Complaints Committee (ICC) has been set up to address complaints received regarding sexual harassment. All employees of the Company (permanent, contractual, temporary and trainees) are covered under this Policy.

The details of complaints under the Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, during the financial year 2023-24:

a. Number of complaints received during the financial year: 02
b. Number of complaints disposed of during the financial year: 02
c. Number of complaints pending as on end of the financial year: Nil

FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS:

Details in respect of Familiarisation Programme for Independent Directors are provided in the Corporate Governance report, forming part of this Board's Report.

INSURANCE:

The Company's properties including buildings etc. have been adequately insured against major risks.

INVESTOR COMPLAINTS:

Pursuant to the Regulation 13 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR Regulations"), your Company is registered on the SEBI Complaints Redress System (SCORES) platform, in order to handle investor complaints electronically in the manner specified by the SEBI.

During the financial year 2023-2024, no investor complaints were:

- Pending at the beginning of the financial year.
- Received during the financial year.
- Disposed of during the financial year.
- Remaining unresolved at the end of the financial year.

SAFETY:

During the financial year, RGIA has seen significant growth in the ATM growth. Also, RGIA has undertaken various expansion activities both in the Airside, Landside and Passenger Terminal Building to accommodate the growth of the passengers as well as Air Traffic Movements which has increased the risk for greater number of incidents. Inspite of the increased risk, GHIAL-Safety department has ensured stringent compliance to the Safety Management System regulations.

Your Company has engaged DuPont Sustainable Solutions (DSS) which is a world class leader in Safety Management Systems with two-year road map. The road map has been prepared to enhance behavioral safety at RGIA which will be governed by charters and standards. Governance structure has been created to monitor & implement the road map of DSS at RGIA.

Your Company has prepared in-house Business Continuity Plan (BCP) and engaged Bureau Veritas to validate the same through ISO Certification. As part of ISO certification of BCP, Gap Assessment & Stage-1 audits are completed, and stage-2 audit is planned in July 2024.

Some of the salient features of safety and environment management performance of your Company, are indicated below:

I. SAFETY:

1. **RGIA Safety Mission Statement:**
   "We are committed to developing, nurturing and proactively promoting a safety culture at RGIA with the philosophy 'Safety first.'"

2. **Synopsis**
   Safety Management System of GHIAL is in line with the Safety Management System framework defined by the International Civil Aviation Organization ("ICAO") and the Directorate General of Civil Aviation, India ("DGCA"). Consistent and collaborative approach of your Company in sensitizing the stakeholders on various safety and environment processes has yielded good results during the financial year. GHIAL has expanded the scope of safety department to landside as well to enhance the safety management system across the premises of GHIAL. Accordingly, the safety incident score has been revised. Now with the engagement of DuPont Sustainable Solutions, GHIAL expects improvement in safety reporting which will enhance the safety culture at RGIA. The two-year road map of DSS^{+} consists of the following:

a) Created a governance structure covering the senior management and the middle managers of entire GHIAL to implement & monitor the safety standards.
b) Workshops on Leading Safety Efforts, Incident Management, Safety Interactions, Contractor Safety Management, Competency Development & Communications.
c) Identified four high risk activities for GHIAL with the help of task teams and prepared world class standards for those high risk activities which also included Train the Trainer Programme.
d) Creation of Contractor Safety Management Standards
e) Implementation of High Risk Standards with on field gap assessments.
f) Safety Interactions by Senior Leaders & middle managers with workers at works sites across RGIA to show the commitment of GHIAL management towards safety.

3. **Safety Performance and assurance during financial year:**

In spite of expansion works being undertaken, your Company has continued its efforts in giving safety assurance to all its stakeholders through proactive and preventive measures. The change management process at your Company has been very effective. Your Company has implemented a stringent risk assessment process which was carried out for all the major changes / activities to proactively identify the hazards and mitigate them in advance to ensure seamless transition of the major changes in the facilities and processes. This has been one of the crucial enablers for obtaining timely DGCA /regulatory approvals for the safe and efficient completion of the projects. The Safety Action Group ("SAG") consisting of safety SPOCs of all the agencies operating at RGIA, which was created to strengthen the Safety Management System ("SMS") at RGIA played a vital role in enhancing safety assurance. Further, the Safety department has trained selected SPOCs from internal & external stakeholders on SMS for further training to all the employees within the respective departments of GHIAL / organizations. As an integral part of continued safety assurance, your Company has ensured regular safety oversight inspections, Audits & Corrective Action & Preventive Action (CAPA) effectiveness checks of all critical activities within the airport.

4. **Safety compliance**

The SMS at RGIA is in compliance with the DGCA regulatory guidelines. The Aerodrome License (AL/Public/021) has been renewed which is valid till March 04, 2029. Your Company is in compliance with ISO 45001:2018 Standards which is valid till December 31, 2024.

5. **Safety Initiatives**

As part of enhancing the safety culture within RGIA through innovative initiatives, QR code based voluntary hazard reporting has been introduced and the voluntary hazard reporting through WhatsApp has helped the GHIAL to proactively mitigate potential safety concerns well before they become a serious safety concern. The entire PTB has been divided into zones and audited by Cross Functional Teams to identify any potential hazards before it turns into an occurrence.

6. **Safety Promotion**

To set the highest priority and emphasize the importance of safety culture, the Safety promotion events are led by the CEO and all the senior management of the Company to demonstrate Company's commitment to safety. These safety promotion activities are conceived and implemented with the active cooperation and participation of all the stakeholders, including employees of your Company and their family members. Also, the stakeholders are sensitized regularly through safety bulletins and safety alerts through various communication channels.

ENVIRONMENT, SOCIAL AND GOVERNANCE:

Your Company is committed to conducting its business in an environmentally friendly and sustainable manner, in line with the GMR Group's Vision, Mission, Values, Beliefs and Corporate Policies. Environment, Social and Governance (ESG), Net zero carbon emission and Zero tolerance to Safety issues are the core concepts on which all the Safety and Environmental activities are developed and implemented.

1. Environment Compliance and Sustainability Activities:

Environmental sustainability has always been the focal point of your airport. From responsibly sourcing to responsibly utilising the resources your Company is proactively adopting sustainable practices and engaging with its stakeholders to minimise the carbon footprint of its business.
During the Financial Year, there have been some significant achievements with regard to environment management and sustainability processes within the RGIA.

- RGIA has achieved Level 4+ (Transition) of the ACI - Airport Carbon Accreditation
- Your company is running its entire aviation related infrastructure on 100% green energy
- RGIA clinched the prestigious **"National Energy Leader"** and **"Excellent Energy Efficient Unit"** awards at the 24th National Award Ceremony for 'Excellence in Energy Management' organized by the Confederation of Indian Industry (CII). The airport has been recognized with "National Energy Leader" and "Excellent Energy Efficient Unit" laurels for 5th and 7th year in a row, respectively.
- For the 6th consecutive year from 2018, RGIA has sustained the ACI- Green Airports Recognition 2023 in recognition of its global efforts towards sustainable and eco-friendly airport operations, by winning the GOLD recognition in the category of 15-35 MPPA in the Asia – Pacific region for single use plastic free airport.
- RGIA won the ACREX Hall of Fame National Level Awards competition
- Your airport has been recognised as India's Most Green Infrastructure Company of the Year at BW Businessworld The Sustainable World Conclave & Awards 2023.

In addition to the above, some of the continuing best environment practices at the RGIA include:

- LEED certified Terminal Building which allows maximum natural lighting, and other features that enable optimal use of energy and water.
- Effective implementation of the "Reduce-Reuse-Recycle" principle in the overall water usage within the airport.
- Efficient rainwater harvesting and ground water recharging processes.
- Efficient solid waste management processes and compost generation to meet 100% internal demands to develop a beautiful landscape within the airport precincts.
- Robust process to effectively reduce aircraft noise and emission levels by collaboratively engaging with airline operators and Air Traffic Service providers to bring in best practices like single engine taxi, Fixed Electrical Ground Power to reduce use of aircraft Auxiliary Power Units (APU), Continuous Descent Approach Operations, etc.

Your Company organizes various environment awareness programs on a regular basis and wide publicity during World Environment Day, Earth-Hour, etc., by engaging the entire airport community including airlines, ground handlers, passengers and all other stakeholders operating at RGIA.

2. **Social:**

Your Company has a CSR policy that outlines the scope of the CSR Committee, Board's oversight and processes to monitor progress of CSR initiatives. GMR Varalakshmi Foundation (GMRVF) (a Section-8 Company and the CSR arm of GMR Group) has identified priority areas for CSR activities in line with the CSR Policy. Further, 'Social Responsibility Ambassadors' encourage employees to volunteer for the CSR activities. Your Company also has an Employee volunteering policy in place, allowing 16 paid volunteering hours per year for undertaking CSR activities.

Further, your Company is emphasizing on gender diversity, increasing women workforce is one of the key targets for the CEO and the President HR. Also, Employee groups (Rockerz), forums and hobby groups (150+ members) are in place, for open discussions among employees to improve employee engagement.

Your Company promotes peer-to-peer learning and interaction. It has started programs like Ekalavya and Catapult for better career progression programmes for high potential employees and will start the advanced phase of the same in Financial Year 2024-25.

In addition to the above, some of the best social practices at your Company include:

- Conducting Employee satisfaction surveys at the organizational level and further disclosing employee results internally. Your Company is also working on an Employee Engagement survey called ECHO by the GMR Group.
- Each employee has access to a web-based platform for online training on relevant topics as identified during their performance review, the same training can be accessed via the MyGMR app as well. Their training progress and hours of training are also monitored through the same; and
- The Company also has separate policies in place for anti-child labour, forced labour, anti-discrimination (at the organizational level) etc.

3. **Governance:**

Managing large and diverse businesses is not possible without a robust governance structure, The Company is committed to maintaining the highest standards of governance and has also implemented several best governance practices. The report on Corporate Governance as per the SEBI LODR Regulations forms part of the Annual Report. Certificate from the Practising Company Secretary (Secretarial Auditor of the Company) confirming compliance with the conditions of Corporate Governance is attached to the report on Corporate Governance.

Board Composition, Governance: Diversity, Independence, Separation of Powers:

The Board has a combination of Executive, Non-executive, Independent, Professional and Directors representing Shareholders of the Company, all of whom are experts in their respective domains having a rich and varied experience. The Board comprises of 16 Directors, of which, 14 are Non-Executive Directors (excluding an alternate Director) and two are Executive Directors (the Executive Chairman and the Managing Director). The Chairman of the Board is an Executive Director. The Board has four Independent Directors, of which one is a Woman Director. All the Directors actively contribute to the deliberations of the Board, covering all policy matters, governance, review of operational and financial performance, and strategic decisions.

The Company has Board Committees viz., Audit Committee, Nomination and Remuneration Committee; Corporate Social Responsibility (CSR) Committee, Stakeholders Relationship Committee and Risk Management and Environment, Social and Governance (ESG) Committee with committee members having relevant expertise. The Committees function in accordance with their respective terms of reference and the provisions of the Companies Act, 2013 and SEBI LODR Regulations. All the Committees have an optimum representation of Independent Directors. The composition of the Board-Committees is detailed elsewhere in this Board's Report.

The Chairman of the Company is responsible for the overall leadership of the organization, promoting the highest standards of integrity, probity, Transparency and fairness. The Managing Director of the Company is responsible for the day-to-day management and operations of the Company. The Managing Director exercises his powers subject to the overall superintendence, direction and control of the Board. The CEO of the Company reports to the Managing Director and looks after the operational and strategic business functions of the Company including delegation of authority and directions to the Senior Management for planning and effective implementation of the Board's decisions and corporate and strategic initiatives, in the best interest and for ensuring sustainable growth of the Company.

The Board of Directors of the Company provides timely and accurate information to shareholders and other stakeholders.

Ethics and Integrity:

Your Company strictly abides by the law of the land and places its highest emphasis on ethical behaviour. The Code of Business Conduct and Ethics (COBCE) is adopted from the GMR Group and is applicable for all employees of GHIAL. This code is also placed in the GMR intranet portal. All the employees are mandatorily required to read and sign off the COBCE at the time of joining. It is also made mandatory to read and agree to comply with the code of conduct on an annual basis. The disciplinary and ethics policy of the Company has clearly laid down the type of behaviour considered to be unethical and unacceptable to the organisation.

E&I (Ethics and Integrity) Department is responsible to foster an ethical culture among the employees, to provide a clean and transparent mechanism inculcating a culture of honesty and high level of ethics among all employees of the Company to make it a better place to work, to improve the efficiency and effectiveness of systems, processes and controls.

To maintain a high level of legal, ethical, moral standards and to provide a gateway for employees to voice their concerns in a responsible and effective manner about malpractices, impropriety, abuse or wrongdoing within the Company, a Whistle Blower Policy is in place, the details of which are given elsewhere in this Board's Report.

Incentivized Pay:

Apart from the fixed remuneration payable monthly to the Executive Directors, the other component of remuneration viz. commission on an annual basis is linked to the performance of the Company including compliance with various ESG initiatives (as per ESG Road Map of the Company), based on its net profits, in accordance with the provisions of the Companies Act, 2013.

The details of the policies including Policy on Related Party Transactions (RPT) approved and adopted by the Board of Directors as required under the Companies Act, 2013 and Securities and Exchange Board of India (SEBI) regulations are available on the Company's website, at https://www. hyderabad.aero/home.aspx

STATEMENT REGARDING OPINION OF THE BOARD WITH REGARD TO INTEGRITY, EXPERTISE AND EXPERIENCE (INCLUDING THE PROFICIENCY) OF THE INDEPENDENT DIRECTORS APPOINTED DURING THE YEAR:

The Company has not appointed any Independent Director during the year. However, the Board is of the opinion that Independent Directors on the board have deep knowledge and experience (including proficiency), integrity, expertise, sharp business acumen, and has strong votaries of the highest standards of corporate governance.

ACKNOWLEDGEMENT:

The Directors take this opportunity to express their gratitude to customers, suppliers, vendors, investors, concessionaries and other business partners for their continuous support. The Directors also thank the Government of India, the State Government of Telangana, various Government Departments / Authorities / Agencies for their cooperation. The Directors also thank the Airports Authority of India, Malaysia Airports Holdings Berhad, MAHB (Mauritius) Private Limited, GMR Group, Lending Banks and Financial Institutions for their continued support and co-operation.

The Directors place on record their sincere appreciation for the contributions made by employees at all levels through their hard work, dedication, solidarity and support.

Annexure-1 to Board's Report FY 2023-24

GMR Hyderabad International Airport Limited

SALIENT FEATURES OF THE NOMINATION AND REMUNERATION POLICY

The Nomination and Remuneration Policy is formulated in compliance with Section 178 of the Companies Act, 2013 and the applicable rules made thereunder and Regulation 19 of the SEBI LODR Regulations. The Board has, on the recommendation of the Nomination and Remuneration Committee (Committee) approved the policy for selection and appointment of Directors, Senior Management and their remuneration. The key objectives of the Committee are:

(a) To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel (KMP) and Senior Management.

(b) To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation.

(c) To recommend to the Board a policy relating to remuneration payable to the Directors, Key Managerial Personnel and Senior Management.

1. APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT PERSONNEL

1.1. APPOINTMENT CRITERIA AND QUALIFICATIONS

(a) Subject to the applicable provisions of the Companies Act, 2013, the SEBI LODR Regulations, other applicable laws, if any and GMR Group HR Policy, the Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or Senior Management and recommend his / her appointment to the Board.

(b) The Committee has discretion to decide the adequacy of qualification, expertise and experience for the concerned position.

(c) The Company shall not appoint or continue the employment of any person as Managing Director / Whole-time Director / Manager who has attained the maximum age of retirement as prescribed under relevant applicable laws, unless an appropriate Resolution is passed to that effect, as prescribed under relevant applicable laws.

(d) Further, the appointment of any whole-time KMP of the Company and Independent Director shall be as per the terms and conditions as prescribed under relevant applicable laws.

1.2. TERM / TENURE

1.2.1. Managing Director / Whole-time Director / Manager (Managerial Personnel)

The Company shall appoint or re-appoint any person as its Managerial Personnel for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

1.2.2. Independent Director

(a) The appointment / re-appointment /removal / resignation of Independent Director shall be pursuant to the provisions of the Companies Act, 2013 and the SEBI LODR Regulations.

(b) No Independent Director shall hold office for more than two consecutive terms. However, such Independent Director shall be eligible for appointment as Independent Director only after expiry of three years from ceasing to become an Independent Director on that Board.

Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly. Further, no independent director, who resigns from a listed entity, shall be appointed as an executive / whole time director on the board of the listed entity, its holding subsidiary or associate company or on the Board of a Company belonging to its promoter group, unless a period of one year has elapsed from the date of resignation as an Independent Director.

(c) At the time of appointment of Independent Director, it should be ensured that that the appointment should be in compliance of the rules and regulations as laid down in the Companies Act, Rules madethereunder, SEBI LODR Regulations and any other applicable law.

(d) The maximum number of companies in which a person shall hold office as Director, including any alternate directorship, shall not exceed twenty companies at the same time. Provided that the maximum number of public companies in which a person can be appointed as a director shall not exceed ten out of which not more than 7 may be in Listed (equity Listed) Companies.

For reckoning the limit of public companies in which a person can be appointed as director, directorship in private companies that are either holding or subsidiary company of a public company shall be included.

1.3. FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS

The Company shall familiarize the Independent Directors with the company, their roles, rights, responsibilities in the Company, nature of the industry in which the company operates, business model of the Company, etc., through various programmes.

1.4. EVALUATION

In terms of Section 178 and subject to Schedule IV of the Companies Act, 2013 and SEBI LODR Regulations, the Committee shall specify the manner for effective evaluation of performance of Independent Directors, Board, its Committees and other individual directors and review its implementation and compliance periodically.

1.5. REMOVAL

Due to reasons of any disqualification mentioned in the Companies Act, 2013, rules made thereunder or under any other applicable laws, rules and regulations, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director or KMP, subject to the provisions and compliance of the applicable laws, rules and regulations.

1.6. RETIREMENT

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. Subject to applicable regulations, the Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, in the interest and for the benefit of the Company.

1.7. SUCCESSION PLANNING

A. The Company shall follow GMR Group Policy on Succession Planning to identify critical job positions including board of directors and senior management and provide Succession to these positions for business continuity & Institution Building.

B. Corporate HR (CHR) will initiate the process for identification of individuals by CEO/HOD/Chairman, as may be applicable, in the context of Annual Operating Plan, business and workforce plans.

C. Job specifications will be shared with CEO/HOD/Chairman to help identify potential successors.

D. Succession Planning Policy and Process will be administered by CHR in partnership with the CEO/HOD/Chairman.

E. Confidentiality with regard to outcome of the Succession Planning exercise will be maintained at all times.

2. PROVISIONS RELATING TO REMUNERATION OF MANAGERIAL PERSONNEL, KMP AND SENIOR MANAGEMENT PERSONNEL

2.1. GENERAL

(a) The remuneration / compensation / commission etc. to Managerial Personnel will be determined by the Committee and recommended to the Board for approval. The remuneration / compensation / commission etc. shall be subject to the approval of the shareholders of the Company and Central Government, wherever required.

(b) The remuneration and commission to be paid to the Managerial Personnel shall be as per the statutory provisions of the Companies Act, 2013, and the rules made thereunder for the time being in force and the SEBI LODR Regulations.

(c) Increments to the existing remuneration / compensation structure of Managerial Personnel may be recommended by the Committee to the Board which should be within the limits approved by the Shareholders.

(d) Where any insurance is taken by a company on behalf of its Directors and Officers, for indemnifying any of them against any liability in respect of any negligence, default, misfeasance, breach of duty or breach of trust for which they may be guilty in relation to the company, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel.

2.2. REMUNERATION TO MANAGERIAL PERSONNEL, KMP, SENIOR MANAGEMENT AND OTHER EMPLOYEES

2.2.1. Fixed Pay

Managerial Personnel shall be eligible for a monthly remuneration as may be approved by the Board on the recommendation of the Committee in accordance with the statutory provisions of the Companies Act, 2013, and the rules made thereunder for the time being in force. The break-up of the pay scale and quantum of perquisites including, employer's contribution to provident fund, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board on the recommendation of the Committee and approved by the shareholders and / or Central Government, wherever required.

2.2.2. Minimum Remuneration

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managerial Personnel in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the prior approval of the Central Government.

2.2.3. Provisions for excess remuneration

If any Managerial Personnel draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he / she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government as per applicability.

2.2.4. The remuneration to KMPs and Personnel of Senior Management shall be governed by the GMR Group HR Policy.

2.2.5. The remuneration to other employees shall be governed by the GMR Group HR Policy.

2.3. REMUNERATION TO NON-EXECUTIVE / INDEPENDENT DIRECTOR

2.3.1. Remuneration / Commission

The remuneration / commission shall be in accordance with the statutory provisions of the Companies Act, 2013, and the rules made thereunder for the time being in force.

2.3.2. Sitting Fees

The Non- Executive / Independent Director may receive remuneration by way of fees for attending meetings of Board or Committee thereof.

Provided that the amount of such fees shall not exceed the maximum amount as provided in the Companies Act, 2013, per meeting of the Board or Committee or such amount as may be prescribed by the Central Government from time to time.

The sitting fee paid to Independent Directors and Women Directors, shall not be less than the sitting fee payable to other directors.

2.3.3. Limit of Remuneration / Commission

Remuneration / Commission may be paid within the monetary limit approved by shareholders, subject to a limit not exceeding 1% of the net profits of the Company computed as per the applicable provisions of the Companies Act, 2013.

2.3.4. Stock Options

An Independent Director shall not be entitled to any stock option of the Company.

Annexure - 2 to the GHIAL Board's Report FY 2023-24

GMR Hyderabad International Airport Limited
Particulars relating to conservation of energy as per the Companies (Accounts) Rules, 2014

(A) ENERGY CONSERVATION MEASURES TAKEN DURING THE FINANCIAL YEAR 2023-24:

- LED Conversion at Airport Village and Plant Duct area at PTB
- Optimized AC operation by installing false ceiling at AGL sub-station
- Control of indoor lighting by using nature switch at various existing electrical substations, terminal
- Upgradation of filter feed pumps in existing STP-1 & STP-2.
- Replacement of Blower motor with IE3 motors at STP-1 & STP-2.
- Single Primary pump operations at CSB.
- Replacement of water-cooled PAC with air-cooled PAC at ATC.

Brief Summary of some Key Projects:

- **LED Conversion at Airport Village and Plant Duct area at PTB:**
  Conventional cluster lights replaced with LED at airport village. Further, conventional lights at Level E Plant Duct Area replaced with LED.
  This project led to energy savings of 1.46 lakh units per annum.
- **Optimized AC operation by installing false ceiling at AGL sub-station:**
  To optimize the Air Conditioning system at AGL sub-station, false ceiling system was installed. Further, a timer was also implemented to control AC operations.
  This project led to energy savings of 0.48 Lakhs per annum
- **Control of indoor lighting by using nature switch at various existing electrical substations & terminal:**
  At various substations located within airport premises, we installed nature switches to optimize power consumption. All Substations' lighting system are now routed through Nature Switch (except emergency power).
  This project led to energy Savings 0.53 Lakh units per annum.

(B) ADDITIONAL INVESTMENTS AND PROPOSALS IMPLEMENTED FOR REDUCTION OF ENERGY CONSUMPTION DURING THE FINANCIAL YEAR 2023-24:

- Descaling & cleaning activity of existing Cooling towers – 1.1 lakhs units
- Replacement of Cluster lamps at Level-F East Processor interface (MH Lamps to LED) – 0.8 lakh units
- Augment the discharge line of the pumps in the STP-3 – 0.04 Lakh units
- Augment the discharge line of the water pumps from the main raw water tank to the domestic tank in WTP - 0.03 Lakh units.

(C) IMPACT OF THE ABOVE MEASURES AT (A) FOR REDUCTION OF ENERGY CONSUMPTION: -

Overall Energy conservation achieved through implementation of various energy conservation initiatives is 6.42 lakh units, helping conserve 526* tonnes of carbon footprint.

Note: * – Grid emission factor for electricity purchased from grid 0.82KgCO_2/kWh.

Following initiatives are planned in the Financial Year 2024-25 for reduction of energy consumption:

- Refurbishment of existing Mitsubishi elevators & escalators with Energy Efficient motors.
- Replacement of existing conventional AGL Signages with LED lights.
- Replacement of existing Transformers with efficient Transformers at various locations.
- Upgradation of old ductable AC units in the critical areas of PTB with eco-friendly & energy efficient systems.
- Upgradation of existing AHUs in PTB by providing damper controlling and arresting leakages.
- Replacement of Obsolete pumping system with energy efficient pumps (Phase-II).
- Installation of Sun control film on facade glass at west & east processor to reduce heat load.

Renewable energy generation and consumption initiatives:

- Entire solar power generated from onsite 10 MWp Solar power plants is being consumed for airport operations.
- Power purchased from State DISCOM to augment the balance power requirement for airport operations is RE "Green Power". With this, the entire airport is operating with "100% green energy".
- Installed a 360 KWp solar power plant at GMR Township. With this, GMR Township has achieved net-zero carbon footprint.

Technology absorption:

- Upgradation of 6 Nos of 200KVA Conventional UPS with Modular UPS at PTB.
- Installation of 2 Nos of 500KVA Modular UPS for BHS to avoid downtime of BHS during Power Interruption.
- Implementation of Emergency Switch for PRM Washroom automated sliding door to reduce the response time for passenger evacuation during man trap.
- Elimination of STS at all the network room and Data Centre at PTB and provision of Dual source to avoid single point failure.
- Installation of 3 Nos of energy efficient transformers at Terminal.
- 20KVA UPS which was serving for Lighting loads of Arrival and Departure Ramp has been removed, and these loads are added on 200KVA Central UPS. This helped in optimization of Asset.
- 30KVA UPS which was serving for Network rack loads has been removed and loads are served through 200KVA Central UPS. This helped in optimization of Asset.

II. Audit Qualification (each audit qualification seperately) :

Qualification

a. Details of audit qualification:

As detailed in Note 50 to the accompanying Statement, the management of the Company had assessed and written-off the upfront fee receivable from Yes Bank Limited amounting to INR 63 crores during the quarter and year ended 31 March 2023. Our audit report on the standalone financial results for the quarter and year ended 31 March 2023 was qualified since the management of the Company had not restated the comparative financial information included in such financial results, in accordance with the requirements of Ind-AS 8.

Our audit report on the accompanying Statement for the year ended 31 March 2024 is also qualified on account of the possible effects of aforesaid matter on the comparability of current year figures with the corresponding figures.

Our conclusion on the standalone financial results for the quarter ended 31 December 2023 issued vide our review report dated 22 January 2024 was also qualified in respect of comparability of financial information in relation to the above matter.

b. **Type of Audit Qualification :** Qualified Opinion

c. **Frequency of qualification**: Second year of qualification

d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: Not Applicable

e. For Audit Qualification(s) where the impact is not quantified by the auditor:

(i)Management`s estimation on the impact of audit qualifications: Not applicable

(ii) if management is unable to estimate the impact, reasons for the same: The aforementioned qualification does not impact the figures for the year ended 31 March 2024

(iii) Auditor`s Comments on (i) or (ii) above: As stated in point II(a) above.

Annexure – 6 to Board's Report

CORPORATE GOVERNANCE REPORT

Report on Corporate Governance

(1) Corporate Governance Philosophy

The chosen vision of your Company is institution in perpetuity. The Company is deeply conscious that, while doing business successfully, it will actively cater for building of nation and society around it. The long term interest of the Company, particularly in aviation sector, is closely woven with stakeholders' alignment. Your Company has a large number of stakeholders in all spheres of business and society. Your Company endeavors to constantly promote and enhance the stakeholders' legitimate interests and conduct its businesses and strengthen relationships in a manner that is dignified, distinctive and responsible. Your Company adheres to ethical standards to ensure integrity, transparency, independence and accountability in dealing with all stakeholders. Therefore, the Company has adopted various codes and policies to carry out its duties in an ethical manner.

The Corporate Governance philosophy is further strengthened with the adherence to the Business Excellence framework, based on the Malcolm Baldrige Model, for continuous improvement in all spheres of its activities. Your Company works towards continuous improvement in governance practices and processes, in compliance with the statutory requirements.

(2) Board of Directors

(a) Composition and category of Directors:

The Company's policy is to maintain an optimum combination of Executive, Non-Executive and Independent Directors on its Board. As on March 31, 2024, the Company had 16 (Sixteen) Directors (Excluding 1 Alternate Director), out of whom, 4 (Four) were Independent, including a Woman Director; 10 (Ten) were Non-Independent & Non-Executive Directors; and 2 (Two) were Executive Directors. The composition of the Board of Directors of the Company is in compliance with the Companies Act, 2013 ("Act") and with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI LODR Regulations) and the Shareholders Agreement.

The brief profile of the Directors is available on the Company's website https://www.hyderabad.aero /our-company.aspx#leadership.

@@ appointed as a Director w.e.f. January 22, 2024

@@@ appointed as a Director w.e.f. March 13, 2024

* WTD & EC – Whole-time Director and Executive Chairman, MD - Managing Director, NENID - Non-Executive Non-Independent Director, NEID - Non-Executive Independent Director, ED - Executive Director, NEC - Non-Executive Chairman, JMD & CEO - Joint Managing Director & Chief Executive Officer, ALD – Alternate Director,

** As per the explanation given under Regulation 17A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 [SEBI LODR Regulations], only the directorship in equity-listed companies should be considered for the purpose of counting the number of directorships. Accordingly, High Value Debt Listed entity (Not an Equity Listed Company) is NOT considered for calculating the number of directorships for all the directors.

Other companies do not include directorship(s) of this company, private limited companies, Section 8 companies and companies incorporated outside India.

Committee means Audit Committee and Stakeholders' Relationship Committee.

- Five Board Meetings were held during the Financial Year (FY) ended March 31, 2024, viz., May 04 2023, July 27, 2023, August 25, 2023, October 20, 2023 and January 22, 2024.
- At least one board meeting was held in each quarter and gap between any two consecutive board meetings did not exceed 120 days.
- L = Leadership; M= Management, S = Strategy; O = Airport Operations; T = Technology; F = Finance; G = Governance; LR = Legal & Regulatory Affairs

(c) Disclosure of relationships between directors:

Mr. G. M. Rao is the father of Mr. G. B. S. Raju and Mr. Grandhi Kiran Kumar. He is also father-in-law of Mr. Srinivas Bommidala, therefore they are deemed to be related to each other.

None of the other Directors are related to any other Director on the Board.

(d) None of the shares are held by the Directors in the Company, and no convertible instruments were issued by the Company to them.

(e) Familiarisation programs for Board Members:

The new Board members are provided with necessary documents, viz., Company's corporate profile, its Mission, Vision, Values and Beliefs, Organization Structure, the Company's history and milestones, Annual Reports, a brief background on the business of the Company, Institutional Building and highlights of its performance, major policies of the Company, Code of Conduct, fund raising history, business model etc.

Periodic presentations are being made to the Board on business and performance updates of the Company, global business environment, risk management, company policies, subsidiaries information and changes in the regulatory environment applicable to the corporate sector and to the industry in which the Company operates and other relevant issues. The details of such familiarisation programs for Independent Directors are posted on the website of the Company. It can be accessed at https://www.hyderabad.aero/pdf/03-GHIAL-Familiarization-Programme-for-Independent-Directors.pdf

(f) Based on the declarations received from the following Independent Directors and on an evaluation of the relationships disclosed for the financial year ended March 31, 2024, the Board is of the opinion that they fulfill the criteria of independence as specified in Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI LODR Regulations.

i) Mr. A. Subba Rao
ii) Dr. M. Ramachandran
iii) Mr. Madhu Ramachandra Rao
iv) Mrs. Bijal Tushar Ajinkya

(g) None of the independent directors have resigned during the financial year before the expiry of their tenure.

(3) Committees of the Board

The Board has constituted various Committees as required under the provisions of the Act and the SEBI LODR Regulations and the Shareholders Agreement, with specific terms of reference. These Committees include: Audit Committee, Nomination and Remuneration Committee, Corporate Social Responsibility Committee, Stakeholders' Relationship Committee, and Risk Management and Environment, Social and Governance (ESG) Committee. The Company Secretary is the Secretary of all the aforementioned Committees. The Minutes of meetings of all Committees of the Board are circulated to the Board of Directors for its noting.

(a) Audit Committee:

(i) Brief description of terms of reference:

The Board of Directors of the Company adopted the terms of reference of the Audit Committee as provided under the Act and the SEBI LODR Regulations. The primary objective of the Audit Committee is to oversee the Company's financial reporting process and ensure that they are correct, sufficient and credible. The Committee reviews with the management, the annual / quarterly financial statements and auditor's report thereon before submission to the board for its approval. The Committee recommends to the Board, the appointment, remuneration and terms of appointment of auditors of the Company.

The Committee reviews the performance of statutory and internal auditors, internal financial controls and risk management systems, adequacy of the internal control systems, including compliance with laws, Company's Code of Conduct and Whistle Blower Policies. The Committee also reviews and approves the transactions with the related parties. The Senior Management of the Company and the Auditors also attend the Audit Committee meetings as invitees.

(ii) Composition of the Audit Committee and attendance at meetings held during the year:

Five Audit Committee Meetings were held during the financial year ended March 31, 2024. These meetings were held on May 04, 2023, July 27, 2023, October 20, 2023, January 22, 2024 and March 06, 2024.

S. No.	Name of the Committee Member	Category	No. of the Meetings

$ ceased to be a member of the Audit Committee & Director w.e.f. January 04, 2024
@ inducted as a member of the Audit Committee w.e.f. March 13, 2024

Mr. A. Subba Rao, Chairman of the Audit Committee, had attended the last Annual General Meeting held on September 15, 2023 and was available to address the queries of the shareholders.

(b) Nomination and Remuneration Committee

(i) Brief description of terms of reference:

The Board of Directors of the Company adopted the terms of reference of the Nomination and Remuneration Committee (NRC) as provided under the Act and the SEBI LODR Regulations. The role of NRC is to recommend to the Board a policy, relating to the remuneration for the Directors, Key Managerial Personnel (KMP) and other employees, and identify the persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down. The NRC reviews and recommends to the Board the appointment and evaluation of every director's performance. The NRC also reviews and recommends to the Board for its approval, the compensation for the Executive Directors and KMPs.

(ii) Composition of the Committee and the attendance at the meetings held during the year:

During the Financial Year ended March 31, 2024, two (2) NRC Meetings were held on July 27, 2023 and January 22, 2024.

Sr. No.	Name of the Committee Member	Category	No. of the Meetings	
			Which director was entitled to attend	Attended
1	Dr. M. Ramachandran	Independent Director & Chairman	2	2

5	Mr. Antoine Crombez	Non-Executive and Non Independent Director	2	0
6	Mr. C. Prasanna	Non-Executive and Non Independent Director	2	1

Dr. M. Ramachandran, Chairman of the NRC, had attended the last Annual General Meeting held on September 15, 2023 and was available to address the queries of the shareholders.

(iii) Performance evaluation criteria for Directors

The Board and the Nomination and Remuneration Committee reviewed the performance of individual Directors on the basis of criteria such as the contribution of the individual director to the Board and Committee meetings in bringing independent judgement including preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, adherence to the high standards of personal integrity and gives high priority to ethical standards, practices confidentiality, etc.

Performance evaluation of independent directors was done by the entire Board, excluding the concerned independent director being evaluated. The NRC and Board also reviewed the fulfilment of the criteria of independence of such Directors.

(c) Stakeholders' Relationship Committee

(i) Brief description of terms of reference:

The Board of Directors of the Company adopted the terms of reference of the Stakeholders' Relationship Committee **(SRC)** as provided under the Act and the SEBI LODR Regulations. The role of the Committee includes allotment of securities, transfers/transmission/transposition of securities, issue of duplicate certificates of securities, and matters relating to dematerialization and rematerialization of securities, resolving the grievances of the security holders of the Company and to perform all functions relating to the interests of shareholders/ security holders/ investors of the Company.

(ii) Composition of the Committee and the attendance at the Meetings held during the year:

During the Financial Year ended March 31, 2024, the SRC met once on March 06, 2024.

SNo	Name of the Committee Member	Category	No. of the Meetings	
			Which director was entitled to attend	Attended
1	Mr. Madhu Ramachandra Rao	Independent Director (Chairman)	1	1
2	Mr. Dharmendra Bhojwani	Non-Executive and Non-Independent Director	1	1
3	Mr. H. J. Dora	Non-Executive and Non-Independent Director	1	1
4	Mr. C. Prasanna	Non-Executive and Non-Independent Director	1	0

No complaints were outstanding / received from the Members and the Debenture Holders of the Company during the financial year 2023-24.

(d) Risk Management and Environment, Social and Governance (ESG) Committee

(i) Brief description of terms of reference:

The Board of Directors of the Company adopted the terms of reference of the Risk Management and ESG Committee as provided under the Act and the SEBI LODR Regulations. The purpose of the Committee is to recommend to the Board a detailed risk management policy (**"the Policy"**), to monitor and oversee the implementation of the policy, including evaluating the adequacy of risk management systems. The Committee also reviews the policy by considering the changing industry dynamics and evolving complexities. Further, the purpose of the Committee is to oversee the development of and recommend to the Board regarding the Company's ESG policies, strategy, initiatives, priorities and best practices and monitor the implementation of such policies and practices. The representatives of the Strategic Planning Group attend the Risk Management and ESG Committee meetings as invitees.

(ii) Composition of the Committee and the attendance at the Meetings held during the year:

During the financial year ended March 31, 2024, Two (2) meetings of the Risk Management & ESG Committee were held on September 13, 2023 and March 6, 2024.

(9) Other Disclosures:

(a) **Disclosures on materially significant related party transactions that may have potential conflict with the interests of listed entity at large: Nil**

(b) **Details of non-compliance by the listed entity, penalties, strictures imposed on the listed entity by stock exchange(s) or the board or any statutory authority, on any matter related to capital markets, during the last three years;** There has been no instance of non-compliance by the Company on any matter related to capital markets during the last three years and hence, no penalty or stricture was imposed by the Stock Exchanges or SEBI or any statutory authority.

(c) **Whistle Blower Policy/ Vigil Mechanism:**

Your Company has established a vigil mechanism by adopting a Whistle Blower Policy for the Directors, regular employees and other stakeholders of the Company, including advisors, consultants and employees on contract. The Policy also applies to third parties having commercial dealings with the Company, including vendors, service providers, partners, joint venture employees and customers. The Policy has adequate safeguards to ensure that no complainant is victimized for raising a genuine concern under the Policy and has a provision for direct access to the Chairperson of the Audit Committee, in appropriate and exceptional cases. The Whistle Blower Policy is available on the Company's website and the web link for the same is https://www.hyderabad.aero/our-company.aspx#corporate-governance

Any Whistle Blower making a complaint under the Policy may make a disclosure to the Ombudsperson – Mr. H. J. Dora, Director of the Company, through the following modes:

(a) Written or oral complaints through teleconference or by personally meeting the Ombudsperson.
(b) An Ethics Helpline is established with a Toll-Free No. 1800-1020-467 and maintained for reporting the complaints and concerns of employees, suppliers and other stakeholders. This is managed by a Third-Party Agency and confidentiality is maintained in all the complaints and concerns raised. This facility is also extended through fax, mail and post. Anybody can reach through e-mail: gmr@ethicshelpline.in.

The Ombudsperson will ensure that complaints received under the Policy are investigated in a fair manner and that the decisions are reported to appropriate authorities for taking necessary action. The Whistle Blower Policy provides adequate protection to the complainant against any retaliation.

No complaints were outstanding / received under this policy during the financial year 2023-24.

(d) The Company has complied with the mandatory requirements of SEBI LODR Regulations. Further, the Company endeavors to comply with non-mandatory requirement(s).

(e) The Company has framed a Policy for determining "Material" Subsidiaries and the same is placed on the Company's website at the web link https://www.hyderabad.aero/our-company.aspx#corporate-governance

(f) The Company has framed Related Party Transaction Policy, and the same is placed on the Company's website at the web link https://www.hyderabad.aero/our-company.aspx#corporate-governance

(g) During the financial year ended March 31, 2024, the Company did not engage in commodity price risk and commodity hedging activity.

(h) Details of utilization of funds raised through preferential allotment or qualified institutional placement as specified under Regulation 32(7A): Not Applicable

(i) A Certificate from Company Secretary in practice that none of the directors on the board of the Company have been debarred or disqualified from being appointed or continuing as directors of companies by the Board / Ministry of Corporate Affairs or any such statutory authority, is annexed hereinafter.

(j) The Board has accepted all the recommendations of the Board committees which are mandatorily required, in the relevant financial year.

(11) There has been no instance of non-compliance of any requirement of Corporate Governance Report as prescribed under SEBI LODR Regulations.

(12) Adoption of Non-Mandatory Requirements as stipulated in Part E of Schedule II of SEBI LODR Regulations:

(a) The Board: The Company has maintained an office for its Executive Chairman.

(b) Shareholder Rights: Not applicable, as equity shares of the Company are not listed.

(c) Modified opinion(s) in audit report: The Company endeavours to move towards a regime of financial statements with unmodified audit opinion. Please refer to the Auditors Report on annual financial statements for the financial year ended March 31, 2024.

(d) Separate posts of Chairperson and the Managing Director or the Chief Executive Officer such that the Chairperson shall be (a) be a Non-Executive Director and (b) not related to the Managing Director. Not adopted.

(e) Reporting of Internal Auditors

The Internal Auditors of the Company are the permanent invitees to the Audit Committee Meetings. They regularly attend the Meetings for reporting their internal audit findings to the Audit Committee.

(13) The Company has fully complied with the applicable requirements specified in Regulations 17 to 27 and Regulation 62 of the SEBI LODR Regulations.

D. Declaration signed by the Chief Executive Officer of the Company stating that the members of Board and Senior Management Personnel have affirmed compliance with the Code of Conduct of Board of Directors and Senior Management, is annexed hereinafter.

E. Compliance Certificate from M/s. KBG Associates, Practising Company Secretaries regarding compliance of conditions of corporate governance, is annexed hereinafter.

COMPLIANCE CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of
GMR Hyderabad International Airport Limited
(CIN: U62100TG2002PLC040118)
GMR Aero Towers
Rajiv Gandhi International Airport
Shamshabad, Hyderabad, Telangana, India – 500 108

We have examined all the relevant records of M/s. GMR Hyderabad International Airport Limited for the purpose of certifying the compliance of the conditions of the Corporate Governance as stipulated under Regulations 17 to 27, Regulation 62 and Para C, D & E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and as applicable to the Company on a comply or explain basis until 31st March 2024 and the necessary explanation in the quarterly compliance report on Corporate Governance submitted to the Stock Exchange under Regulation 27 (2) (a) of the SEBI Listing Regulations.

We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of certification.

The compliance of conditions of corporate governance is the responsibility of the Management. Our examination was limited to the review of procedures and implementation process, adopted by the Company for ensuring compliance with conditions of the corporate governance.

This certificate is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

In our opinion and to the best of our information and according to the explanations given to us and information furnished to us, we certify that the Company has complied with all the mandatory requirements of Corporate Governance as stipulated in the SEBI Listing Regulations, for the year ended 31st March 2024.

Independent Auditor's Report on the Audit of Special Purpose Financial Statements for the year ended 31 March 2024

To the Board of Directors of GMR Hyderabad International Airport Limited

Qualified Opinion

1. We have audited the accompanying Special Purpose Financial Statements of GMR Hyderabad International Airport Limited ('the Company'), which comprise the Special Purpose Balance Sheet as at 31 March 2024, the Special Purpose Statement of Profit and Loss and the Special Purpose Cash Flow Statement for the year then ended, and notes to the Special Purpose Financial Statements, including a summary of the significant accounting policies and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the Basis for Qualified Opinion section of the report, the aforesaid Special Purpose Financial Statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view, in conformity with the Accounting Standards specified under section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2024, and its profit and its cash flows for the year ended on that date.

Basis for Qualified Opinion

3. As detailed in Note 55 to the accompanying Special Purpose Financial Statements, the management of the Company had assessed and written-off the upfront fee receivable from Yes Bank Limited amounting to INR 63 Crores during the year ended 31 March 2023 and has classified the expenses under "Other expenses" instead of disclosing separately as "Prior period expense" in accordance with AS 5,'Net Profit or Loss for the period, Prior period items and changes in Accounting Policies'.

   Our audit report on the accompanying Special Purpose Financial Statements for the year ended 31 March 2023 was qualified since the management of the Company had not disclosed the expense as 'prior period expense' in accordance with AS 5, 'Net Profit or Loss for the period, Prior period items and changes in Accounting Policies'.

   Our opinion on the accompanying special purpose financial statements for the year ended 31 March 2024 is also qualified on account of the possible effects of aforesaid matter on the comparability of the disclosures relating to current year figures and corresponding figures.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI'), and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter – Litigation Utilization of funds from Passenger Service Fee (Security Component) Fund ("PSF(SC) Fund")

5. We draw attention to Note 51(II)(e) to the accompanying Special Purpose Financial Statements, which describes the uncertainty relating to outcome of litigation pertaining to the costs related to procurement of security equipment, construction of residential quarters for Central Industrial Security Force deployed at the Rajiv Gandhi International Airport, Hyderabad and other costs which have been adjusted from the PSF(SC) Fund up to 31 March 2018, pending final decision from the Hon'ble High Court of Telangana. Our opinion is not modified in respect of this matter.

Emphasis of Matter - Basis of Preparation

6. We draw attention to Note 2 to the accompanying Special Purpose Financial Statements, which describes that these Special Purpose Financial Statements have been prepared in accordance with the Accounting Standards specified under section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, which is different from the Ind AS specified under Companies (Indian Accounting Standard Rules), 2015, being the applicable financial reporting framework for the Company, for the purpose described in paragraph 15 below. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Special Purpose Financial Statements

7. The accompanying Special Purpose Financial Statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible with respect to the preparation and presentation of these Special Purpose Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards specified under section 133 of the Act, read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records including design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

8. In preparing the Special Purpose Financial Statements, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

9. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Special Purpose Financial Statements

10. Our objectives are to obtain reasonable assurance about whether the Special Purpose Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Financial Statements.

Walker Chandiok & Co LLP

Kasturba Road, Bengaluru 560001
Karnataka, India

11. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

    - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

    - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place adequate internal financial controls with reference to financial statements and the operating effectiveness of such controls;

    - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

    - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;

    - Evaluate the overall presentation, structure and content of the Special Purpose Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

14. The Company has also prepared a separate set of Standalone Financial Statements for the year ended 31 March 2024 in accordance with the accounting principles generally accepted in India including Ind AS specified under section 133 of the Act, on which we have expressed a modified opinion vide our audit report dated 20 May 2024. Our opinion is not modified in respect of this matter.

15. The accompanying Special Purpose Financial Statements have been prepared by the Company's management solely for the purpose of submission to the Ministry of Civil Aviation ('MoCA'), Airports Economic Regulatory Authority ('AERA') and for internal use by the Management. This audit report is issued solely for the aforesaid mentioned purpose and accordingly should not be used, referred to or distributed for any purpose or to any other party without our prior written consent. Further we do not accept or assume any liability or any duty of care for any other purpose for which or to any other person to whom this audit report is shown or into whose hand it may come without our prior consent in writing.

1. Corporate information

GMR Hyderabad International Airport Limited ("GHIAL" or "the Company"), is a company limited by shares, was incorporated in the year 2002 under the provisions of erstwhile Companies Act, 1956. The registered office of the Company is situated at GMR Aero Towers, Rajiv Gandhi International Airport, Shamshabad, Hyderabad 500 108. The Company is primarily engaged in the business of providing airport management services on a Build, Owned, Operate and Transfer only model. Presently, the Company is managing operations of Rajiv Gandhi International Airport ("RGIA") at Hyderabad, India and the Bidar Airport in Karnataka, India. The Company is a majority owned subsidiary of GMR Airports Limited ('GAL') a subsidiary of GMR Airports Infrastructure Limited ('GIL').

The Company had entered into a long term Concession Agreement with the Ministry of Civil Aviation ("MoCA"), Government of India, pursuant to which the Company was awarded exclusive rights for Development, Construction, Operation and Maintenance of the RGIA on a revenue share model. The arrangement is valid for a period of 60 years, including an optional extension of 30 years, which was duly exercised by the Company.

These standalone financial statements for the year ended 31 March 2024 are approved by the Company's Board of Directors in their meeting held on May 20, 2024.

2. Basis of preparation

The standalone financial statements of the Company have been prepared in accordance with accounting principles generally accepted in India, Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirement of Division II of Schedule III to the Act, including the amendments to Schedule III notified by the Ministry of Corporate Affairs ("MCA") vide its notification dated 24 March 2021.

The standalone financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instruments) and Net defined benefit (asset) / liability which have been measured at fair value.

The Standalone Financial Statements have been prepared for the Company as a going concern on the basis of relevant Ind AS that are effective at the Company's annual reporting date, March 31, 2024.

Accounting policies have been consistently applied, except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The standalone financial statements are presented in Indian Rupees ("Rs.") and all the values are rounded to the nearest crore up to two decimal places, except for share data and when otherwise indicated.

3. Material accounting policy information

a) Use of estimates

The preparation of these standalone financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of these standalone financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgments and the use of assumptions in these financials statements have been disclosed in note 59. Accounting estimates could change from year to year and actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in these standalone financial statements in the year in which changes are made and, if material, their effects are disclosed in the notes to these standalone financial statements.

b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when:

a) Expected to be realised or intended to be sold or consumed in normal operating cycle
b) Held primarily for the purpose of trading
c) Expected to be realised within twelve months after the reporting period, or
d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

The Company classifies all other assets as non-current.

A liability is current when:
a) It is expected to be settled in normal operating cycle
b) It is held primarily for the purpose of trading
c) It is due to be settled within twelve months after the reporting period, or
d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

c) Property, plant and equipment and capital work in progress

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment loss, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Capital work in progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date net of accumulated impairment loss, if any. Property, plant and equipment under installation or under construction as at balance sheet are shown as capital work-in-progress and the related advances are shown as capital advances.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. Further, when each major inspection is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment if the recognition criteria are satisfied. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

The Company identifies and determines cost of each component / part of the asset separately, if the component / part has a cost which is significant to the total cost of the asset having useful life that is materially different from that of the remaining asset.

Spares parts that can only be used in connection with a particular item of property, plant and equipment, and whose use is expected to be irregular, are capitalized. Such spare parts are depreciated over a period, not exceeding the remaining useful life of the principal asset.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognized.

d) Depreciation on property, plant and equipment

Depreciation on property, plant and equipment is calculated on a straight line basis using the rates arrived at, based on useful lives estimated by the management, which coincides with the lives prescribed by Airport Economic Regulatory Authority ("AERA") in case of airport assets and as prescribed under Schedule II of the Companies Act, 2013 in case of other assets, except as stated below. The following useful lives of property, plant and equipment is adopted by the Company:

(All amounts in Rupees crores, except per share data and when otherwise stated)

Particulars	**(Useful life in years)**
Improvements to leasehold land	30
Buildings on leasehold land *	10-30
Building interim terminal #	7
Other buildings	30-60
Runways and taxiways	30
Roads – other than RCC **	10
Recarpeting of runways	5
Electrical installations **	10-15
Plant and machinery	15
Office equipment	5
Computer equipment and IT systems	3-6
Furniture and fixtures	3-7
Vehicles	8-10

*The useful lives of modifications to buildings on leasehold land are estimated as 10 years.

**The useful lives of internal roads – other than RCC and certain electrical installations (transformers) are estimated as 10 years and 15 years respectively. These lives are longer than those indicated in schedule II.

#During the previous years, the Company has commissioned two interim terminals namely Interim International Departure Terminal (IIDT) and Interim Domestic Arrival Terminal (IDAT) to accommodate the growing traffic, until the expanded terminal becomes operational. Further, the area where these interim terminals are created, will eventually be used for expansion and boarding gates, therefore these interim terminals will need to be demolished after seven years. Based on the same, the management has considered the life of seven years period for these terminal buildings and related assets i.e. electrical installations and certain plant and machineries viz. Fire systems, HVAC systems. Accordingly, IIDT, IDAT building, electrical installations, Fire systems, HVAC systems are depreciated over a period of seven years.

e) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset‘s recoverable amount is the higher of an asset's or cash generating units' (CGUs) net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

The Company bases its impairment calculation on detailed budgets and forecast calculations, which are prepared separately for each of the Company's CGUs to which the individual assets are allocated. These budgets and forecast calculations generally cover a period of five years. For longer periods, a long-term growth rate is calculated and applied to project future cash flows after the fifth year. To estimate cash flow projections beyond periods covered by the most recent budgets/forecasts, the Company extrapolates cash flow projections in the budget using a steady or declining growth rate for subsequent years, unless an increasing rate can be justified.

Impairment losses of continuing operations are recognised in the statement of profit and loss. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

For assets an assessment is made at each reporting date to determine whether there is an indication that previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or CGU's recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised for the asset in prior years. Such reversal is recognised in the statement of profit or loss.

f) Borrowing cost

Borrowing costs net of income on surplus investments directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed on effective interest rate ("EIR") basis in the period in which they occur.

Borrowing costs consist of interest, call spread premium and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

g) Revenue recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured on the basis of transaction price, after deduction of any discounts and any taxes or duties collected on behalf of the Government such as goods and services tax, etc.

Revenue from contract with customer

Revenue from contracts with customers is recognised when performance obligation in relation to transfer of services is satisfied at an amount that reflects the transaction price, after deduction of any discounts and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. The Company has generally concluded that it is the principal in its revenue arrangements, because it typically controls the services before transferring them to the customer.

Significant financing component

Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised service to the customer and when the customer pays for that service will be one year or less.

The Company also receives long-term advances from customers for rendering services. The transaction price for such contracts are discounted, using the rate that would be reflected in a separate financing transaction between the Company and its customers at contract inception, to take into consideration the significant financing component.

Contract balances

Contract assets

A contract asset is the right to consideration in exchange for services transferred to the customer (which consist of unbilled revenue). If the Company performs by transferring services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in financial instruments – initial recognition and subsequent measurement.

Contract liabilities
A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

Income from services
Revenue from airport operations i.e. Aeronautical and Non-Aeronautical operations are recognised on accrual basis, net of Goods and Service Tax (GST), and applicable discounts when services are rendered.

Land & Space- rentals pertains to granting right to use land and space primarily for catering to the need of passengers, air traffic services and air transport services. Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms.
Revenue from commercial property development rights granted to concessionaires is recognized on accrual basis, as per the terms of the agreement entered into with the customers.

Interest income
Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable except the interest income received from customers for delayed payments which is accounted on the basis of reasonable certainty / realisation.

For all financial instruments measured at amortised cost, interest income is recorded using the EIR. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortised cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

Interest for delayed payments from customers is accounted only when it is unconditionally accepted by the customers.

h) Financial instruments
A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

I) Financial assets

Initial recognition and measurement
All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

The classification of financial assets at initial recognition depends on the financial asset’s contractual cash flow characteristics and the Company’s business model for managing them. With the exception of trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient, the Company initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115. Refer to the accounting policies in section (j) Revenue from contracts with customers.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are ‘solely payments of principal and interest (SPPI)’ on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Company’s business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three broad categories:

a) Financial assets at amortised cost
b) Financial assets at fair value through profit or loss (FVTPL)
c) Financial assets at fair value through other comprehensive income (FVTOCI)

Financial assets at amortised cost: A 'Financial asset' is measured at the amortised cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and

b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included in other income in the profit or loss. The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Financial assets at FVOCI: A financial asset is measured at the FVTOCI if both of the following criteria are met:

a) The asset is held within the business model, whose objective is achieved both by collecting contractual cash flows and selling the financial assets, and

b) The contractual terms of the financial asset give rise on specified dates to cash flows that are SPPI on the principal amount outstanding.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to P&L, even on sale of investment. However, the company may transfer the cumulative gain or loss within equity.

Financial assets at FVTPL: FVTPL is a residual category for financial assets. Any Financial asset, which does not meet the criteria for categorization as at amortized cost or as at Fair Value through OCI (FVTOCI), is classified as at FVTPL.

In addition, the Company may elect to designate a Financial asset's which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch'). Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the Profit and Loss.

Derecognition of financial assets

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired or

- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets
In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

Financial assets measured at amortised cost e.g., deposits, trade receivables and bank balance.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables or contract revenue receivables.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL. Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, an entity is required to consider:

- All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument
- Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Investments in subsidiaries, associates and joint ventures
Investments in subsidiaries, associates and joint ventures are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiaries and joint venture, the difference between net disposal proceeds and the carrying amounts are recognised in the statement of profit and loss.

II) Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate. All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including and derivative financial instruments.

Subsequent measurement

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to standalone statement of profit and loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the statement of profit or loss. The Company has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the standalone statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in respective carrying amounts is recognised in standalone statement of profit and loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

i) Derivative financial instruments and hedge accounting

Initial recognition and subsequent measurement

The Company uses derivative financial instruments, such as cross currency swaps, coupon only swaps and call option spreads, to hedge its foreign currency risks and interest rate risks.

Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss.

For the purpose of hedge accounting, hedges are classified as:

a) Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability or an unrecognised firm commitment;

b) Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognised firm commitment;

c) Hedges of a net investment in a foreign operation.

At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge. The documentation includes the Company's risk management objective and strategy for undertaking hedge, the hedging / economic relationship, the hedged item or transaction, the nature of the risk being hedged, hedge ratio and how the entity will assess the effectiveness of changes in the hedging instrument's fair value in offsetting the exposure to changes in the hedged item's fair value or cash flows attributable to the hedged risk. Such hedges are expected to be highly effective in achieving offsetting changes in fair value or cash flows and are assessed on an ongoing basis to determine that they actually have been highly effective throughout the financial reporting periods for which they were designated.

Cash flow hedges that meet the strict criteria for hedge accounting are accounted for as described below:
The effective portion of the gain or loss on the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion is recognised immediately in the statement of profit and loss.

Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognised or when a forecast sale occurs.

If the hedging instrument expires or is sold, terminated or exercised without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met.

Presentation of derivative contracts in the financial statement
Derivative assets and liabilities recognized on the balance sheet are presented as current and non-current based on the classification of the underlying hedged item.

j) Fair value measurement
The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.
Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

a) In the principal market for the asset or liability, or

b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in these standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the standalone financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Company determines the policies and procedures for recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value. External valuers are involved for valuation of significant assets or liabilities such as derivative instruments.

At each reporting date, the Company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above. This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes as mentioned below:
a) Disclosures for valuation methods, significant estimates and assumptions
b) Quantitative disclosures of fair value measurement hierarchy
c) Financial instruments (including those carried at amortized cost)

k) Provisions, contingent assets, contingent liabilities and commitments

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liability is disclosed in the case of:

- A present obligation arising from past events, when it is not probable that an outflow of resources will not be required to settle the obligation
- A present obligation arising from past events, when it cannot be measured reliably.
- A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting date.

Provisions for onerous contracts are recognized when the expected benefits to be delivered by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract. Before a provision is established the Company recognizes any impairment loss on the assets associated with that contract.

Contingent assets usually arise from unplanned or other unexpected events that give rise to the possibility of an inflow of economic benefits to the entity. Contingent assets are recognized when the realization of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate. Contingent assets are reviewed at each reporting date. A contingent asset is disclosed where an inflow of economic benefits is probable.

l) Retirement and other Employee Benefits

All employee benefits payable/available within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, wages and bonus etc., are recognised in the statement of profit and loss in the period in which the employee renders the related service.

Accumulated leave balances, which is expected to be utilized within the next twelve months, is treated as short- term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. However, the Company presents the entire provision towards accumulated leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.

Retirement benefit in the form of provident fund, superannuation fund and employee state insurance is a defined contribution schemes and the contributions are charged to the statement of profit and loss of the year when the contributions to the respective funds are due. The Company has no obligation, other than the contribution payable to the respective funds.

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined based on actuarial valuation using projected unit credit method. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Company recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

i) Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
ii) Net interest expense or income

m) Leases

The Company assesses a contract at inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee:

The Company applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Company recognizes lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets: The Company recognizes right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received.

The right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

Lease liabilities: At the commencement date of the lease, the Company recognizes lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments included in the measurement of the lease liability include fixed payments (including in substance fixed payments), variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Company and payments of penalties for terminating the lease, if the lease term reflects the Company exercising the option to terminate.

Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss.

In case of a short-term lease contract and lease contracts for which the underlying asset is of low value in accordance with Ind AS 116, lease payments are charged to statement of profit and loss on accrual basis.

Company as a lessor:
Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfers from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

n) Taxes
Tax expense comprises current tax and deferred tax.

Current income tax
Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961.

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current income tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Current tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax
Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.
Deferred tax liabilities are recognised for all taxable temporary differences, except:

(a) When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss;

(b) In respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except:

1. When the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

2. In respect of deductible temporary differences associated with investments in subsidiary, associates and interests in joint ventures, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternate Tax ('MAT') paid in a year is charged to the statement of profit and loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset, the said asset is created by way of credit to the statement of profit and loss and shown as 'MAT credit entitlement'. The Company reviews the 'MAT credit entitlement' asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

Taxes, cess, duties such as sales tax/ value added tax/ service tax/GST etc. paid on acquisition of assets or on incurring expenses

Expenses and assets are recognised net of the amount of taxes paid, except:

- When the tax incurred on a purchase of assets, goods or services is not recoverable from the taxation authority, in which case, the tax paid is recognised as part of the cost of acquisition of the asset or as part of the expense item, as applicable.
- When receivables and payables are stated with the amount of tax included

The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

o) Foreign currency

Functional and presentation currency

The financial statements are presented in Indian Rupee ('INR' or '₹' or 'Rs.') which is also the functional and presentation currency of the Company.

Transactions and balances

Foreign currency transactions are recorded in the functional currency, by applying to the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are converted to functional currency using the closing rate. Non-monetary items denominated in a foreign currency which are carried at historical cost are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or any other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences arising on monetary items on settlement, or restatement as at reporting date, at rates different from those at which they were initially recorded, are recognized in the statement of profit and loss in the year in which they arise.

p) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

q) Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

r) Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

s) Standards and recent pronouncements issued but not effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

	422.69	**485.40**

The Taxation Laws (Amendment) Ordinance, 2019 was issued by the Ministry of Finance, Government of India on 20 September 2019. Pursuant to the said Ordinance, the Company is entitled to avail revised tax rates from the financial year commencing 1 April 2019. However, on the basis of a detailed analysis of the provisions of the Ordinance, management has concluded that the Company shall avail revised tax rates after utilization of various tax credits that the Company is currently entitled for. Accordingly, these standalone financial statements for the year ended March 31, 2024 do not include any adjustments on account of changes in the corporate tax rates.

47 Retirement and other employee benefits

a) Defined contribution plan:

Contribution to provident and other funds under employee benefits expense are as under:

	March 31, 2024	**March 31, 2023**
Contribution to provident fund	6.06	5.21
Contribution to ESI and Labour welfare fund	0.09	0.05
Contribution to superannuation fund	2.16	2.04
	8.31	**7.30**

47 Retirement and other employee benefits(Continued)

b) Defined benefit plan:

Gratuity liability is a defined benefit obligation which is funded through policy taken from Life Insurance Corporation of India and liability (net of fair value of investment in LIC) is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days' salary (based on last drawn basic salary) for each completed year of service subject to a maximum limit of Rs. 0.20 crores (March 31, 2023: 0.20 crores).

The following tables summarize the components of net benefit expense recognized in the statement of profit or loss/OCI and amounts recognized in the balance sheet for defined benefit plans/obligations:

Net employee benefit expense:

	March 31, 2024	March 31, 2023
Current service cost	1.19	1.17
Interest cost on net Defined Benefit Obligation (DBO)	0.32	0.38
Net benefit expense	**1.51**	**1.55**

Amount recognized in other comprehensive income:

	March 31, 2024	March 31, 2023
Actuarial loss due to DBO experience	0.85	1.07
Actuarial gain due to DBO assumption changes	0.31	(0.18)
Return on plan assets (greater)/less than discount rate	-	(0.17)
Actuarial losses recognized in OCI	**1.16**	**0.72**

Amounts recognised in the Balance sheet are as follows:

	March 31, 2024	March 31, 2023
Fair value of plan assets	12.04	6.35
Defined benefit obligation	(15.74)	(13.43)
Plan liability	**(3.70)**	**(7.08)**

Changes in the present value of the defined benefit obligation are as follows:

	March 31, 2024	March 31, 2023
Opening defined benefit obligation	13.43	12.07
Interest cost	0.94	0.80
Current service cost	1.19	1.17
Benefits paid	(1.43)	(1.57)
Actuarial losses on obligation	0.85	1.08
Acquisition cost/ (credit) by the Company	0.45	0.06
Actuarial gain on financial assumption	0.31	(0.18)
Closing defined benefit obligation	**15.74**	**13.43**

Changes in the fair value of plan assets are as follows:

	March 31, 2024	March 31, 2023
Opening fair value of plan assets	6.35	6.20
Expected return on plan assets	-	0.42
Contributions by employer	6.50	1.13
Return on plan assets greater/(lesser) than discount rate	-	0.17
Interest income on plan assets	0.62	-
Benefits paid	(1.43)	(1.57)
Closing fair value of plan assets	**12.04**	**6.35**

The major category of plan assets as a percentage of the fair value of total plan assets is as follows:

	March 31, 2024	March 31, 2023
Investments with insurer*	100%	100%

* In the absence of detailed information regarding plan assets which is funded with Insurance Company, the composition of each major category of plan assets, the percentage or amount for each category to the fair value of plan assets has not been disclosed.

The principal assumptions used in determining gratuity obligation for the Company's plans are shown below:

	March 31, 2024	March 31, 2023
Discount rate	7.00%	7.30%
Rate of compensation increase	6.00%	6.00%
Employee turnover	5.00%	5.00%

A quantitative sensitivity analysis for significant assumption is shown below:

	March 31, 2024	March 31, 2023
Discount rate		
Effect due to 1% increase in discount rate	(1.00)	(0.85)
Effect due to 1% decrease in discount rate	1.13	0.97
Attrition rate		
Effect due to 1% increase in attrition rate	(0.10)	(0.10)
Effect due to 1% decrease in attrition rate	0.11	0.11

47 Retirement and other employee benefits(Continued)	March 31, 2024	March 31, 2023
Salary escalation rate		
Effect due to 1% increase in salary increase rate	0.89	0.78
Effect due to 1% decrease in salary increase rate	(0.83)	(0.73)

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The following payments are expected benefits payment to the defined benefit plan in the future years

	March 31, 2024	March 31, 2023
within one year	2.23	1.60
between one to two years	1.65	1.76
between two to three years	1.44	1.61
between three to five years	2.73	3.21
between five to ten years	6.26	8.28

The average duration of the defined benefit plan obligation at the end of the reporting period is 10 years (31 March 2023: 10 years).
The Company expects to contribute to Rs. 6.5 Crore to gratuity fund during the year ended on March 31, 2024 (March 31, 2023: Rs. 1.13 Crore)

48 Reimbursement of expenses claimed by the Company from the concessionaries and other vendors based on the contractual arrangements have been reduced from the respective expense head as mentioned in the table below:

	March 31, 2024	March 31, 2023
Expense head		
Electricity and water charges	89.72	79.41
Salaries, wages and bonus	10.21	6.73
Staff welfare expenses	3.44	5.64
Miscellaneous expenses	4.98	2.69
Rent	0.83	0.84
Travelling and conveyance	2.23	2.13
Repairs and maintenance	8.61	7.00
	120.02	**104.44**

49 Segment reporting

Operating segments are reported in such a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ('CODM'). As per the evaluation carried out by CODM, the Company has only one reportable business segment, which is operation of airport and providing allied services and operates in a single geougraphical segment in India.

Major Customers: Revenue from one customer of the Company is approximately Rs. 570.30 crore out of revenue from operations of the Company for the year ended March 31, 2024 (March 31, 2023: Rs. 340.58 crore).

50 During the financial year ended 2019, the Company had entered into a term loan facility arrangement with Yes Bank Limited ("YBL" or "Bank"), to avail term loan of Rs. 4,200 crore and had incurred an up-front processing fee of Rs. 63 crore. However, in view of certain developments, the Bank expressed its inability to extend the loan, and accordingly on April 21, 2020, the arrangement was terminated. Further YBL vide their letter dated June 9, 2020 acknowledged the receipt of request from the Company for refund of the aforesaid up-front fees and to present the Company's request to the appropriate committees for approvals. Further, management had obtained legal opinion from an independent lawyer regarding the Company's right to receive the refund of upfront fee and accordingly had considered the amount recoverable in full for all reporting periods as of December 31, 2022.

However, owing to the delay in obtaining requisite approvals by the Bank for refund of upfront processing fee, the management had assessed and written-off the carrying value of upfront processing fee receivable during the quarter and year ended March 31, 2023.

53 Leases

(a) **Company as a lessee**

The Company has taken land, office, vehicles and other spaces on operating lease having a term ranging from 5 years to 60 years. The land lease has an escalation of 5% per annum from the 8th anniversary of the Commercial Operations Date (i.e., March 23, 2008) and is co-terminus with the concession period. The office and other space leases have an escalation of upto 5% per annum and are renewable at the end of the lease period with mutual consent. The vehicle leases are for a tenure of 5 years.

Following are the changes in the carrying value of right of use assets:

	Category of ROU asset			Total
	Land	Building	Vehicles	
Balance as at April 1, 2022	63.30	9.45	-	72.75
Additions during the year	-	-	1.30	1.30
Depreciation	(1.37)	(1.28)	(0.16)	(2.81)
Balance as at March 31, 2023	**61.93**	**8.17**	**1.14**	**71.24**
Additions during the year	-	26.83	-	26.83
Disposals during the year	-	(3.01)	-	(3.01)
Depreciation	(1.37)	(3.72)	(0.32)	(5.41)
Balance as at March 31, 2024	**60.56**	**28.27**	**0.82**	**89.65**

The following is the break-up of current and non-current lease liabilities:

	March 31, 2024	March 31, 2023
Current lease liabilities	4.02	1.07
Non-current lease liabilities	115.81	95.09
	119.83	**96.16**

The following is the movement in lease liabilities during the year:

	March 31, 2024	March 31, 2023
Balance as at the beginning of the year	96.16	92.08
Additions during the year	26.83	1.30
Deletions during the year	(3.03)	-
Finance cost accrued during the year	10.35	10.06
Payment of lease liabilities	(10.48)	(7.28)
Balance at the end of the year	**119.83**	**96.16**

Following amount has been recognized in statement of profit and loss:

	March 31, 2024	March 31, 2023
Depreciation on right to use asset	5.41	2.81
Interest on lease liability	10.35	10.06
Expenses related to short term lease (included under other expenses)	2.89	6.62
Total amount recognized in the statement of profit and loss	**18.65**	**19.49**

The table below summarises the maturity profile of the Company's lease liabilities based on contractual undiscounted payments:

	March 31, 2024	March 31, 2023
Within one year	11.81	6.92
After one year but not more than two years	12.14	7.25
After two years but not more than three years	12.68	7.52
After three years but not more than four years	12.74	7.76
After four years but not more than five years	8.94	8.00
More than five years	712.18	709.98

(b) **Company as a lessor**

The Company has sub-leased land to various parties under operating leases having a term of 1 to 30 years. The leases have varying terms, escalation clauses and renewal rights. On renewal, the terms of the leases are renegotiable.

Future minimum rentals receivable under non-cancellable operating leases are as follows:

	March 31, 2024	March 31, 2023
Within one year	55.68	54.80
After one year but not more than five years	200.47	141.41
More than five years	302.32	123.32

(All amounts in Rupees crores, except when otherwise stated)

54 Fair values

The carrying amount of all financial assets and liabilities (except for certain other financial assets and liabilities, i.e. "Instruments carried at fair value") appearing in these financial statements are reasonable approximation of fair values.

		Carrying value		Fair value	
		March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
	Financial assets				
I.	**At fair value through Profit or loss**				
	Investments in mutual funds	227.60	372.41	227.60	372.41
	Investments in others	16.00	-	34.96	-
II.	**At fair value through Other comprehensive income**				
	Cash flow hedges (refer note V(a))				
	Cross currency swap	565.28	571.97	565.28	571.97
	Coupon only swap	9.22	10.99	9.22	10.99
	Call spread option	300.22	230.52	300.22	230.52
III.	**At amortized cost**				
	Investments in commercial paper	479.16	565.08	479.16	565.08
	Investments in Certificate of Deposits	446.28	-	446.28	-
	Loans	201.28	200.15	201.28	200.15
	Trade receivables	71.98	79.95	71.98	79.95
	Cash and cash equivalents	567.81	120.14	567.81	120.14
	Bank balances other than cash and cash equivalents	177.91	649.33	177.91	649.33
	Other financial assets	157.27	131.63	157.27	131.63
		3,220.01	**2,932.17**	**3,238.97**	**2,932.17**
	Financial liabilities				
IV.	**At amortized cost**				
	Borrowings	8,654.88	8,230.18	8,397.17	7,799.20
	Other financial liabilities	942.27	964.76	942.03	964.51
	Lease liabilities	119.83	96.16	119.83	96.16
	Trade payables	228.29	178.51	228.29	178.51
		9,945.27	**9,469.61**	**9,687.32**	**9,038.38**

V. Assumption used in estimating the fair values:

(a) The Company has entered into derivative financial instruments with various counterparties, principally financial institutions with investment grade credit ratings. Derivatives are valued using valuation techniques, which employs the use of market observable inputs. The most frequently applied valuation techniques include forward pricing and swap models, using present value calculations. The models incorporate various inputs including the credit quality of counterparties, foreign exchange spot and forward rates, yield curves of the respective currencies, currency basis spreads between the respective currencies, interest rate curves and forward rate curves of the underlying commodity. As at March 31, 2024, the marked-to-market value of derivative asset positions is net of a credit valuation adjustment attributable to derivative counterparty default risk.

(b) The fair values of quoted mutual funds are based on price quotations at the reporting date.

(c) The fair value of borrowings is based on the traded price of the bond and the prevailing exchange rate.

(d) Management has assessed that cash and cash equivalent, trade receivables, trade payables, other bank balances, investments in commercial papers and other current liabilities balances approximate their carrying amounts largely due to the short-term maturities of these instruments, hence the carrying value is considered to the same as its fair value.

55 Fair Value Hierarchy

	Fair value measurement using		
	Market prices in active markets	Significant observable inputs	Significant unobservable inputs
	(Level 1)	(Level 2)	(Level 3)
Assets/ (liabilities) measured at fair value as at March 31, 2024			
Investment in mutual funds	227.60	-	-
Investments in others	-	34.96	-
Derivatives designed as Cash flow hedge	-	874.72	-
Borrowings	-	8,397.17	-
Other financial liabilities	-	123.60	-
Assets/ (liabilities) measured at fair value as at March 31, 2023			
Investment in mutual funds	372.41	-	-
Derivatives designed as Cash flow hedge	-	813.48	-
Borrowings	-	7,799.20	-
Other financial liabilities	-	153.47	-

There have been no transfers between Level 1, Level 2 and Level 3 during the current and previous year.

(All amounts in Rupees crores, except when otherwise stated)

56 Financial risk management objectives and policies

The Company’s principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables and financial guarantee contracts. The main purpose of these financial liabilities is to finance the Company’s operations and to provide guarantees to support its operations. The Company’s principal financial assets include loans, trade and other receivables and cash and cash equivalents are derived from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company’s senior management oversees the management of these risks. The Company’s financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company’s policies and risk objectives. All derivative activities for risk management purposes are carried out by senior management team that have the appropriate skills, experience and supervision. It is the Company’s policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of interest rate risk and currency risk. Financial instruments affected by market risk include loans and borrowings, investments, deposits and derivative financial instruments.

The sensitivity analysis in the following sections relate to the position as at March 31, 2024 and March 31, 2023.

The sensitivity analysis for borrowings have been not prepared as the amount of debt is fully hedged at the fixed currency exchange rate, therefore there is no impact on account of foreign exchange fluctuation. The analysis also excludes the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations and provisions.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to interest rate risk on its long-term debt obligations in the form of Senior Secured Notes ("SSN") are hedged through cross currency swaps, call option spread and coupon only swap and the same has been designated as cash flow hedge. Further, for the interesr rate risk on the Company's long-term debt obligations on the NCDs issued during the year, the interest rate is fixed for a period of five years from the issue.

The exposure of the Company's short-term borrowings to interest rate changes as at the end of the reporting period for actual outstanding balances is not significant and therefore, any change in interest rate will not materially impact the reported profit for the year.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company’s exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings as enumurated above. However, the Company has hedged its borrowings through cross currency swaps, call option spread and coupon only swap and designated the same as cash flow hedge.

Cash flow hedges

Foreign exchange derivative instruments measured at fair value through OCI are designated as hedging instruments in cash flow hedges to hedge the USD INR conversion rate volatility with reference to the cash outflows on settlement of its borrowings and related interest payments designated in USD. The fair value of derivative instruments varies with the changes in foreign exchange rates.

	March 31, 2024		March 31, 2023	
	Assets	**Liabilities**	**Assets**	**Liabilities**
Fair value of foreign currency forward contracts designated as hedging instruments				
Cross currency swap	565.28	-	571.97	-
Coupon only swap	9.22	-	10.99	-
Call spread option	300.22	-	230.52	-

Foreign currency sensitivity

The Company's exposure to unhedged foreign currency risk at the end of the reporting period expressed in foreign currency is as follows:

	March 31, 2024		March 31, 2023	
Foreign Currency	**Foreign Currency**	**Rs. (in Crore)**	**Foreign Currency**	**Rs. (in Crore)**
EUR	(442,100)	(3.92)	(880,971)	(7.88)
CAD	(3,700)	(0.02)	(7,130)	(0.04)
GBP	-	-	(480)	(0.00)
AED	(115,500)	(0.26)	(115,500)	(0.26)
USD	(677,632)	(5.65)	(1,430,560)	(11.75)

Foreign currency sensitivity

The following table demonstrate the sensitivity to a reasonably possible change in USD and EUR exchange rates, with all other variables held constant. The impact on the Company's profit before tax is as under.

Foreign Currency	Nature of transaction	Change in Rate	March 31, 2024	March 31, 2023
EUR	Change in fair valuation of financial liabilities	5%	0.20	0.39
USD		5%	0.28	0.59

The Company's exposure to foreign currency changes for all other currencies is not material.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

Customer credit risk is managed by the Company subject to the Company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any services to major customers are generally covered by bank guarantee or other forms of credit assurance.

Financial instruments (security deposits) and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the Company's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counter party. Counterparty credit limits are reviewed by the Company's senior management on regular basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. Exposure to credit risk also includes bank guarantees provided to subsidiary companies.

The Company's maximum exposure to credit risk for the components of the balance sheet at March 31, 2024 and March 31, 2023 is the carrying amounts of trade receivables and financial guarantees provided to subsidiary companies as noted in liquidity risk below.

Liquidity risk

The Company monitors its risk of a shortage of funds using a rolling cash flow forecasts. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of working capital facilities, long-term loans and finance leases. The Company's policy is to ensure that the repayments of borrowings are in sync with the cash flows generated from the operations. Approximately, 7.81% of the Company's debt will mature in less than one year at March 31, 2024 (March 31, 2023: 2.57%) based on the outstanding amount of borrowings reflected in these standalone financial statements. The Company assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. The Company has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders, if required.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

	On Demand	Up to 1 year	1 to 5 years	> 5 years	Total
Year ended March 31, 2024					
Borrowings	-	676.94	5,753.25	2,281.28	8,711.47
Lease liabilities	-	11.81	46.50	712.18	770.49
Trade payables	-	228.29	-	-	228.29
Other financial liabilities	-	818.43	111.68	12.16	942.27
Guarantees	761.12	-	-	-	761.12
Total	**761.12**	**1,735.47**	**5,911.43**	**3,005.62**	**11,413.64**
Year ended March 31, 2023					
Borrowings	-	213.01	6,093.71	1,990.00	8,296.72
Lease liabilities	-	6.92	30.53	709.98	747.43
Trade payables	-	178.51	-	-	178.51
Other financial liabilities	-	811.04	149.20	5.78	966.02
Guarantees	714.88	-	-	-	714.88
Total	**714.88**	**1,209.48**	**6,273.44**	**2,705.76**	**10,903.56**

57 Capital management

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants.

	March 31, 2024	March 31, 2023
Borrowings (A)	**8,654.88**	**8,230.18**
Share Capital	378.00	378.00
Other equity	1,683.65	1,425.07
Total equity (B)	**2,061.65**	**1,803.07**
Total equity and total debt (C=A+B)	**10,716.53**	**10,033.25**
Gearing ratio (A/C)	**81%**	**82%**

In order to achieve this overall objective, the Company's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any loans and borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

58 Commitments and Contingencies

I Contingent liabilities not provided for:

	March 31, 2024	March 31, 2023
In respect of income tax matters [refer (a) below]	25.73	24.65
In respect of service tax matters [refer (b) below]	32.46	35.66
Claim against the Company not acknowledged as debt [refer (d), (e) and (f) below]	7.85	7.85
In respect of other matters [refer (c) below]	25.20	25.20

(a) Pursuant to the income tax assessment for the years mentioned below, the Company had received various demands from the income tax authorities in relation to the inadmissibility of certain expenditure in accordance with the provisions of the income tax law. The management, on the basis of its internal assessment of the facts of the case, the underlying nature of transactions, the history of judgements made by the various appellate authorities, including favourable judgements received by the Company from lower appellate authorities and the necessary advice received from the independent expert engaged in this regard, is of the view that the probability of the case being settled against the Company is remote and accordingly do not foresee any adjustment to these Financial Statements in this regard. The details of the relevant financial year which is subject to the dispute and the amount of demand is as follows:

Disputed tax amount

	March 31, 2024	March 31, 2023
Pending with the Hon'ble Supreme Court of India		
A.Y.2013-14 [Disallowed under 115JB]	3.26	3.26
Pending with the Hon'ble High Court

A.Y 2010-11 to A.Y 2013-14	23.15	23.15
A.Y 2014-15 to A.Y 2016-17	67.54	67.54
A.Y 2017-18 to A.Y 2018-19	50.51	50.51
A.Y 2016-17 **	0.80	0.80
A.Y 2020-21	12.08	-
A.Y 2021-22	2.50	7.15
A.Y 2022-23	0.48	0.48

** Orders u/s 147 passed in case of AY 2015-16 & 2016-17 disallowing capital expenditure of Rs. 15.11 crore thereby reducing depreciation claim by Rs. 0.80 crore. Demand of Rs. 34.70 crore (including interest of Rs. 16.06 crore) is wrongly raised as against refund of Rs. 0.46 crore. The Company had filed an application for rectification of demand and appeal with Commissioner of Income Tax (Appeals).

Note: Tax liability on aforementioned disputed disallowance of expenses is currently not ascertainable.

(b) **Disputed service tax matters**

	March 31, 2024	March 31, 2023
Irregular availment of the cenvat credit, pending with Hon'ble High Court of Telangana*	24.84	24.84
Penalty equivalent to service tax levy on delay in payment of service tax on the user development fee, pending with Hon'ble Supreme Court	7.43	7.43
Appeal filed with Commissioner of Central Tax (Appeals), for demand order received towards non-payment of service tax on corporate guarantee.	-	0.19
Appealed filed with CESTAT against the order in Appeal passed by Commissioner of Central Tax (Appeals), confirming the demand.	0.19	-
Irregular availment of cenvat credit and non-payment of service tax on recovery of electricity and water charges from its concessionaires, pending with CESTAT Hyderabad*	-	3.20

*including penalty amount.

(c) The Company had received a notice from the office of the Joint Commissioner of Labour for payment of Building and other construction workers' Welfare Cess @ 1% of the cost of construction of Airport Metropolitan amounting to Rs. 25.20 crore (March 31, 2023: Rs. 25.20 crore). The Company had received the stay order from Hon'ble High Court of Telangana against the said order in the earlier years.

(d) The Company had received notice dated January 19, 2013, from Hyderabad Metropolitan Water Supply & Sewerage Board for disconnection of water connection for non-payment of sewerage cess arrears. The Company had received the stay order against the said order in the earlier years. The sewerage cess outstanding including interest as at March 31, 2024 amounts to Rs. 5.80 crore (March 31, 2023: Rs. 5.80 crore).

(e) **Utilization of funds from Passenger Service Fee (Security Component) Fund ("PSF(SC) Fund"):**

(i) The Ministry of Civil Aviation (MoCA) had issued orders in 2014, requiring the Airport Operators to reverse the expenditure incurred from Passenger Service Fee (Security component) (PSF (SC)) Fund towards (a) procurement and maintenance of security systems/equipment; (b) construction of other long lived assets (refer note (ii) below) along with interest till date of reversal. The Company had utilised approximately Rs.142.00 crore towards the aforesaid expenses till March 31, 2018, excluding related maintenance expense, other costs and interest thereon which is presently unascertainable. The Comptroller & Auditor General, during their audits of PSF (SC) Fund, observed that the funds utilized by the Company is contrary to the directions issued by MoCA. Management is of the opinion that the utilisation of funds from PSF(SC) fund is consistent with the Standard Operating Procedures, guidelines and clarification issued by the MoCA from time to time on the subject of utilization of PSF (SC) funds.

As the above order, in management's opinion, is contrary to and inconsistent with SOPs, guidelines and clarification issued by the MoCA from time to time in this regard, the Company had challenged the said order vide a writ petition before the Hon'ble High Court of Andhra Pradesh. The Hon'ble High Court, vide its order dated March 3, 2014 followed by further clarifications dated April 28, 2014 and December 24, 2014, stayed the MoCA order with an undertaking that, in the event the decision of the writ petition goes against the Company, it shall restore the PSF (SC) Fund to this extent. The matter is currently sub judice with the Hon'ble High Court of Telangana.

Based on the internal legal assessment, Management of the Company is of the view that no further adjustments are required to be made to the accompanying Financial Statements, in this regard.

(ii) As per the advice from the Ministry of Home Affairs and the SOP's issued by the MoCA on March 06, 2002, the Company, through its erstwhile wholly owned subsidiary, Hyderabad Airport Security Services Limited (HASSL, liquidated on September 20, 2019) constructed the residential quarters for Central Industrial Security Force (CISF) deployed at the airport. After completion of such construction, the total construction cost including the cost of land and related finance cost amounting to Rs. 113.73 crore till March 31, 2018, was debited to the PSF (SC) Fund with corresponding intimation to the MoCA. The Comptroller & Auditor General, during their audits of PSF (SC) Fund, observed that, the Company had not obtained prior approval from the MoCA for incurring such cost from the PSF (SC) Fund as required by the guidelines dated January 8, 2010 and April 16, 2010 issued by the MoCA. However, Management of the Company is of the opinion that these guidelines were issued subsequent to the construction of the said residential quarters and approached the MoCA for approval of such debit notes to the PSF (SC) Fund account. Pending final outcome of the matter from the Hon'ble High Court of Telangana, residential quarters continue to be accounted under the PSF (SC) Fund and no adjustments have been made to the accompanying Financial Statements.

(f) Fuel surcharge adjustments (FSA) for the period from April 2008 to March 2010 amounting to Rs. 2.05 crore (March 31, 2023: Rs. 2.05 crore).

(g) There are numerous interpretative issues relating to the Supreme Court (SC) judgement on PF dated February 28, 2019. As a matter of caution, Company has amended the pay structure and made the consequent payment of provident fund on a prospective basis form the date of the SC order.

Based on the internal assessment and legal opinion, the Management is confident that, for the aforesaid mentioned contingent liabilities under paragraph (a) to (g) above, no further provision is required to be made as at March 31, 2024.

II Guarantees other than financial guarantees

Bank guarantee given

(a) sanctioned	69.62	46.50
(b) outstanding	69.62	46.50

III Commitments

a) *Capital commitments:*

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) amounting to Rs. 360.08 crore (March 31, 2023: Rs. 573.28 crore).

b) *Other commitments :*

i) As per the terms of Concession Agreement, the Company is required to pay concession fees to MoCA @ 4% on its gross revenue (as defined in the Concession Agreement) of the Company for a term of 60 years commencing from March 23, 2008.

ii) The Company has committed to provide financial support as necessary, to enable its wholly owned subsidiary company, GMR Air Cargo and Aerospace Engineering Limited to meet its operational requirements as they arise and to meet its liabilities as and when they fall due.

iii) The Company had entered into "Cross Currency Swap" with various banks in order to hedge principal portion and to protect interest component of 4.25% senior secured notes (2027 SSN) of USD 350 million which is repayable in October 2027, with interest payable on semi-annually basis. Further the Company had also entered into "Call Spread (CS)" arrangements in order to hedge principal portion of 5.375% senior secured notes (2024 SSN) for USD 73.61 million and 4.75% senior secured notes (2026 SSN) for USD 287.32 million which are repayable in April 2024 and February 2026 respectively and "Coupon Only Swap" (COS) to hedge the payment of interest liability on semi-annually basis on 2024 SSN for USD 73.61 million and 2026 SSN for USD 287.32 million.

59 Significant accounting judgments, estimates and assumptions

The preparation of these standalone financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Judgements

In the process of applying the Company's accounting policies, management has made the following judgments, which has the effect on the amounts recognised in these standalone financial statements:

Discounting rate

The Company has considered incremental borrowing rate of Airport sector as at transition date for measuring deposits, being financial assets and financial liabilities, at amortised cost till March 31, 2018. From period starting from April 01, 2018, management has considered revised incremental borrowing rate of airport sector for all the deposits given/received post March 31, 2018; and impact has been duly accounted in these standalone financial statements.

Non applicability of Service Concession Agreement (SCA)

The Company had entered into Concession agreement with the Ministry of Civil Aviation ("MoCA"), which gives the Company an exclusive right of development, design, financing, construction, commissioning, maintenance, operation and management of the Hyderabad Airport on a revenue sharing model for an initial term of 30 years, which can be extended by another 30 years at the option of the Company. Under the agreement, the MoCA has granted exclusive right and authority to perform some of the functions of the AAI being the functions of operation, maintenance, development, design, construction, up gradation, modernization, finance and management of the Airport and to perform services and activities at the airport constituting 'Airport activities' (regulated services) and 'Non-Airport Activities' (non-regulated services). Airport Activities are regulated while there is no control over determination of prices for Non-Airport activities. Charges for Non-Airport activities are determined at the sole discretion of the Company.

Appendix D to Ind AS 115 contains provisions to cover arrangements between public and private enterprises- referred to as service concession arrangement ("SCA"). An entity is required to evaluate applicability of SCA for its arrangement under public to private partnership based on SCA guidance. The applicability of service concession depends whether the grantors control or regulates what services the operator must provide with the infrastructure, to whom it must provide them, and at what price; and also control the residual interest in the infrastructure.

The Company's management conducted detailed analysis to determine applicability of Appendix D of Ind AS 115. The concession arrangement has significant non-regulated revenues, which are apparently not ancillary in nature, as these are important from the Company, MoCA and users/passengers perspective. Further, the regulated and non-regulated services are substantially interdependent and cannot be offered in isolation. Airport premises is being used both for providing regulated services and for providing non-regulated services. Based on the Company's proportion of regulated and non-regulated activities, the directors have determined that over the concession period, the unregulated business activities drives the economics of the arrangement and contributes substantially to the profits of the Company and hence concluded that SCA does not apply in its entirety to the Company.

Concession fee:

As per the Concession Agreement (CA), the Company is required to pay concession fee to MoCA @ 4% on its gross revenue. As per Article 3.3.2 of CA, "Gross Revenue" is defined to include all pre-tax revenue of GHIAL with certain specified exclusions.

Management of the Company is of the view that certain income / credits arising on adoption of Ind-AS, mark to market gain on valuation of derivative instruments and gain on restatement of long-term borrowings was not in contemplation of parties in December 2004 when this Concession Agreement was signed / entered. Further, these income/credits in statement of profit and loss along with interest income on investment of part proceeds from borrowings earmarked for airport expansion project and adjusted from the value of capital work-in-progress, do not represent actual receipts from business operations, from any external sources and therefore, these incomes/ credits should not be treated as "Revenue" for calculation of concession fee payable. Accordingly, the Company, basis above and Legal Opinion obtained in this regard, has provided the concession fee payable to MoCA after adjusting such incomes/credits.

59 Significant accounting judgments, estimates and assumptions (continued)

b) Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when these standalone financial statements were prepared, existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Defined benefit plans

The cost of the defined benefit plan and other post-employment benefits and its present value obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Impairment of financial asset

The impairment provisions for financial assets are based on the assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounting cash flow (DCF) model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Company is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

Taxes

Deferred tax assets on unused tax losses and minimum alternate tax credit entitlement are recognised to the extent that it is probable that taxable profit will be available against which these amounts can be utilised. Significant management estimate is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

60 Determination of aeronautical tariff

GHIAL had filed an appeal, challenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground handling, cargo and fuel farm ("CGF") as aeronautical revenues and other issues for determination of aeronautical tariff for the First Control Period ("FCP") commencing from April 01, 2011 to March 31, 2016 by Airport Economic Regulatory Authority ('AERA').

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from April 01, 2016 to March 31, 2021, AERA had issued a consultation paper on November 19, 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true up for shortfall of receipt vis-a-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'ble High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP. The Adjudicating Authority, Telecom Disputes Settlement Appellate Tribunal (TDSAT), in its disposal order dated March 04, 2020 has directed AERA to reconsider the issues afresh while determining the aeronautical tariff for the Third Control Period commencing ("TCP") from April 01, 2021.

During the month of August 2021, AERA has issued Tariff Order ("the Order") effective from October 01, 2021 for the TCP commencing from April 01, 2021 to March 31, 2026. GHIAL in the month of September 2021, has filed an appeal against the Order with TDSAT, as the management is of the view that AERA has not considered the outstanding issues of FCP and SCP in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated March 04, 2020, while continuing to charge the aeronautical tariff as determined by AERA.

During the current year, TDSAT has pronounced the Judgement and has adjudicated various issues raised by GHIAL including directing AERA to true up the pre-control period losses, to treat CGF as non-aeronautical revenue etc., in favour of GHIAL. However, TDSAT ruled in favor of AERA on certain other issues. GHIAL has filed caveat petition with the Hon'ble Supreme Court to avoid any ex-parte orders in case AERA files an appeal against the TDSAT order. Meanwhile, the management is evaluating TDSAT's decision and planning the next legal steps regarding the issues not resolved in its favour, all while adhering to the aeronautical tariff set by AERA for the TCP.

61 The Company has recognized, deferred tax asset comprising of Minimum Alternate Tax (MAT) credit entitlement and unabsorbed business losses aggregating to Rs. 634.59 crores (March 31, 2023: Rs. 546.36 crores) as at March 31, 2024. The Company based on the future taxable income expects to adjust these amounts against the projected taxable profits. The ultimate realisation of the deferred tax asset is dependent upon the generation of future taxable income projected by considering the applicable tariff order for the Third Control Period and the anticipated tariff orders for the subsequent control periods, estimated revenues and expenses of the business, scheduled reversals of deferred tax liabilities and tax planning strategy. As the recoverability of deferred tax assets is based on estimates of future taxable income including projected aeronautical tariff revenue which involved determination of applicable tariff orders by AERA and being a subject matter of litigations as detailed in note 60, any changes in such future taxable income could impact its recoverability. However, basis the sensitivity analysis performed, management believes that any reasonable possible change in the key assumptions would not effect the Company's ability to recover the deferred tax asset within the specified period as per the provisions of Income Tax Act, 1961.

62 As detailed in note 59(a), to these standalone financial statements, certain incomes/credits recognised on adoption of Ind-AS are not considered for computation of concession fee payable to MoCA basis a legal opinion obtained. Accordingly, the following sources of income have not been considered for accrual of the concession fee:

	Income forming part of	March 31, 2024	March 31, 2023
Discounting on fair valuation of deposit received from concessionaries	Revenue from operations	9.43	5.40
Income recognised on advance from customers under Ind AS 115	Revenue from operations	0.64	0.64
Impact on account of straight lining of lease rentals	Revenue from operations	10.39	4.53
Income arising from fair valuation of financial guarantee	Other income	2.67	1.82
Discounting on fair valuation of deposit paid to vendors	Other income	0.14	0.10
Income from government grant	Other income	5.28	5.27
Amortisation of deferred income	Other income	0.53	0.22

63 The disclosure on nature of revenue from contracts as required under Ind AS 115 is part of note 25. Further, the additional disclosure on trade receivable and contract assets, contract liabilities are as below:

Contract balances	**March 31, 2024**	**March 31, 2023**
Trade receivables *	71.98	79.95
Contract assets**	71.59	53.88
Contract liabilities***	27.34	21.10

* Trade receivables carry a credit period ranging between 15-30 days. Further, trade receivables beyond the credit period as per the contracts with the customers, are interest bearing. In March 31, 2024: Rs. 0.18 crore (March 31, 2023: Rs. 0.18 crore) was recognized as provision for expected credit losses on trade receivables.

** Contract asset includes unbilled revenue. Amount of revenue recognised from amounts included in the contract assets at the beginning of the year is Rs. 53.88 crores. Total contract assets outstanding as on 31 March 2024 will be recognised in next 12 months.

*** Contract liabilities includes advance received from customers. Amount of revenue recognised from amounts included in the contract liabilities at the beginning of the year Rs. 6.64 crores (31 March 2023: Rs. 1.63 crores). Total contract liabilities outstanding as on 31 March 2024 will be recognised in next 12 months.

Details of movement in provision for trade receivable is as below:

Particulars	**March 31, 2024**	**March 31, 2023**
Opening balance	0.18	0.31
Add: Provision reversed during the year	-	(0.13)
Less: Bad debts written off	-	-
Closing balance	**0.18**	**0.18**

64 The Hon'ble Orissa High Court vide Judgement in W.P. No.20463/2018, in the case of Safari Retreats Private Limited, observed that the GST provisions under Section 17(5)(c) and 17(5)(d) w.r.t input tax credit eligibility are not in line with the objective of the GST Act to allow seamless credit where such input services are used to provide taxable output services and accordingly, it was held that if an assessee is required to discharge GST on the rental income, it is eligible to avail the Input Tax Credit (ITC) of GST paid on the goods or services or both by a taxable person for construction of an immovable property when they are used in the course or furtherance of business. The Company is engaged in the operation of Airport, it renders taxable Output Services in the nature of landing and parking charges, hanger services, charges for use of terminal facilities, refuelling facilities, licensing of space for various aeronautical and non-aeronautical charges being its output supplies which are subject to output GST. Hence, the company in view of the favourable judgment of Orissa High Court in the case of Safari Retreats Private Limited has availed the Input Tax Credit accumulated in respect of the Input goods and Services supplied for the construction of Airport facilities as part of the ongoing expansion project and regular operations. Further, department has filed Special leave to appeal before Hon'ble Supreme Court of India against the judgement of Hon'ble Orissa High Court, where leave has been allowed without stay of operation of the judgment. Thus relying upon the favourable ruling of Orissa High Court which is a binding law and enforceable across all jurisdictions, the management decided to avail the Input Tax Credit in the GST Returns and books for the respective periods. However, the credit availed was not utilized by the Company owing to pending outcome of the judgement of Hon'ble Supreme Court of India. Further, the Company has filed a writ petition (10367/2020) with Hon'ble High Court of Telangana requesting to strike down the relevant provisions of GST which denies ITC in respect of works contract services or goods and services received for construction of immoveable property (other than plant & machinery). The Hon'ble High Court had passed interim order directing the Respondents to not take any coercive action against the petitioner.

Considering that, the final decision from the Hon'ble Supreme Court of India, may take longer time, the management has taken a considered view for recognition of the project expenditure in terms of the prudent accounting principles and prevailing circumstances and also in view of the fact that various developmental activities under the ongoing expansion project are under completion and currently being recognised as CWIP, the said expenditure including the value of Input Tax Credit pertaining to the Civil Works has been capitalised during the year ended March 31, 2023. However, the management reserves its right to claim ITC in case of favourable decision from the Supreme Court on the above issue. Accordingly, GST ITC on civil works amounting to Rs. 512.67 crores accumulated till March 31, 2023 has been reversed from GST recoverable account and capitalized against the respective property, plant and equipment and capital work in progress to the tune of Rs. 316.57 Crores and Rs. 196.10 Crores respectively in the books of accounts of the Company.

65 The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company is using SAP ERP accounting software for maintaining its books of account and Comvision used for processing parking revenues, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software, except that the audit trail logs for direct changes in data at database level for accounting software, SAP ERP, is retained only for 7 days and has not been enabled for Comvision application. The retention of edit logs for more than 7 days for SAP ERP will require huge data space and accordingly, the Company has implemented additional control, wherein alerts generated through these logs are monitored at the Security operation Centre. Audit trail (edit log) for Comvision is enabled at the application level, users have access to perform transactions only from the application level and continues to be restricted to limited set of users who necessarily require this access for maintenance and administration of the database. Further Comvision has inbuilt data consistency checks to detect any tampering of tables and mismatches in accounting entry.

GMR Hyderabad International Airport Limited
CIN:U62100TG2002PLC040118
Summary of material accounting policies and other explanatory information
(All amounts in Rupees crores, except when otherwise stated)

66 During the current year, the Company has sold 100% stake in it's subsidiary, GMR Hyderabad Airport Assets Limited involved in the business of development and renting of commercial property. The gain on sale has been recognised as an exceptional item in the accompanying Financial Statements.

67 The Company has presented profit/ (loss) before finance costs, taxes, depreciation, amortisation expense and exceptional items as EBIDTA.

68 On March 28, 2024 , the Company has issued listed, rated, secured, redeemable non-convertible debentures ("NCD") amounting to ₹540 crore to the eligible Qualified Institutional Buyers. Further the company has received premium of ₹0.02 crore. The proceeds from the NCD's have been fully utilized for redemption of existing Senior Secured Notes (SSN) 2024 aggregating to $73.61 million, including accrued interest on April 10, 2024.

This is the summary of significant accounting policies and other explanatory information referred to in our report of even date.

Independent Auditor's Report

To the Members of GMR Hyderabad International Airport Limited

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

1. We have audited the accompanying consolidated financial statements of GMR Hyderabad international Airport Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), its joint ventures, as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2024, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and notes to the consolidated financial statements, including a material accounting policy information and other explanatory information.

2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and joint ventures except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India of the consolidated state of affairs of the Group and its joint ventures, as at 31 March 2024, and their consolidated profit (including other comprehensive income), consolidated cash flows and the consolidated changes in equity for the year ended on that date.

Basis for Qualified Opinion

3. As detailed in Note 71 to the accompanying consolidated financial statements, the management of the Company had assessed and written-off the upfront fee receivable from Yes Bank Limited amounting to INR 63 crores during the year ended 31 March 2023. Our audit report on the consolidated financial statements for the year ended 31 March 2023 was qualified since the management of the Company had not restated the comparative financial information included in such consolidated financial statements, in accordance with the requirements of Ind AS 8.

   Our audit report on the accompanying consolidated financial statements for the year ended 31 March 2024 is also qualified on account of the possible effects of aforesaid matter on the comparability of current year figures with the corresponding figures.

4. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained together with the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph 17 of the Other Matters section below, is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matter – Utilization of funds from Passenger Service Fee (Security Component) Fund ("PSF(SC) Fund')

5. We draw attention to Note 58(I)(e) to the accompanying consolidated financial statements, which describes the uncertainty relating to outcome of litigation pertaining to the costs related to procurement of security equipment, construction of residential quarters for Central Industrial Security Force deployed at the Rajiv Gandhi International Airport, Hyderabad and other costs which have been adjusted from the PSF(SC) Fund upto 31 March 2018, pending final decision from the Hon'ble High Court of Telangana. Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries and joint ventures, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

7. In addition to the matters described in the Basis for Qualified Opinion, we have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matter	How our audit addressed the key audit matter
1. **Utilisation of deferred tax asset comprising of minimum alternate tax (MAT) credit and unabsorbed business losses** *Refer to Note 3(u) for the material accounting policy and note 32 and 61 for the financial disclosures in the accompanying consolidated financial statements.* The Holding Company was under tax holiday period until financial year 2021-22 and had accumulated MAT credit asset of ₹521.11 crores (31 March 2023: ₹446.28 crores) and has also recognized deferred tax on unabsorbed business loss of ₹113.48 crores (31 March 2023: ₹100.08 crores) to the extent it is probable that the future taxable profits will be available against which such unused tax losses can be utilized (before the expiry period thereof for its utilization). Under Ind AS 12 'Income taxes', the carrying amount of deferred tax assets is required to be reviewed at the end of each reporting period. Recognition of deferred tax asset is based on projected future profits which involves significant judgements regarding the likelihood of its realization within the specified period through estimation of future taxable profits of the Company and consequently there is a risk	Our audit procedures in relation to assessment of recognition of deferred tax asset comprising of MAT credit and unabsorbed business losses and its utilization as at reporting date, included, but were not limited to the following: • Obtained and evaluated material accounting policy information with respect to recognition of tax credits in accordance with Ind AS 12. • Evaluated the design and tested the operating effectiveness of the Company's key controls implemented with respect to recognition of the deferred tax asset; • Understood the process and tested the internal controls over preparation of the taxable profit forecast based on reasonable and supportable assumptions and inputs to the model used to estimate the future taxable profits; • Understood and tested the controls surrounding management's evaluation of litigations and contingent liabilities; • Challenged the judgements exercised by the management and tested the key assumptions used based on our knowledge of the industry,

that the deferred tax asset comprising of minimum MAT credit and unabsorbed business losses may not be realized within the specified period, if these future projections are not met. In order to assess the utilization of MAT Credit and recoverability of recognized deferred tax assets on unabsorbed business loss, the Company has prepared revenue and profit projections which involved judgements and estimations such as estimating aeronautical tariff [which is determined by Airport Economic Regulatory Authority ("AERA")], revenue growth, passenger growth, profit margins, tax adjustments under the Income-tax Act, 1961 ('IT Act). Further, as explained in note 60, during the current year, Telecom Disputes Settlement Appellate Tribunal ('TDSAT") has passed an order in respect of an appeal, challenging various aspects of the aeronautical tariff order passed by AERA in respect of third control period from 1 April 2021 to 31 March 2026. Considering the materiality of the amounts involved, involvement of management's estimation and judgement in determining reasonable certainty of sufficient future taxable income and thereby utilization of MAT credit and deferred tax asset on unabsorbed losses, this matter has been identified as a key audit matter for current year audit.	publicly available information and Company's strategic plans; • Compared the prior year expected tax profits with the actual results to determine the efficacy of the management's budgeting process; • Tested the reasonableness of the forecasted tax liability computation as per the provisions of the IT Act, including assessment of the eligibility of various tax exemptions availed and MAT liability computation as per Section 115JB of the IT Act; • Obtained and evaluated sensitivity analysis performed by the management on aforesaid key assumptions and performed further independent sensitivity analysis to determine impact of estimation uncertainty on the future taxable profits; • Obtained and reviewed the documents with respect to the litigations with AERA and the related order issued by Telecom Dispute Settlement and Appellate Tribunal (TDSAT); and • Assessed the appropriateness and adequacy of the related disclosures in the consolidated financial statements in accordance with the applicable accounting standards.

Key audit matter	**How our audit addressed the key audit matter**
2. Valuation of derivative financial instruments *Refer to Note 3(o) for the material accounting policy information and note 54 for the financial disclosures in the accompanying consolidated financial statements.* The Holding Company has entered into derivative financial instruments, i.e. cross currency swap, coupon only swap and call spread options to hedge its foreign currency risks relation to the non-current borrowings amounting to ₹5,894.77 crores issued in foreign currency. Management has designated these derivative financial instruments and the aforesaid borrowings at initial recognition as cash flow	Our audit procedures to test the valuation of derivative financial instruments included, but were not limited to the following: • Obtained and evaluated material accounting policy information with respect to valuation of derivative financial instruments and assessed these hedge accounting methodologies applied by the Company for compliance with the requirements under Ind AS 109, Financial Instruments; • Evaluated the design and tested the operating effectiveness of the Company's key controls implemented with respect to valuation of derivative financial instruments and the related hedge accounting;

hedge relationship as per Ind AS 109, Financial Instruments. The valuation of hedging instrument is complex and necessitates a sophisticated system to record and track each contract and calculate the related valuations at each financial reporting date. Since valuation of hedging instruments and consideration of hedge effectiveness involves both significant assumptions and judgements such as forward exchange spot, forward rates, currency yield curves, interest rate curves and forward rate curves and involvement of management's valuation specialist, and therefore, is subject to an inherent risk of error. Considering this matter involved significant management estimates and judgements and auditor attention was required to test such estimates and judgements, we have identified this as a key audit matter for current year audit.	• Reviewed the management documentation for the designated hedge instrument which defines the nature of hedge relationship; • Evaluated the management's valuation specialist's professional competence, expertise and objectivity; • Tested the accuracy of input data provided by the management to the external valuation specialist and assessed the reasonability of the assumptions used, while valuing the hedging instruments; • Involved auditor's experts for testing the fair values of derivative financial instruments and compared the results to management's results; and • Assessed the appropriateness and adequacy of the related disclosures in the consolidated financial statements in accordance with the applicable accounting standards.

Key audit matter	**How our audit addressed the key audit matter**
3. Capitalization for airport expansion *Refer to Note 3(e) and 3(k) for the material accounting policy information and notes 4 and 34 for the financial disclosures in the accompanying consolidated financial statements.* The Holding Company is in the process of expansion of Rajiv Gandhi International Airport, Hyderabad. During the year, the Holding Company has incurred significant capital expenditure amounting to ₹1,052.69 crores towards expansion. Determining whether expenditure meets the capitalization criteria in line with Ind AS 16, Property, Plant and Equipment (Ind AS 16) and the Company's accounting policy, specifically with regard to whether they are operational or capital in nature, involves significant management judgement. Further, the tariff determination by AERA for different control periods with respect to the aeronautical services is linked to the Regulated Asset Base, which is based on the fixed asset	Our audit procedures to assess appropriateness of capitalisation of such expenditure included, but were not limited to the following: • Assessed the design and tested the operating effectiveness of key controls surrounding the capitalization of costs. • Obtained and evaluated the material accounting policy with respect to capitalisation, including application of the aforesaid policy, to assess consistency with the requirements as set out in Ind AS 16. • Compared the additions with the budgets and the orders given to the vendors. Further, performed test of details on a sample of items capitalised during the year for their nature and purpose against underlying supporting documents to ascertain nature of costs and whether they meet the recognition criteria provided in Ind AS 16. • Evaluated the assumptions and methodology used by the management for allocating the employee costs, borrowing

balance and considering these additions are significant to the asset base of the Holding Company, we have determined inappropriate capitalization as a significant risk as part of our audit strategy inline with the requirements of Standards on Auditing. Such aforementioned capital expenditure has been funded from the specific borrowings raised for such purpose. Accordingly, the borrowing cost incurred on such borrowings have been included as a capital expenditure in accordance with the accounting principles as laid down under Ind AS 23, Borrowing Costs(Ind AS 23). Considering the significance of capital expenditure incurred during the year and above factors, capitalization of expenditure incurred on property, plant and equipment for airport expansion has been identified as a key audit matter for the current year audit.	costs and other overheads incurred, relating and attributable to the aforementioned capital expenditure. • In relation to borrowing costs, obtained supporting calculations, verified the inputs to the calculation and ensured that the borrowing cost capitalized is as per Ind AS 23. • Assessed the appropriateness and adequacy of the related disclosures in the consolidated financial statements in accordance with the applicable accounting standards.

Key audit matter	How our audit addressed the key audit matter
4. Revenue from maintenance, repair and overhaul (MRO) services *Refer to Note 3(t) for the material accounting policy information and notes 25 for the financial disclosures in the accompanying consolidated financial statements.* The auditors of GMR Air Cargo and Aerospace Engineering Limited ('GACAEL'), a wholly owned subsidiary of the Holding Company has reported as follows: The subsidiary is primarily in the business of providing Aerospace Engineering and Cargo Services to the Airlines. With respect to Aerospace Engineering services, the subsidiary is having two models for the purpose of recognition of revenue for services rendered, which are time and material contracts and fixed price contracts. For the year ended March 31, 2024, revenue from such services amounted to ₹385.10 crores. The existing ERP system has limitation of capturing the manhours spent and effective use of materials issued rate for each aircraft in billing due to which billing is computed manually	The auditor's of GACAEL, have reported as follows: In response to the key matter, the following principal audit procedures performed: Our procedures included: • We ensured that revenue recognition method applied was appropriate based on the terms of the agreement with the customer. • We obtained an understanding of the processes and tested relevant controls, which impact the revenue recognition. **For time and material-based contracts:** i. We obtained appropriate evidence based on the circumstances to conclude whether the hours charged on projects were appropriate; ii. We obtained appropriate evidence based on the circumstances to conclude whether the rate charged per man hours on projects were appropriate; and iii. We verified the revenue based on the hours charged on the projects and approved rate per hour.

may have an impact on accuracy and completeness of the revenue recognised for the year.	**For fixed price contracts:** We selected a sample of contracts with customers and performed the following procedures. i. We verified the total revenue with customer contracts agreements including amendments as appropriate; ii. We assessed the reliability of management's estimates by comparing actual results of delivered projects to previous estimates; iii. We evaluated management's estimates and assumptions in recognition of the revenue; iv. We verified the revenue based on the stage of completion of the projects; and v. We obtained appropriate evidence based on the circumstances to conclude whether the proportion of completion of projects was appropriate. Based on the procedures performed we consider the amount of revenue recognised to be fairly stated in the consolidated financial statements.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

8. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

9. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group and its joint ventures in accordance with the Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

10. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for assessing the ability of the Group and of its joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

11. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group and of its joint ventures.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

12. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

13. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Holding Company has adequate internal

financial controls with reference to financial statements in place and the operating effectiveness of such controls;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;

- Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern;

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and

- Obtain sufficient appropriate audit evidence regarding the financial statements of the entities or business activities within the Group, and its joint ventures, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors. For the other entities included in the financial statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

14. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

15. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

16. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

17. We did not jointly audit the financial statements of 5 subsidiaries, whose financial information reflects total assets of ₹1,858.17 crores as at 31 March 2024, total revenues of ₹1,032.10 crores and net cash inflows amounting to ₹17.28 crores for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by K.S. Rao & Co., ('KSR') one of the joint auditors of the Holding Company, whose reports have been furnished to us by the management and Walker Chandiok & Co LLP's ('WCC') opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of aforesaid subsidiaries, is based solely on the audit reports issued by KSR in its individual capacity.

The consolidated financial statements also include the Group's share of net profit (including other comprehensive income) of ₹4.21 crores for the year ended 31 March 2024, as considered in the consolidated financial statements, in respect of one (1) joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors, whose reports have been furnished to us by the management, and our opinion in so far as it relates to the aforesaid joint venture is based solely on the audit report of such other auditors.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors.

18. We did not audit the financial information of a subsidiary, whose financial information reflects total assets of ₹Nil as at 31 March 2024, total revenues of ₹3.35 crores and net cash outflows amounting to ₹0.06 crores for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss (including other comprehensive loss) of ₹(8.81) crores for the year ended 31 March 2024, as considered in the consolidated financial statements, in respect of one (1) joint venture, whose financial information has not been audited by us. These financial statements are unaudited and have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid subsidiary and joint venture, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the management, these financial information are not material to the Group.

Our opinion above on the consolidated financial statements, and our report on other legal and regulatory requirements below, are not modified in respect of the above matter with respect to our reliance on the financial information certified by the management.

Report on Other Legal and Regulatory Requirements

19. As required by section 197(16) of the Act based on our audit and on the consideration of the reports of the other auditors, referred to in paragraph 17, on separate financial statements of the subsidiaries and joint ventures, we report that the Holding Company and 1 subsidiary incorporated in India whose financial statements have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act. Further, we report that 4 subsidiaries incorporated in India whose financial statements have been audited under the Act have not paid or provided for any managerial remuneration during the year. Accordingly, reporting under section 197(16) of the Act is not applicable in respect of such subsidiaries. Further, we report that the provisions of section 197 read with Schedule V to the Act are not applicable to a joint venture company incorporated in India whose financial statements have been audited under the Act, since the joint venture company is not a public company as defined under section 2(71) of the Act.

20. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued by us and by the respective other auditors as mentioned in paragraph 17 above, of companies included in the consolidated financial statements and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies.

21. As required by section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements and other financial information of the subsidiaries and joint ventures incorporated in India whose financial statements have been audited under the Act, we report, to the extent applicable, that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;

b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors, except for the matters stated in paragraph 21(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

c) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;

d) Except for the possible effects of the matter described in the Basis for Qualified Opinion section, in our opinion, the aforesaid consolidated financial statements comply with Ind AS specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015;

e) On the basis of the written representations received from the directors of the Holding Company, and taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiaries and joint ventures, covered under the Act, none of the directors of the Group companies and joint venture companies, are disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;

f) The modification relating to the maintenance of accounts and other matters connected therewith, with respect to the consolidated financial statements are as stated in paragraph 21(b) above on reporting under section 143(3)(b) of the Act and paragraph 21(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);

g) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiaries and joint ventures covered under the Act, and the operating effectiveness of such controls, refer to our separate report in 'Annexure II' wherein we have expressed an unmodified opinion; and

h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements and other financial information of the subsidiaries and joint ventures incorporated in India whose financial statements have been audited under the Act:

i. the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its joint ventures as detailed in Note 58(I) to the consolidated financial statements;

ii. provision has been made in these consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts;

vi. as stated in note 69 of the consolidated financial statements and based on our examination which included test checks and that performed by the respective auditors of the subsidiaries and joint venture companies of the Holding Company, which are companies incorporated in India and audited under the Act, except for instances mentioned below, the Holding Company, its subsidiaries and joint venture have used accounting softwares for maintaining its books of account, which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the respective software. Further, during our audit we did not come across any instance of audit trail feature being tampered with in respect of the accounting software where such feature is enabled and logs maintained.

a) the audit trail logs for direct changes in data at database level for accounting software, used for maintaining Holding Company's books of account, is available only for 7 days;
b) the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting software used by the Holding Company for processing parking revenues; and
c) the feature of recording audit trail (edit log) facility was not enabled at the database level to log any direct data changes for the accounting softwares used for maintaining books of account by two of its subsidiaries.

Annexure II to the Independent Auditor's Report of even date to the members of GMR Hyderabad International Airport Limited on the consolidated financial statements for the year ended 31 March 2024

Annexure II

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of GMR Hyderabad International Airport Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), and its joint ventures as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its joint venture companies, which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies and its joint venture companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('the ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its joint venture companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies and its joint venture companies as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion and based on the consideration of the reports of the other auditors on internal financial controls with reference to financial statements of the subsidiary companies and joint venture companies, the Holding Company, its subsidiary companies and its joint venture companies, which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

9. We did not jointly audit the internal financial controls with reference to financial statements insofar as it relates to 5 subsidiary companies, which are companies covered under the Act, whose financial statements reflect total assets of ₹1,858.17 crores as at 31 March 2024, total revenues of ₹1,032.10 crores and net cash inflows amounting to ₹17.28 crores for the year ended on that date, as considered

in the consolidated financial statements. The internal financial controls with reference to financial statements in so far as it relates to such subsidiary companies have been audited solely by K.S Rao & Co., ('KSR') one of the joint auditors of the Holding Company, whose reports have been furnished to us by the management and Walker Chandiok & Co. LLP ('WCC') opinion on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements for the Holding Company, its subsidiary companies and joint venture companies, as aforesaid, under Section 143(3)(i) of the Act in so far as it relates to such subsidiary companies, is based solely on the reports issued by KSR in its individual capacity. WCC's opinion is not modified in respect of this matter with respect to reliance on the work done by and on the reports issued by KSR.

The consolidated financial statements also include the Group's share of net profit (including other comprehensive income) of ₹4.21 Crore for the year ended 31 March 2024, in respect of a joint venture company, which are companies covered under the Act, whose internal financial controls with reference to financial statements have not been audited by us. The internal financial controls with reference to financial statements in so far as it relates to such joint venture company has been audited by other auditors whose report have been furnished to us by the management and our report on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements of the joint venture company is based solely on the reports of the auditors of such company. Our opinion is not modified in respect of this matter with respect to our reliance on the work done by and on the reports of the other auditors.

10. We did not audit the internal financial controls with reference to financial statements in so far as it relates to a subsidiary, which is a company covered under the Act, whose financial information reflect total assets of ₹Nil as at 31 March 2024, total revenues of ₹3.35 crores and net cash outflows amounting to ₹0.06 crores for the year ended on that date; and a joint venture company, which is a company covered under the Act, in respect of which, the Group's share of net loss (including other comprehensive income) of ₹(8.81) crores for the year ended 31 March 2024 has been considered in the consolidated financial statements. The internal financial controls with reference to financial statements of this subsidiary company and joint venture company, which are companies covered under the Act, are unaudited and our opinion under Section 143(3)(i) of the Act on adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to the aforesaid subsidiary, and joint venture company, which are companies covered under the Act, is solely based on the corresponding internal financial controls with reference to financial statements reports certified by the management of such companies. In our opinion and according to the information and explanations given to us by the management, these financial information are not material to the Group. Our opinion is not modified in respect of the above matter with respect to our reliance on the internal financial controls with reference to financial statements reports certified by the management.

Summary of material accounting policies and other explanatory information
(All amounts in Rupees crores, except per share data and when otherwise stated)

1. **Corporate information**

GMR Hyderabad International Airport Limited ('GHIAL', 'Company' or 'the Holding Company') is a Public Limited Company domiciled in India, its subsidiaries and joint ventures herein are collectively referred as "the Group". GHIAL was incorporated in 2002 under the provisions of the Companies Act, 1956 having their registered office at GMR Aero Towers, Rajiv Gandhi International Airport, Shamshabad, Hyderabad – 500 108. The Holding Company is engaged in the business of providing Airport Management Services on a Build, Owned, Operate and Transfer, and only operate model. Presently, the Company is managing the operations of Rajiv Gandhi International Airport ("RGIA" or "Airport") at Hyderabad, India and the airport in Bidar in Karnataka, India.

The Group is engaged in operation of airport infrastructure and other allied service such as cargo handling, development of airport city and SEZ area near airport, trading of goods in duty free area of airport, security services, hospitality services, development of logistics park and maintenance, repair and overhaul facility (MRO) of aircraft near and around the RGIA.

The Consolidated Financial Statements are authorized for issue in accordance with a resolution passed by the Board of Directors of Holding Company in its meeting held on May 20, 2024.

2. **A. Basis of preparation**

The Consolidated Financial Statements of the Group have been prepared in accordance with Indian Accounting Standards ('Ind AS') notified under Sec 133 of the Companies Act,2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time and presentation requirement of Division II of schedule III to the Act, including the amendments to schedule III notified by the Ministry of Corporate Affairs ("MCA") vide its notification dated 24 March 2021.

The Consolidated Financial Statements have been prepared on a historical cost basis, except for certain financial assets and liabilities (refer accounting policy regarding financial instruments) and Net defined benefit (asset)/ liability which have been measured at fair value.

The Consolidated Financial Statements have been prepared for the Group as a going concern on the basis of relevant Ind AS that are effective at the Group's annual reporting date, March 31, 2024.

Accounting policies have been consistently applied, except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Consolidated Financial Statements are presented in Indian Rupees ("Rs.") and all the values are rounded to the nearest Crore, except per share data, per unit data and when otherwise indicated.

B. Basis of Consolidation

(i) Subsidiary

Subsidiary includes the entity over which the Group has control. The Group controls an entity when it is exposed or has right to variable return from its involvement with the entity and has the ability to affect those returns through its power (that is, existing rights that give it the current ability to direct the relevant activities) over the entity. The Group re-assesses whether or not it controls the entity, in case the under-lying facts and circumstances indicate that there are changes to above mentioned parameters that determine the existence of control.

Subsidiary is fully consolidated from the date on which control is transferred to the Group, and they are deconsolidated from the date when control ceases.

(ii) Joint ventures

A joint venture is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint venture. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

Joint ventures are accounted for from the date on which Group obtains joint control over the joint venture.

(All amounts in Rupees crores, except per share data and when otherwise stated)

(iii) Method of consolidation

Accounting policies of the respective individual subsidiary, joint venture are aligned wherever necessary, so as to ensure consistency with the accounting policies that are adopted by the Group under Ind AS.

The Consolidated financial statements of subsidiary are fully consolidated on a line-by-line basis. Intragroup balances and transactions, and income and expenses arising from intra-group transactions, are eliminated while preparing the said financial statements. The un-realised gains resulting from intra-group transactions are also eliminated. Similarly, the un-realised losses are eliminated, unless the transaction provides evidence as to impairment of the asset transferred.

The Group's investments in its joint venture is accounted for using the equity method. Accordingly, the investments are carried at cost as adjusted for post-acquisition changes in the Group's share of the net assets of investee. Any excess of the cost over the Group's share of net assets in its joint venture at the date of acquisition is recognised as goodwill. The goodwill is included within the carrying amount of the investment. The un-realised gains / losses resulting from transactions (including sale of business) with joint ventures are eliminated against the investment to the extent of the Group's interest in the investee. However, un-realised losses are eliminated only to the extent that there is no evidence of impairment.

At each reporting date, the Group determines whether there is objective evidence that the investment is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of investment and its carrying value.

Entities considered in the Consolidated Financial Statements as Subsidiaries are listed below:

Name	Principal activities	Place and country of operation	% equity interest as March 31	
			2024	2023
GMR Hyderabad Aerotropolis Limited (GHAL)	Development of commercial property	Hyderabad, India	100%	100%
GMR Hyderabad Aviation SEZ Limited (GHASL)	Development of SEZ	Hyderabad, India	100%	100%
GMR Air Cargo and Aerospace Engineering Limited (GACAEL)	Cargo handling operations and operation of maintenance, repair and overhaul (MRO) of aircrafts at Airport	Hyderabad, India	100%	100%
GMR Hospitality and Retail Limited (GHRL)	Operation of business hotel and duty free	Hyderabad, India	100%	100%
GMR Aero Technic Limited (GATL)	MRO consultancy services	Hyderabad, India	100%	100%
GMR Hyderabad Airport Assets Limited (GHAAL)	Development of commercial property	Hyderabad, India	-	100%

Information about joint ventures

Name	Principal activities	Country of Incorporation	% equity interest as at March 31	
			2024	2023
Laqshya Hyderabad Airport Media Private Limited (LHAMPL)	Advertisement	India	49%	49%
ESR GMR Logistics Park Private Limited (GLPPL) *(formerly GMR Logistics Park Private Limited)*	Development of logistics park	India	30%	30%

3. Material accounting policy information

a. Use of estimates:

The preparation of Consolidated Financial Statements in conformity with Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting year. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

The Group based its assumptions and estimates on parameters available when these Consolidated Financial Statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

b. Business combinations and goodwill:

Business combinations other than common control business combinations are accounted for using the acquisition method. The cost of an acquisition other than in a common control business combination is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred. Business combination involving entities under common control are accounted for using the pooling of interests method.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

i. Deferred tax assets or liabilities, and the assets or liabilities related to employee benefit arrangements are recognized and measured in accordance with Ind AS 12 Income Tax and Ind AS 19 Employee Benefits respectively.

ii. Liabilities or equity instruments related to share based payment arrangements of the acquiree or share based payments arrangements of the Group entered into to replace share-based payment arrangements of the acquiree are measured in accordance with Ind AS 102 Share-based Payments at the acquisition date.

iii. Assets (or disposal groups) that are classified as held for sale in accordance with Ind AS 105 Non-current Assets Held for Sale and Discontinued Operations are measured in accordance with that standard.

iv. Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognized in profit or loss or OCI, as appropriate.

Any contingent consideration to be transferred by the acquirer is recognized at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 Financial Instruments, is measured at fair value with changes in fair value recognized in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS. Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and subsequent its settlement is accounted for within equity.

Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. If the fair value of the net assets acquired is in excess of the aggregate consideration transferred, the Group re-assesses whether it has correctly identified all of the assets acquired and all of the liabilities assumed and reviews the procedures used to measure the amounts to be recognized at the acquisition date. If the reassessment still results in an excess of the fair value of net assets acquired over the aggregate consideration transferred, then the gain is recognized in OCI and accumulated in equity as capital reserve. However, if there is no clear evidence of bargain purchase, the entity recognises the gain directly in equity as capital reserve, without routing the same through OCI.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognized in profit or loss. An impairment loss recognized for goodwill is not reversed in subsequent periods.

Where goodwill has been allocated to a cash-generating unit and part of the operation within that unit is disposed of, the goodwill associated with the disposed operation is included in the carrying amount of the operation when determining the gain or loss on disposal. Goodwill disposed in these circumstances is measured based on the relative values of the disposed operation and the portion of the cash-generating unit retained.
If the initial accounting for a business combination is incomplete by the end of the reporting period in which the combination occurs, the Group reports provisional amounts for the items for which the accounting is incomplete. Those provisional amounts are adjusted through goodwill during the measurement period, or additional assets or liabilities are recognized, to reflect new information obtained about facts and circumstances that existed at the acquisition date that, if known, would have affected the amounts recognized at that date. These adjustments are called as measurement period adjustments. The measurement period does not exceed one year from the acquisition date.

c. Investment in joint ventures:
A jointly controlled entity is a type of joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the jointly controlled entity. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.

The Group's investments in its jointly controlled entity are accounted for using the equity method. Under the equity method, the investment in a jointly controlled entity is initially recognized at cost. The carrying amount of the investment is adjusted to recognise changes in the Group's share of net assets of the jointly controlled entity since the acquisition date. Goodwill relating to the joint venture is included in the carrying amount of the investment and is not tested for impairment individually.

The statement of profit and loss reflects the Group's share of the results of operations of the jointly controlled entity. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognized directly in the equity of the jointly controlled entity, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group and the jointly controlled entity is eliminated to the extent of the interest in the jointly controlled entity.

If an entity's share of losses of a joint venture equals or exceeds its interest in the jointly controlled entity (which includes any long term interest that, in substance, form part of the Group's net investment in the jointly controlled entity), the entity discontinues recognising its share of further losses. If the jointly controlled entity subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognized.

The aggregate of the Group's share of profit or loss of a jointly controlled entity is shown on the face of the statement of profit and loss.

The financial statements of the joint venture are prepared for the same reporting period as the Group. When necessary, adjustments are made to bring the accounting policies in line with those of the Group.

After application of the equity method, the Group determines whether it is necessary to recognise an impairment loss on its investment in its jointly controlled entity. At each reporting date, the Group determines whether there is objective evidence that the investment in the jointly controlled entity is impaired. If there is such evidence, the Group calculates the amount of impairment as the difference between the recoverable amount of the jointly controlled entity and its carrying value, and then recognises the loss as 'Share of profit of a jointly controlled entity' in the statement of profit or loss.

d. Current versus Non-current classification:

The Group presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when:

i) It is expected to be realised or intended to be sold or consumed in normal operating cycle
ii) It is held primarily for the purpose of trading
iii) It is expected to be realised within twelve months after the reporting period, or
iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

i) It is expected to be settled in normal operating cycle,
ii) It is held primarily for the purpose of trading,
iii) It is due to be settled within twelve months after the reporting period, or
iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The Group has identified twelve months as its operating cycle.

e. Property, plant and equipment:

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment loss, if any. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Capital work in progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date net of accumulated impairment loss, if any. Property, plant and equipment under installation or under construction as at balance sheet are shown as capital work-in-progress and the related advances are shown as capital advances.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. Further, when each major inspection is performed, its cost is recognised in the carrying amount of the item of property, plant and equipment if the recognition criteria are satisfied. All other repairs and maintenance are charged to statement of profit and loss during the reporting period in which they are incurred.

(All amounts in Rupees crores, except per share data and when otherwise stated)

The Group identifies and determines cost of each component / part of the asset separately, if the component / part has a cost which is significant to the total cost of the asset having useful life that is materially different from that of the remaining asset.

Spares parts that can only be used in connection with a particular item of property, plant and equipment, and whose use is expected to be irregular, are capitalized. Such spare parts are depreciated over a period, not exceeding the remaining useful life of the principal asset.

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the statement of profit and loss when the asset is derecognised.

f. Depreciation:

Depreciation on property, plant and equipment is calculated on a straight line basis using the rates arrived at, based on useful lives estimated by the management, which coincides with the lives prescribed by Airport Economic Regulatory Authority ("AERA") in case of airport assets and as prescribed under Schedule II of the Companies Act, 2013 in case of other assets, except as stated below based on the technical advice as obtained by the management. The following useful lives of property, plant and equipment is adopted by the Group:

Particulars	**(Useful life in years)**
Leasehold Improvements	30
Buildings on leasehold land*	10-30
Building interim terminal#	7
Buildings on freehold land	30-60
Runways	30
Roads – other than RCC **	10
Recarpeting of runways	5
Electrical installations **	10-15
Plant and equipments	15
Office equipment	5
Computer equipments	3-6
Furniture and fixtures	3-7
Vehicles	8-10

*The useful lives of modifications to buildings on leasehold land are estimated as 10 years.

**The useful lives of internal roads – other than RCC and certain electrical installations (transformers) are estimated as 10 years and 15 years respectively. These lives are longer than those indicated in schedule II.

#During the previous years, GHIAL has commissioned two interim terminals namely Interim International Departure Terminal (IIDT) and Interim Domestic Arrival Terminal (IDAT) to accommodate the growing traffic, until the expanded terminal becomes operational. Further, the area where these interim terminals are created, will eventually be used for expansion and boarding gates, therefore these interim terminals will need to be demolished after seven years. Based on the same, the management has considered the life of seven years period for these terminal buildings and related assets i.e. electrical installations and certain plant and machineries viz. Fire systems, HVAC systems. Accordingly, IIDT, IDAT building, electrical installations, Fire systems, HVAC systems are depreciated over a period of seven years.

g. Intangible assets:

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses.

Goodwill arising on consolidation is not amortized but tested for impairment in accordance with Ind AS 103.

h. Amortization of intangible assets:

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each year. Cost relating to computer software, which are acquired, are capitalized and amortized on a straight – line basis over their useful life not exceeding six years.

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

i. Impairment of non-financial assets:

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash generating units' (CGUs) fair value less cost to sell and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or group of assets. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.
Impairment losses are recognized in the statement of profit and loss. An assessment is made at each reporting date to determine whether there is an indication that previously recognized impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or CGU's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the statement of profit or loss.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

j. Inventories:

Inventories are valued at lower of cost and net realisable value. Cost is determined on a weighted average basis and includes all applicable costs incurred in bringing goods to their present location and condition. However, stores and spares items held for use in providing the service are not written down below cost if the services are expected to be provided at or above cost.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

k. Borrowing cost:

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

l. Provisions, contingent liabilities and commitments:

Provisions are recognized when the Group has a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Group expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

Contingent liability is disclosed in the case of:

- A present obligation arising from past events, when it is not probable that an outflow of resources will not be required to settle the obligation
- A present obligation arising from past events, when it cannot be measured reliably.
- A possible obligation arising from past events, unless the probability of outflow of resources is remote

The Group does not recognize a contingent liability but discloses its existence in the Consolidated Financial Statements.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets. Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

m. Retirement and other employee benefits:

Retirement benefit in the form of provident fund is a defined contribution scheme. The Group has no obligation, other than the contribution payable to the provident fund. The Group recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Retirement benefit in the form of Superannuation Fund and Employee State Insurance are defined contribution schemes, and the Group recognizes contribution payable to these schemes as an expense, when an employee renders the related service. The Group has no obligation, other than the contribution payable to the funds.

The Group operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund. The cost of providing benefits under the defined benefit plan is determined based on actuarial valuation using projected unit credit method.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through OCI in the period in which they occur. Remeasurements are not reclassified to profit or loss in subsequent periods.

Past service costs are recognized in profit or loss on the earlier of:

- The date of the plan amendment or curtailment, and
- The date that the Group recognises related restructuring costs

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset. The Group recognises the following changes in the net defined benefit obligation as an expense in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements; and
- Net interest expense or income.

Short-term employee benefits
Accumulated leave, which is expected to be utilized within the next twelve months, is treated as short-term employee benefit. The group measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The group treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. However, the Group presents the entire provision towards accumulated leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for twelve months after the reporting date.

n. Financial Instrument
A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement:
All financial assets are recognized initially at fair value plus except in case of Trade receivables that do not contain a significant financing component or for which the Company has applied the practical expedient are measured at the transaction price determined under Ind AS 115, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date, i.e., the date that the Group commits to purchase or sell the asset.

Subsequent measurement:
For purposes of subsequent measurement, financial assets are classified in four categories:
- Debt instruments at amortized cost
- Debt instruments at fair value through other comprehensive income (FVTOCI)
- Debt instruments, derivatives and equity instruments at fair value through profit or loss (FVTPL)
- Equity instruments measured at fair value through other comprehensive income (FVTOCI)

Debt instruments at amortized cost:
A 'debt instrument' is measured at the amortized cost if both the following conditions are met:

a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Group. After initial measurement, such financial assets are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the profit or loss. The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Debt instrument at FVTOCI:
A 'debt instrument' is classified as at the FVTOCI if both of the following criteria are met:

a) The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
b) The asset's contractual cash flows represent SPPI.

Debt instruments included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI). However, the Group recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the statement of profit and loss. On derecognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from the equity to statement of profit and loss. Interest earned whilst holding FVTOCI debt instrument is reported as interest income using the EIR method.

Debt instrument at FVTPL:
FVTPL is a residual category for debt instruments. Any debt instrument, which does not meet the criteria for categorization as at amortized cost or as FVTOCI, is classified as at FVTPL. In addition, the Group may elect to designate a debt instrument, which otherwise meets amortized cost or FVTOCI criteria, as at FVTPL. However, such election is allowed only if doing so reduces or eliminates a measurement or recognition inconsistency (referred to as 'accounting mismatch').

Debt instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Derecognition:
A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the balance sheet) when:

a. The rights to receive cash flows from the asset have expired, or

b. The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of financial assets:
In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

a. Financial assets that are debt instruments, and are measured at amortized cost e.g., loans, debt securities, deposits, trade receivables and bank balance
b. Financial assets that are debt instruments and are measured as at FVTOCI
c. Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 11 and Ind AS 115
d. Loan commitments which are not measured as at FVTPL
e. Financial guarantee contracts which are not measured as at FVTPL

The Group follows 'simplified approach' for recognition of impairment loss allowance on Trade receivables or contract revenue receivables.

The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

Lifetime ECL are the expected credit losses resulting from all possible default events over the expected life of a financial instrument. The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original EIR. When estimating the cash flows, the Group is required to consider:

a. All contractual terms of the financial instrument (including prepayment, extension, call and similar options) over the expected life of the financial instrument. However, in rare cases when the expected life of the financial instrument cannot be estimated reliably, then the entity is required to use the remaining contractual term of the financial instrument.

b. Cash flows from the sale of collateral held or other credit enhancements that are integral to the contractual terms

As a practical expedient, the Group evaluates individual balances to determine impairment loss allowance on its trade receivables. The evaluation is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

ECL impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the statement of profit and loss (P&L). This amount is reflected under the head 'other expenses' in the statement of profit and loss. The balance sheet presentation for various financial instruments is described below:

- Financial assets measured as at amortized cost and contractual revenue receivables: ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Group does not reduce impairment allowance from the gross carrying amount.

For assessing credit risk and impairment loss, the Group combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Equity Investments:
All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments which are held for trading and contingent consideration recognized by an acquirer in a business combination to which Ind AS 103 applies are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

Financial liabilities

Initial recognition and measurement:
Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including cash credit, financial guarantee contracts and derivative financial instruments.

Subsequent measurement:
The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss:
Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities at fair value through profit or loss:
Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the profit or loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated as such at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/ loss are not subsequently transferred to P&L. However, the Group may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognized in the statement of profit or loss. The Group has not designated any financial liability as at fair value through profit and loss.

Loans and borrowings:
After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial guarantee contracts:
Financial guarantee contracts issued by the Group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee.

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

Derecognition:
A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expired. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

Reclassification of financial assets:
The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period

following the change in business model. The Group does not restate any previously recognized gains, losses (including impairment gains or losses) or interest."

Offsetting of financial instruments:
Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

o. Derivative financial instruments and hedge accounting
The Group uses derivative financial instruments, such as forward currency contracts and interest rate swaps, to hedge its foreign currency risks, interest rate risks and commodity price risks, respectively. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss, except for the effective portion of cash flow hedges, which is recognised in OCI and later reclassified to profit or loss when the hedge item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial asset or non- financial liability.

For the purpose of hedge accounting, hedges are classified as:
- Fair value hedges when hedging the exposure to changes in the fair value of a recognised asset or liability or an unrecognized firm commitment;
- Cash flow hedges when hedging the exposure to variability in cash flows that is either attributable to a particular risk associated with a recognised asset or liability or a highly probable forecast transaction or the foreign currency risk in an unrecognised firm commitment;
- Hedges of a net investment in a foreign operation. Hedges that meet the strict criteria for hedge accounting are accounted for, as escribed below:

Fair value hedges
The change in the fair value of a hedging instrument is recognised in the statement of profit and loss as finance costs. The change in the fair value of the hedged item attributable to the risk hedged is recorded as part of the carrying value of the hedged item and is also recognised in the statement of profit and loss as finance costs.

For fair value hedges relating to items carried at amortised cost, any adjustment to carrying value is amortised through profit or loss over the remaining term of the hedge using the EIR method. EIR amortisation may begin as soon as an adjustment exists and no later than when the hedged item ceases to be adjusted for changes in its fair value attributable to the risk being hedged.

If the hedged item is derecognised, the unamortised fair value is recognised immediately in profit or loss. When an unrecognised firm commitment is designated as a hedged item, the subsequent cumulative change in the fair value of the firm commitment attributable to the hedged risk is recognised as an asset or liability with a corresponding gain or loss recognised in profit and loss.

Cash flow hedges
The effective portion of the gain or loss on the hedging instrument is recognised in OCI in the cash flow hedge reserve, while any ineffective portion relating to foreign currency portion is recognised immediately in the statement of profit and loss.

The Group uses forward currency contracts as hedges of its exposure to foreign currency risk in recognised liability and firm commitments. The ineffective portion relating to foreign currency contracts is recognised in finance costs.

Amounts recognised as OCI are transferred to profit or loss when the hedged transaction affects profit or loss, such as when the hedged financial income or financial expense is recognised or when a forecast transaction occurs. When the hedged item is the cost of a non-financial asset or non-financial liability, the amounts recognised as OCI are transferred to the initial carrying amount of the non-financial asset or liability.

If the hedging instrument expires or is sold, terminated or exercised without replacement or rollover (as part of the hedging strategy), or if its designation as a hedge is revoked, or when the hedge no longer meets the criteria for hedge accounting, any cumulative gain or loss previously recognised in OCI remains separately in equity until the forecast transaction occurs or the foreign currency firm commitment is met.

p. Cash and cash equivalents:

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the consolidated statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Group's cash management.

q. Cash dividend to equity holders of the parent

The Group recognises a liability to make cash distributions to equity holders of the parent when the distribution is authorised and the distribution is no longer at the discretion of the Group. As per the Companies Act, 2013, a distribution is authorised when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

r. Foreign currency Transactions

The Group's Consolidated Financial Statements are presented in INR, which is also the Group's functional currency and the currency of the primary economic environment in which the Group operates.

Transactions and balances

Transactions in foreign currencies are initially recorded by the Group at their respective functional currency spot rates at the date the transaction first qualifies for recognition. However, for practical reasons, the Group uses an average rate if the average approximates the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency spot rates of exchange at the reporting date. Non-monetary items that are measured based on historical cost in a foreign currency are translated at the exchange rate at the date of the transaction. Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in the statement of profit and loss in the period in which they arise.

However, foreign currency differences arising from the translation of the following items are recognised in other comprehensive income ("OCI"):

- certain debt instruments classified as measured at FVOCI; and
- qualifying cash flow hedges, to the extent that the hedges are effective.

s. Fair Value Measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

i. In the principal market for the asset or liability, or
ii. In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the group.
The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

The Management determines the policies and procedures for both recurring fair value measurement, such as derivative instruments and unquoted financial assets measured at fair value, and for non-recurring measurement, such as assets held for distribution in discontinued operations.

External valuers are involved for valuation of significant assets, such as properties and unquoted financial assets, and significant liabilities, such as contingent consideration. Involvement of external valuers is decided upon by the management. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. The management decides, after discussions with the group's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the group's accounting policies. For this analysis, the Valuation Committee verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management, in conjunction with the Group's external valuers, also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

This note summarises accounting policy for fair value. Other fair value related disclosures are given in the relevant notes.

a) Disclosures for valuation methods, significant estimates and assumptions
b) Quantitative disclosures of fair value measurement hierarchy
c) Financial instruments (including those carried at amortized cost)

t. Revenue recognition:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured on the basis of transaction price, after deduction of any discounts and any taxes or duties collected on behalf of the Government such as goods and services tax, etc.

The specific recognition criteria described below must also be met before revenue is recognized.

Revenue from contract with customer

Revenue from contracts with customers is recognised when performance obligation in relation to transfer of services is satisfied at an amount that reflects the transaction price, after deduction of any discounts and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. The Group has generally concluded that it is the principal in its revenue arrangements, because it typically controls the services before transferring them to the customer.

Income from service:

i. Revenue from Airport Operations i.e. Aeronautical and Non-Aeronautical Operations are recognized on an accrual basis, net of service tax and applicable discounts, when services are rendered and it is possible that an economic benefit will be received which can be quantified reliably. Revenue from Aeronautical operations includes landing and parking charges of aircraft, operation and maintenance of passenger boarding and other allied services. Revenue from Non-aeronautical operations include granting rights to use land and space primarily for catering to the needs of passengers, air traffic services and air transport services.

   Further, Rental income arising from operating leases is accounted for on a straight-line basis over the lease terms and is included in non-aeronautical revenue in the statement of profit or loss due to its operating nature.

ii. In case of cargo handling revenue, revenue from outbound cargo is recognized for non-airline and airline customers at the time of departure of aircraft. Revenue from inbound cargo is recognized at the time of arrival of aircraft in case of airline customers and at the point of delivery of cargo in case of non-airline customers.

iii. In case of MRO business, revenue is recognized upon transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Revenue is reduced for estimated customer returns, rebates and other similar allowances, taxes or duties collected on behalf of the Government. An entity shall recognize revenue when the entity satisfies a performance obligation by transferring a promised good or service (i.e. an asset) to a customer. An asset is transferred when the customer obtains control of that asset. Revenue relating to fixed price contracts is recognized based on percentage of completion method (POC method).

iv. Revenue from hotel operations comprises of income by way of hotel room rent, sale of food, beverages and allied services relating to the hotel and is recognized net of taxes and discounts as and when the services are provided and products are sold.

v. Income from management / technical services is recognized as per the terms of the agreement on the basis of services rendered.

vi. Revenue from commercial property development rights granted to concessionaires is recognized on accrual basis, as per the terms of the agreement entered into with the customers.

vii. Revenue earned in excess of billings has been included under ‘other assets’ as unbilled revenue and billings in excess of revenue has been disclosed under ‘other liabilities’ as unearned revenue.

Sale of Goods:

Revenue from sale of goods is recognized at the time of delivery of goods to customers which coincides with transfer of risks and rewards to its customers. Sales are stated net of returns and discounts.

Interest income:

i. Interest on all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss.

ii. Interest for delayed payments from customers is accounted only when it is unconditionally accepted by the customers.

Significant financing component:
Generally, the Group receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Group does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

The Group also receives long-term advances from customers for providing the license to operate at the Airport. The transaction price for such contracts is discounted, using the rate that would be reflected in a separate financing transaction between the Group and its customers at contract inception, to take into consideration the significant financing component.

Contract balances

Contract assets
A contract asset is the right to consideration in exchange for goods or services transferred to the customer. Contract assets are in the nature of unbilled receivables, which arises when Company satisfies a performance obligation but does not have an unconditional rights to consideration. A receivables represents the Company's right to an amount of consideration that is unconditional.

Trade receivables
A receivable represents the Company's right to an amount of consideration that is unconditional. Refer to accounting policies of financial assets in financial instruments – initial recognition and subsequent measurement.

Contract liabilities
A contract liability is the obligation to transfer services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Company performs under the contract.

u. Taxes:

Current tax
Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961.

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Current tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Current and deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax
Deferred tax is recognised using the balance sheet method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. Deferred tax is not recognised for the following temporary differences:

i. When the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

ii. In respect of taxable temporary differences associated with interests in joint ventures, when the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

A deferred tax asset is recognised to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. Deferred tax on items reversing within the tax holiday period is not recognized.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Deferred tax relating to items recognised outside profit or loss is recognised outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternate Tax (MAT) paid in a year is charged to the Statement of profit and loss as current tax. The Group recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Group will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Group recognizes MAT credit as an asset, it is created by way of credit to the statement of profit and loss and shown as "Deferred Tax Asset." The Group reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Group does not have convincing evidence that it will pay normal tax during the specified period.

v. Leases

The Group assesses a contract at inception whether a contract is, or contains, a lease. That is, if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee:

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. The Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

Right-of-use assets: The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received.

The right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

Lease liabilities: At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments included in the measurement of the lease liability include fixed payments (including in substance fixed payments), variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees. The lease payments also include the exercise price of a purchase option reasonably certain to be exercised by the Group and payments of penalties for terminating the lease, if the lease term reflects the Group exercising the option to terminate.

Lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in finance costs in the statement of profit and loss.

In case of a short-term lease contract and lease contracts for which the underlying asset is of low value in accordance with Ind AS 116, lease payments are charged to statement of profit and loss on accrual basis.

Group as a lessor:
Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Income from operating lease is recognised on a straight-line basis over the term of the relevant lease.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfers from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

w. Cash flow statement
Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

x. Earnings per share:
Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, if any.

y. Standards and recent pronouncements issued but not yet effective
Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

Nature and purpose of reserves

Capital Reserve

The Company has received a contribution of Rs.107 crores from its shareholder i.e., Government of Telangana as per the terms of State Support Agreement for construction of Airport. This contribution received from Government of Telangana has been recognised as capital contribution from share holder of the Company.

Debenture Redemption Reserve

Debenture redemption reserve was created on issue of listed secured Non-Convertible Debentures (NCDs). The Company shall use the debenture redemption reserve in accordance with the provisions of the Act.

Retained earnings

Retained earnings are the profits that the Company has earned till date, less any transfers to general reserve, dividends or other distribution to the shareholders.

Cash flow hedge reserve

Cash flow hedge reserve was created on entering into derivative transactions in the earlier years. The same shall be reclassified to Statement of Profit or Loss on settlement of the derivative instruments

The Taxation Laws (Amendment) Ordinance, 2019 was issued by the Ministry of Finance, Government of India on 20 September 2019. Pursuant to the said Ordinance, the Group is entitled to avail revised tax rates from the financial year commencing 1 April 2019. However, on the basis of a detailed analysis of the provisions of the Ordinance, management has concluded that the Group shall avail revised tax rates after utilization of various tax credits that the Group is currently entitled for. Accordingly, these Consolidated Financial Statements for the year ended March 31, 2024 do not include any adjustments on account of changes in the corporate tax rates.

33 Components of other comprehensive income

Disaggregation of changes to OCI by each type of reserve in equity is shown below:

For the period ended March 31, 2024

48 Retirement and other employee benefits:

a) Defined contribution plan:

Contribution to provident and other funds under employee benefits expense are as under:

	March 31, 2024	March 31, 2023
Contribution to provident fund	14.10	11.74
Contribution to ESI and Labour welfare fund	0.41	0.37
Contribution to superannuation fund	2.79	2.57
	17.30	**14.67**

b) Defined benefit plans:

Gratuity liability is a defined benefit obligation which is funded through policy taken from Life insurance Corporation of India and liability (net of fair value of investment in LIC) is provided for on the basis of an actuarial valuation on projected unit credit method made at the end of each financial year. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days' salary (based on last drawn basic salary) for each completed year of service subject to a maximum limit of Rs. 0.20 crores (March 31, 2023: 0.20 crores).

The following tables summarize the components of net benefit expense recognized in the statement of profit or loss/OCI and amounts recognized in the balance sheet for defined benefit plans/obligations:

Net employee benefit expense (recognized in employee benefits expense):

	March 31, 2024	March 31, 2023
Current service cost	3.16	2.83
Interest cost on net Defined Benefit Obligation (DBO)	0.49	0.46
Net Acturial (gain)/Loss Recognised in the year	0.03	-
Net benefit expense	**3.68**	**3.29**

GMR Hyderabad International Airport Limited
CIN:U62100TG2002PLC040118
Summary of material accounting policies and other explanatory information
(All amounts in Rupees crores, except per share data and when otherwise stated)

48 **Retirement and other employee benefits: (continued)**

Amount recognized in other comprehensive income:

	March 31, 2024	March 31, 2023
Actuarial loss due to DBO experience	2.32	1.07
Actuarial gain due to DBO assumption changes	0.31	(0.18)
Return on plan assets less than discount rate	-	0.33
Actuarial losses recognized in OCI	**2.63**	**1.22**

Amounts recognised in the Balance sheet are as follows:

	March 31, 2024	March 31, 2023
Fair value of plan assets	21.82	15.29
Defined benefit obligation	(29.60)	(24.80)
Plan liability	**(7.78)**	**(9.51)**

Changes in the present value of the defined benefit obligation are as follows:

	March 31, 2024	March 31, 2023
Opening defined benefit obligation	24.80	21.66
Interest cost	1.60	1.39
Current service cost	2.74	2.79
Benefits paid	(2.32)	(2.42)
Actuarial losses /(gains) on obligation	2.00	1.51
Acquisition cost	0.37	0.05
Actuarial gain on financial assumption	0.40	(0.18)
Closing defined benefit obligation	**29.60**	**24.80**

Changes in the fair value of plan assets are as follows:

	March 31, 2024	March 31, 2023
Opening fair value of plan assets	15.29	14.28
Expected return on plan assets	0.33	0.72
Contributions by employer	7.77	2.17
Return on plan assets greater/(lesser) than discount rate	-	0.29
Acquisition adjustment	-	(0.10)
Interest income on plan assets	0.68	0.20
Benefits paid	(2.24)	(2.27)
Closing fair value of plan assets	**21.82**	**15.29**

The major category of plan assets as a percentage of the fair value of total plan assets is as follows:

	March 31, 2024	March 31, 2023
Investments with insurer	100%	100%

The principal assumptions used in determining gratuity obligation for the Group's plans are shown below:

	March 31, 2024	March 31, 2023
Discount rate	7%	7.1% to 7.3%
Rate of compensation increase	6% to 8%	6% to 8%
Employee turnover	5 to 6%	5% to 20%

A quantitative sensitivity analysis for significant assumption is shown below:	March 31, 2024	March 31, 2023
Discount rate		
Effect due to 1% increase in discount rate	(2.18)	(1.75)
Effect due to 1% decrease in discount rate	2.51	2.00
Attrition rate		
Effect due to 1% increase in attrition rate	0.20	(0.16)
Effect due to 1% decrease in attrition rate	(0.17)	0.18
Salary escalation rate		
Effect due to 1% increase in salary increase rate	1.64	1.54
Effect due to 1% decrease in salary increase rate	(1.55)	(1.43)

The sensitivity analyses above have been determined based on a method that extrapolates the impact on defined benefit obligation as a result of reasonable changes in key assumptions occurring at the end of the reporting period.

The following payments are expected benefits payment to the defined benefit plan in the future years

	March 31, 2024	March 31, 2023
with-in one year	3.85	2.76
between one to two years	3.09	3.23
between two to three years	2.65	3.11
between three to five years	4.99	6.25
between five to ten years	11.98	18.79

The average duration of the defined benefit plan obligation at the end of the reporting period is 10 years (31 March 2023: 10 years).

The Company expects to contribute to Rs. 7.78 Crore to gratuity fund during the year ended on March 31, 2024 (March 31, 2023: Rs. 1.13 Crore)

GMR Hyderabad International Airport Limited

53 Leases

(a) **Group as a lessee**

The Group has taken land, office, vehicles and other spaces on operating lease having a term ranging from 5 years to 60 years. The land lease has an escalation of 5% per annum from the 8th anniversary of the Commercial Operations Date (i.e., March 23, 2008) and is co-terminus with the concession period. The office and other space leases have an escalation of 5% per annum and are renewable at the end of the lease period with mutual consent. The vehicle leases are for a tenure of 5 years.

Following are the changes in the carrying value of right of use assets:

	Category of ROU asset			Total
	Land	Building	Vehicles	
Balance as at April 01, 2022	**63.29**	**10.00**	-	73.29
Additions	-	-	1.30	1.30
Depreciation	(1.37)	(1.81)	(0.16)	(3.34)
Balance as at March 31, 2023	**61.92**	**8.19**	**1.14**	**71.25**
Additions	7.75	-	-	7.75
Disposals, net	(5.91)	-	-	(5.91)
Depreciation	(1.75)	(1.81)	(0.16)	(3.72)
Balance as at March 31, 2024	**62.01**	**6.38**	**0.98**	**69.37**

The following is the break-up of current and non-current lease liabilities:

	March 31, 2024	March 31, 2023
Current lease liabilities	2.50	1.07
Non-current lease liabilities	96.51	95.09
	99.01	**96.16**

The following is the movement in lease liabilities during the year:

	March 31, 2024	March 31, 2023
Balance as at the beginning of the year	96.15	92.73
Movement:		
Additions	7.75	1.30
Disposals	(5.90)	-
Finance cost accrued during the year	9.52	9.82
Payment of lease liabilities	(8.51)	(7.70)
Balance at the end of the year	**99.01**	**96.15**

Following amount has been recognized in statement of profit and loss:

	March 31, 2024	March 31, 2023
Depreciation/amortisation on right to use asset	3.72	3.34
Interest on lease liability	9.52	9.82
Expenses related to short term lease (included under other expenses)	4.00	7.49
Total amount recognized in the statement of profit and loss	**17.24**	**20.65**

The table below summarises the maturity profile of the Group's lease liabilities based on contractual undiscounted payments:

	March 31, 2024	March 31, 2023
Within one year	12.54	6.92
After one year but not more than two years	12.93	7.25
After two years but not more than three years	13.53	7.52
After three years but not more than four years	13.65	7.76
After four years but not more than five years	8.94	8.00
More than five years	712.18	709.98

(b) **Group as a lessor**

The Group has sub-leased land to various parties under operating leases having a term of 9 to 30 years. The leases have varying terms, escalation clauses and renewal rights. On renewal, the terms of the leases are renegotiable.

Future minimum rentals receivable under non-cancellable operating leases are as follows:

	March 31, 2024	March 31, 2023
Within one year	89.75	98.98
After one year but not more than five years	312.10	338.34
More than five years	688.93	640.70

(All amounts in Rupees crores, except per share data and when otherwise stated)

54 Fair values

The carrying amount of all financial assets and liabilities (except for certain other financial assets and liabilities, i.e. "Instruments carried at fair value") appearing in these standalone financial statements are reasonable approximation of fair values.

	Carrying value		Fair value	
	March 31, 2024	**March 31, 2023**	**March 31, 2024**	**March 31, 2023**
Financial assets				
I. At fair value through Profit or loss				
Investments in mutual funds	499.45	530.74	499.45	530.74
Investments in others	52.43	-	52.43	-
II. At fair value through Other comprehensive income				
Cash flow hedges (refer note V(a))				
Cross currency swap	565.28	571.97	565.28	571.97
Coupon only swap	9.22	10.99	9.22	10.99
Call spread option	300.22	230.52	300.22	230.52
III. At amortized cost				
Investments in commercial paper	479.16	565.08	479.16	565.08
Investments in Certificate of Deposits	446.28	-	446.28	-
Loans	201.29	200.15	201.29	200.15
Trade receivables	185.43	127.61	185.43	127.61
Cash and cash equivalents	610.35	145.31	610.35	145.31
Bank balances other than cash and cash equivalents	184.16	654.34	184.16	654.34
Other financial assets	224.70	194.11	224.70	194.11
	3,757.97	**3,230.82**	**3,757.97**	**3,230.82**
Financial liabilities				
IV. At amortized cost				
Borrowings	9,351.36	8,839.44	9,093.65	8,408.46
Other financial liabilities	1,018.28	1,029.68	1,018.04	1,029.43
Lease liabilities	99.01	96.16	99.01	96.16
Trade payables	337.95	260.74	337.95	260.74
	10,806.60	**10,226.02**	**10,548.65**	**9,794.79**

V. Assumption used in estimating the fair values:

The fair value of the financial assets and liabilities is included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale. The following methods and assumption were used to estimate the fair values:

(a) Group enters into derivative financial instruments with various counterparties, principally financial institutions with investment grade credit ratings. Derivatives are valued using valuation techniques, which employs the use of market observable inputs. The most frequently applied valuation techniques include forward pricing and swap models, using present value calculations. The models incorporate various inputs including the credit quality of counterparties, foreign exchange spot and forward rates, yield curves of the respective currencies, currency basis spreads between the respective currencies, interest rate curves and forward rate curves of the underlying commodity. As at March 31, 2024, the marked-to-market value of derivative asset positions is net of a credit valuation adjustment attributable to derivative counterparty default risk.

(b) The fair values of quoted mutual funds are based on price quotations at the reporting date.

(c) The fair value of borrowings is based on the traded price of the bond and the prevailing exchange rate.

(d) Management has assessed that cash and cash equivalent, trade receivables, trade payables, other bank balances, investments in commercial paper and other current liabilities balances approximate their carrying amounts largely due to the short-term maturities of these instruments, hence the carrying value is considered to the same as its fair value.

55 Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of the Group's assets and liabilities as at the reporting date.

	Fair value measurement using		
	Market prices in active markets	**Significant observable inputs**	**Significant unobservable inputs**
	(Level 1)	**(Level 2)**	**(Level 3)**
Assets measured at fair value as at March 31, 2024			
Investment in mutual funds	499.45	-	-
Investment in others	-	52.43	
Derivatives designed as Cash flow hedge	-	874.72	-
Borrowings	-	9,093.65	-
Other financial liabilities	-	1,018.04	-
Assets measured at fair value as at March 31, 2023			
Investment in mutual funds	530.74	-	-
Derivatives designed as Cash flow hedge	-	813.48	-
Borrowings	-	8,408.46	-
Other financial liabilities	-	1,029.43	-

There have been no transfers between Level 1, Level 2 and Level 3 during the current and previous year.

(All amounts in Rupees crores, except per share data and when otherwise stated)

56 Financial risk management objectives and policies

Group’s principal financial liabilities, other than derivatives, comprise loans and borrowings, trade and other payables and financial guarantee contracts. The main purpose of these financial liabilities is to finance Group’s operations and to provide guarantees to support its operations. The Group’s principal financial assets include loans, trade and other receivables and cash and cash equivalents are derived from its operations.

Group is exposed to market risk, credit risk and liquidity risk. Group’s senior management oversees the management of these risks. Group’s financial risk activities are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with Group’s policies and risk objectives. All derivative activities for risk management purposes are carried out by senior management team that have the appropriate skills, experience and supervision. It is Group’s policy that no trading in derivatives for speculative purposes may be undertaken. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below:

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises of interest rate risk and currency risk. Financial instruments affected by market risk include loans and borrowings, investments, deposits and derivative financial instruments.

The sensitivity analysis in the following sections relate to the position as at March 31, 2024 and March 31, 2023.

The sensitivity analysis for borrowings have been not prepared as the amount of debt is fully hedged at the fixed currency exchange rate, therefore there is no impact on account of foreign exchange fluctuation. The analysis also excludes the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations and provisions.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to interest rate risk on its long-term debt obligations in the form of Senior Secured Notes ("SSN") are hedged through cross currency swaps, call option spread and coupon only swap and the same has been designated as cash flow hedge. Further, for the interesr rate risk on the Group's long-term debt obligations on the NCDs issued during the year, the interest rate is fixed for a period of five years from the issue.

The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Group’s policy is to convert variable rate loan to fixed rate loan if the perceived uncertainty of such variable market rates is for a long term. As at March 31, 2024, approximately 93% (March 31, 2023: 97%) of the Group’s borrowings are at fixed rate of interest after taking into account the effect of interest rate swaps.

The exposure of the Group's borrowings to interest rate changes as at the end of the reporting period for actual outstanding balances is not significant and therefore, any change in interest rate will not materially impact the reported profit / loss for the period.

	March 31, 2024	March 31, 2023
Borrowings:		
Floating interest rate	578.66	221.16
Fixed interest rate	8,561.03	8,688.78

*The borrowings exposures are disclosed on the basis of actual transaction value and interest free borrowings is not considered.

Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. Group’s exposure to the risk of changes in foreign exchange rates relates primarily to the foreign currency borrowings as enumurated above. However, Group has hedged its borrowings through cross currency swaps, call option spread and coupon only swap and designated the same as cash flow hedge

Cash flow hedges

Foreign exchange derivative instruments measured at fair value through OCI are designated as hedging instruments in cash flow hedges to hedge the USD INR conversion rate volatility with reference to the cash outflows on settlement of its borrowings and related interest payments designated in USD. The fair value of derivative instruments varies with the changes in foreign exchange rates.

	March 31, 2024		March 31, 2023	
	Assets	Liabilities	Assets	Liabilities
Fair value of foreign currency forward contracts designated as hedging instruments				
Cross currency swap	565.28	-	571.97	-
Coupon only swap	9.22	-	10.99	-
Call spread option	300.22	-	230.52	-

Foreign currency sensitivity

Group's exposure to unhedged foreign currency risk at the end of the reporting period expressed in foreign currency is as follows:

	March 31, 2024		March 31, 2023	
Foreign Currency	**Foreign Currency**	**Rs. (in Crore)**	**Foreign Currency**	**Rs. (in Crore)**
Payable				
EURO	(5,62,063)	(5.00)	(10,65,932)	(9.54)
GBP	(69,983)	(0.69)	(2,28,014)	(2.32)

Foreign currency sensitivity

The following table demonstrate the sensitivity to a reasonably possible change in USD and EUR exchange rates, with all other variables held constant. The impact on Group's profit before tax is as under.

Foreign Currency	Nature of transaction	Change in Rate	March 31, 2024	March 31, 2023
EURO	Change in fair valuation of financial liabilities	5%	0.26	0.48
USD		5%	6.55	5.63

The Group's exposure to foreign currency changes for all other currencies is not material.

(All amounts in Rupees crores, except per share data and when otherwise stated)

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Group is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions, foreign exchange transactions and other financial instruments.

Trade receivables

Customer credit risk is managed by Group subject to Group's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any services to major customers are generally covered by bank guarantee or other forms of credit assurance.

Financial instruments (security deposits) and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Group's treasury department in accordance with Group's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counter party. Counterparty credit limits are reviewed by Group's senior management on regular basis, and may be updated throughout the year. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments. Exposure to credit risk also includes bank guarantees provided to subsidiary companies.

The Group's maximum exposure to credit risk for the components of the balance sheet at March 31, 2024 and March 31, 2023 is the carrying amounts of trade receivables and bank guarantees provided to subsidiary companies.

Liquidity risk

Group monitors its risk of a shortage of funds using a rolling cash flow forecasts. Group's objective is to maintain a balance between continuity of funding and flexibility through the use of working capital facilities, long-term loans and finance leases. Group's policy is to ensure that the repayments of borrowings are in sync with the cash flows generated from the operations. Approximately, 9.77% of Group's debt will mature in less than one year at March 31, 2024 (March 31, 2023: 3.05%) based on the outstanding amount of borrowings reflected in these Consolidated financial statements.Group assessed the concentration of risk with respect to refinancing its debt and concluded it to be low. Group has access to a sufficient variety of sources of funding and debt maturing within 12 months can be rolled over with existing lenders, if required.

The table below summarizes the maturity profile of Group's financial liabilities based on contractual undiscounted payments.

	On Demand	Up to 1 year	1 to 5 years	> 5 years	Total
Year ended March 31, 2024					
Borrowings	20.89	896.58	5,849.77	2,624.46	9,391.70
Lease liabilities	-	12.54	49.05	712.18	773.77
Trade payables	-	337.95	-	-	337.95
Other financial liabilities	-	718.54	115.20	184.54	1,018.28
Guarantees	761.12	-	-	-	761.12
Total	**782.01**	**1,965.61**	**6,014.02**	**3,521.17**	**12,282.82**
Year ended March 31, 2023					
Borrowings	29.13	242.63	6,390.00	2,248.17	8,909.93
Lease liabilities	-	6.92	30.53	709.98	747.43
Trade payables	-	260.74	-	-	260.74
Other financial liabilities	-	867.56	157.60	5.78	1,030.94
Guarantees	714.88	-	-	-	714.88
Total	**744.01**	**1,377.85**	**6,578.13**	**2,963.93**	**11,663.92**

Excessive risk concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Group's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Group's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

57 Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the parent. The primary objective of Group's capital management is to maximize the shareholder value.

Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is debt (excluding lease liabilities) divided by total equity plus debt. The Group's policy is to keep the gearing ratio at an optimal level to ensure that the debt related covenants are complied with.

	March 31, 2024	March 31, 2023
Borrowings (A)	**9,351.36**	**8,839.44**
Share Capital	378.00	378.00
Other equity	1,376.68	1,023.11
Total equity (B)	**1,754.68**	**1,401.11**
Total equity and total debt (C=A+B)	**11,106.04**	**10,240.55**
Gearing ratio (A/C)	**84%**	**86%**

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any loans and borrowing in the current period. No changes were made in the objectives, policies or processes for managing capital during the years ended March 31, 2024 and March 31, 2023.

58 Commitments and Contingencies

I Claim against the Group not acknowledged as debt:

GHIAL	March 31, 2024	March 31, 2023
In respect of income tax matters [refer (a) below]	25.73	24.65
In respect of service tax matters [refer (b) below]	32.46	35.66
Claim against the GHIAL not acknowledged as debt [refer (d), (e) and (f) below]	7.85	149.85
In respect of other matters [refer (c) below]	25.20	25.20

(a) Pursuant to the income tax assessment for the years mentioned below, the Company had received various demands from the income tax authorities in relation to the inadmissibility of certain expenditure in accordance with the provisions of the income tax law. The management, on the basis of its internal assessment of the facts of the case, the underlying nature of transactions, the history of judgements made by the various appellate authorities, including favourable judgements received by the Company from lower appellate authorities and the necessary advice received from the independent expert engaged in this regard, is of the view that the probability of the case being settled against the Company is remote and accordingly do not foresee any adjustment to these Financial Statements in this regard. The details of the relevant financial year which is subject to the dispute and the amount of demanded is as follows:

Disputed tax amount

**Orders u/s 147 passed in case of AY 2015-16 & 2016-17 disallowing capital expenditure of Rs. 15.11 crore thereby reducing depreciation claim by Rs. 0.80 crore. Demand of Rs. 34.70 crore (including interest of Rs. 16.06 crore) is wrongly raised as against refund of Rs. 0.46 crore. The Company had filed an application for rectification of demand and appeal with Commissioner of Income Tax (Appeals).
Note: Tax liability on aforementioned disputed disallowance of expenses is currently not ascertainable

(b) **Disputed service tax matters**

	March 31, 2024	March 31, 2023
Irregular availment of the cenvat credit, pending with Hon'ble High Court of Telangana*	24.84	24.84
Penalty equivalent to service tax levy on delay in payment of service tax on the user development fee, favourable order passed by Hon'ble Supreme court	7.43	7.43
Appeal filed with the commissioner of Central Tax (Appeals), for demand order received towards non payment of service tax on carporate guarantee.	-	0.19
Appealed filed with with CESTAT against the order in Appeal passed by Commissioner of Central Tax (Appeals), confirming the demand.	0.19	-
Irregular availment of cenvat credit and non-payment of service tax on recovery of electricity and water charges from its concessionaires, pending with CESTAT Hyderabad*	-	3.20

*including penalty amount.

(c) The Company had received a notice from the office of the Joint Commissioner of Labour for payment of Building and other construction workers' Welfare Cess @ 1% of the cost of construction of Airport Metropolitan amounting to Rs. 25.20 crore (March 31, 2023: Rs. 25.20 crore). The Company had received the stay order from Hon'ble High Court of Telangana against the said order in the earlier years.

(d) The Company had received notice dated January 19, 2013, from Hyderabad Metropolitan Water Supply & Sewerage Board for disconnection of water connection for non-payment of sewerage cess arrears. The Company had received the stay order against the said order in the earlier years. The sewerage cess outstanding including interest as at March 31, 2024 amounts to Rs. 5.80 crore (March 31, 2023: Rs. 5.80 crore).

(e) **Utilization of funds from Passenger Service Fee (Security Component) Fund ("PSF(SC) Fund"):**

(i) The Ministry of Civil Aviation (MoCA) had issued orders in 2014, requiring the Airport Operators to reverse the expenditure incurred from Passenger Service Fee (Security component) (PSF (SC)) Fund towards (a) procurement and maintenance of security systems/equipment; (b) construction of other long lived assets (refer note (ii) below) along with interest till date of reversal. The Company had utilised approximately Rs.142.00 crore towards the aforesaid expenses till March 31, 2018, excluding related maintenance expense, other costs and interest thereon which is presently unascertainable. The Comptroller & Auditor General, during their audits of PSF (SC) Fund, observed that the funds utilized by the Company is contrary to the directions issued by MoCA. Management is of the opinion that the utilisation of funds from PSF(SC) fund is consistent with the Standard Operating Procedures, guidelines and clarification issued by the MoCA from time to time on the subject of utilization of PSF (SC) funds.

As the above order, in management's opinion, is contrary to and inconsistent with SOPs, guidelines and clarification issued by the MoCA from time to time in this regard, the Company had challenged the said order vide a writ petition before the Hon'ble High Court of Andhra Pradesh. The Hon'ble High Court, vide its order dated March 3, 2014 followed by further clarifications dated April 28, 2014 and December 24, 2014, stayed the MoCA order with an undertaking that, in the event the decision of the writ petition goes against the Company, it shall restore the PSF (SC) Fund to this extent. The matter is currently sub judice with the Hon'ble High Court of Telangana.

Based on the internal assessment, Management of GHIAL is of the view that no further adjustments are required to be made to the GHIAL financial statements, in this regard.

(ii) As per the advice from the Ministry of Home Affairs and the SOP's issued by the MoCA on March 06, 2002, the Company, through its erstwhile wholly owned subsidiary, Hyderabad Airport Security Services Limited (HASSL, liquidated on September 20, 2019) constructed the residential quarters for Central Industrial Security Force (CISF) deployed at the airport. After completion of such construction, the total construction cost including the cost of land and related finance cost amounting to Rs. 113.73 crore till March 31, 2018, was debited to the PSF (SC) Fund with corresponding intimation to the MoCA. The Comptroller & Auditor General, during their audits of PSF (SC) Fund, observed that, the Company had not obtained prior approval from the MoCA for incurring such cost from the PSF (SC) Fund as required by the guidelines dated January 8, 2010 and April 16, 2010 issued by the MoCA. However, Management of the Company is of the opinion that these guidelines were issued subsequent to the construction of the said residential quarters and approached the MoCA for approval of such debit notes to the PSF (SC) Fund account. Pending final outcome of the matter from the Hon'ble High Court of Telangana, residential quarters continue to be accounted under the PSF (SC) Fund and no adjustments have been made to the accompanying Financial Statements.

(f) Fuel surcharge adjustments (FSA) for the period from April 2008 to March 2010 amounting to Rs. 2.05 crores (March 31, 2023: Rs. 2.05 crores).

(g) There are numerous interpretative issues relating to the Supreme Court (SC) judgement on PF dated February 28, 2019. As a matter of caution, Company has amended the pay structure and made the consequent payment of provident fund on a prospective basis form the date of the SC order.

Based on the internal assessment and legal opinion, the Management is confident that, for the aforesaid mentioned contingent liabilities under paragraph (a) to (g) above, no further provision is required to be made as at March 31, 2024.

GACAEL	**March 31, 2024**	**March 31, 2023**
In respect of income tax matters [refer (h) below]	46.17	46.17
In respect of indirect tax matters [refer (i) below]	5.29	11.51
Claim against GACAEL not acknowledged as debt [refer (j) to (n) below]	14.88	14.88

(h) Pursuant to the income tax assessment for the years mentioned below, GACAEL had received various demands from the income tax authorities in relation to the inadmissibility of certain expenditure in accordance with the provisions of the income tax law. The management, on the basis of its internal assessment of the facts of the case, the underlying nature of transactions, the history of judgements made by the various appellate authorities, including favourable judgements received by GACAEL from lower appellate authorities and the necessary advise received from the independent expert engaged in this regard, is of the view that the probability of the case being settled against GACAEL is remote and accordingly do not foresee any adjustment to these consolidated financial statements in this regard. The details of the relevant financial year which is subject to the dispute and the amount of demanded is as follows:

GMR Hyderabad International Airport Limited
CIN:U62100TG2002PLC040118

*including penalty amount.

(j) GACAEL accrued customs officers' salaries stationed at Air Cargo Terminal based on debit notes raised by the customs department on GHIAL as the ultimate cost has to be borne by the custodian i.e. GACAEL. GHIAL filed a writ petition under article, 226 of the Constitution of India in the Honorable High Court of Judicature of Andhra Pradesh at Hyderabad against the demand raised in previous years, GHIAL had received an order from the Honorable High court of Andhra Pradesh (Single Judge), stating that the grounds on which the levy was made by customs department were wholly unsustainable and accordingly GACAEL had reversed the accrued customs cost amounting to Rs. 14.02 crores for the period from March 23, 2008 to March 31, 2012 during the earlier years.

Subsequent to the above order, the Customs Department preferred an appeal against the same and on November 2, 2012, a bench of two judges of the Honorable High Court of Andhra Pradesh passed an order for interim suspension of the said order passed by the Honorable Single Judge and the matter is pending.

(k) During the previous year, GACAEL had received an order from Regional PF Commissioner – I, Regional Office II, Hyderabad, regarding the payment of contributions to International Worker under Employees Provident Funds and Miscellaneous Provisions Act, 1952 demanding an amount of Rs. 0.14 crores. GACAEL has filed writ petition before the High Court of Telangana and received Stay Order dated 12th June, 2019.

(l) During the previous year, GACAEL has received an order from District Consumer Forum (RR District), regarding the compensation for short delivery of cargo to M/s. Excell Media Pvt.Ltd. amounting to Rs. 0.01 crores along with applicable interest. GACAEL has filed an appeal vide. FA. No.821/2020 before the Telangana State District Consumer Redressal Commission challenging the final order passed by the Ranga Reddy District Consumer Redressal Forum.

(m) During the previous year, the GACAEL has received an order from Sub Registrar, Shamshabad regarding the payment of fine of Rs. 0.69 crores equal to five times of Registration fee of Rs.0.14 crores. The company has filed writ petition before the High Court of Telangana and received Stay Interim Order dated September 27, 2021. However, based on an internal assessment the management is confident that no liability in this regard would be payable and as such no provision has been made in these Financial Statements.

(n) During the previous year, the Customs has issued a penalty of Rs. 0.01 crores on M/s GMR Air cargo and Aerospace Engineering Limited for their role in irregular import of aircraft vide Order dated 26th October, 2021. The Company is in the process of filing Appeal with Customs, Excise and Service Tax Appellate Tribunal. However, based on an internal assessment the management is confident that no liability in this regard would be payable and as such no provision has been made in these Financial Statements.

In respect of other subsidiaries:

(p) GHRL had received an order from Income Tax Officer for the AY 2018-19 disallowing unpaid GST of Rs. 0.01 crores. GHRL had filed an appeal against the said order with the Commissioner of Income Tax - Appeals.

(q) GHRL had filed appeals with VAT Appellate Tribunal against the orders of Deputy Commissioner and Appellate Joint Commissioner confirming the demand towards levying of Value Added Tax of Rs.0.43 crores on usage of Audio Video Equipment's by the Hotel customers for the periods from Oct-10 to Nov-12 and Dec-12 to June -17 respectively. Further, the Company had filed reply to the SCN on May 16, 2019, on same issue and the order awaited.

(r) GHRL during the previous year has received order from Deputy Commissioner of Customs, RGI Airport in respect of alleged stock variance. The Company filed with Commissioner of Customs & Central Tax (Appeals-1) against the order passed by Deputy Commissioner Customs, RGIA. The Commissioner Customs & Central Tax (Appeals – I) upheld the order passed by the Deputy Commissioner of Customs, RGI Airport and reduced the penalty to Rs. 0.01 crores. GHRL is in the process of filing an appeal with CESTAT.

(All amounts in Rupees crores, except per share data and when otherwise stated)

(s) During the earlier years, the Assistant Commissioner of Central tax, Hyderabad had filed appeals with the CESTAT against the of Order in Appeals passed by the Commissioner (Appeals). During the previous year GHRL has filed counters against the said appeals. Further, the Assistant Commissioner of Central tax, Hyderabad has issued a show cause notice seeking to recover the refund amount of Rs. 13.48 crores (March 31, 2023: Rs.13.48 crores). The Company had filed its response and also filed a writ petition with Hon'ble High Court of Telangana challenging the issue of show cause notice. The Hon'ble High Court had granted interim stay of the Show Cause notice.

During the current period Assistant Commissioner of customs and central tax Shamshabad Division had filed appeals with The Joint Commissioner (Appeals I) against the refund order of Rs. 2.56 Cr. passed by Assistant commissioner for the period Feb 21 to Sep 21. GHRL has attended the personal hearing and submitted its reply.

(u) One of the customer has filed the complaint against GHRL for an amount of Rs. 0.05 crores during the previous years under Consumer Protection Act, 2019. The company has filed a reply with commission.

(v) GHAL has preferred an appeal with CESTAT against Order-in-Appeal 17/2017-18 dated February 28, 2018, passed by The Commissioner of Central Tax (Appeals) confirming the demand of Rs.1.47 crores (March 31, 2023: Rs.1.47 crores) in the matter of short payment of service tax under RCM on purchase of designs and drawings under Architecture service. The company has filed an appeal with CESTAT against the order.

Based on the internal assessment and legal opinion, the Management is confident that, for the aforesaid mentioned contingent liabilities under paragraph (a) to (w) above, no further provision is required to be made as at December 31, 2023.

II Financial guarantees	March 31, 2024	March 31, 2023
Corporate guarantee given on behalf of its subsidiaries to banks against the loan taken*		
(a) sanctioned	987.90	831.61
(b) outstanding	701.12	669.52
(c) sanctioned during the year	407.40	172.00

III Commitments

a) *Capital commitments:*

Estimated amount of contracts remaining to be executed on capital account and not provided for (net of advances) amounting to Rs. 499.10 Crore (March 31, 2023: Rs. 700.72 Crore).

b) *Other commitments :*

i) As per the terms of Concession Agreement, the Company is required to pay concession fees to MoCA @ 4% on its gross revenue (as defined in the Concession Agreement) of the Company for a term of 60 years commencing from March 23, 2008.

ii) The Company has committed to provide financial support as necessary, to enable its wholly owned subsidiary company, GMR Air Cargo and Aerospace Engineering Limited to meet its operational requirements as they arise and to meet its liabilities as and when they fall due.

iii) The Company had entered into "Cross Currency Swap" with various banks in order to hedge principal portion and to protect interest component of 4.25% senior secured notes (2027 SSN) of USD 350 million which is repayable in October 2027, with interest payable on semi-annually basis. Further the Company had also entered into "Call Spread (CS)" arrangements in order to hedge principal portion of 5.375% senior secured notes (2024 SSN) for USD 73.61 million and 4.75% senior secured notes (2026 SSN) for USD 287.32 million which are repayable in April 2024 and February 2026 respectively and "Coupon Only Swap" (COS) to hedge the payment of interest liability on semi-annually basis on 2024 SSN for USD 73.61 million and 2026 SSN for USD 287.32 million.

59 Significant accounting judgments, estimates and assumptions

The preparation of these consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a) Judgements

In the process of applying the Group's accounting policies, management has made the following judgments, which has the effect on the amounts recognised in these consolidated financial statements:

Discounting rate

Group has considered incremental borrowing rate of Airport sector as at transition date for measuring deposits, being financial assets and financial liabilities, at amortised cost till March 31, 2018. From period starting from April 01, 2018, management has considered revised incremental borrowing rate of airport sector i.e. 10.73% for all the deposits given/received post March 31, 2018; and impact has been duly accounted in these consolidated financial statements.

Non applicability of Service Concession Agreement (SCA)

GHIAL had entered into Concession agreement with the Ministry of Civil Aviation ("MoCA"), which gives GHIAL an exclusive right of development, design, financing, construction, commissioning, maintenance, operation and management of the Hyderabad Airport on a revenue sharing model for an initial term of 30 years, which can be extended by another 30 years at the option of GHIAL. Under the agreement, the MoCA has granted exclusive right and authority to perform some of the functions of the AAI being the functions of operation, maintenance, development, design, construction, up gradation, modernization, finance and management of the Airport and to perform services and activities at the airport constituting 'Airport activities' (regulated services) and 'Non-Airport Activities' (non-regulated services). Airport Activities are regulated while there is no control over determination of prices for Non-Airport activities. Charges for Non-Airport activities are determined at the sole discretion of GHIAL.

Appendix D to Ind AS 115 contains provisions to cover arrangements between public and private enterprises- referred to as service concession arrangement ("SCA"). An entity is required to evaluate applicability of SCA for its arrangement under public to private partnership based on SCA guidance. The applicability of service concession depends whether the grantors control or regulates what services the operator must provide with the infrastructure, to whom it must provide them, and at what price; and also control the residual interest in the infrastructure.

GHIAL's management conducted detailed analysis to determine applicability of Appendix D of Ind AS 115. The concession arrangement has significant non-regulated revenues, which are apparently not ancillary in nature, as these are important from GHIAL, MoCA and users/passengers perspective. Further, the regulated and non-regulated services are substantially interdependent and cannot be offered in isolation. Airport premises is being used both for providing regulated services and for providing non-regulated services. Based on GHIAL's proportion of regulated and non-regulated activities, the directors have determined that over the concession period, the unregulated business activities drives the economics of the arrangement and contributes substantially to the profits of GHIAL and hence concluded that SCA does not apply in its entirety to GHIAL.

Applicability of Service Concession Agreement (SCA) to GACAEL

GACAEL's management has assessed applicability of Appendix D of Ind AS 115 – "Service Concession Arrangements" to operations and maintenance agreements entered into by GACAEL for provisioning of cargo services at RGIA. In assessing the applicability, management has exercised significant judgement in relation to the underlying ownership of the assets, in terms of the arrangement entered with the grantor, ability to determine prices, fair value of construction service, assessment of right guaranteed cash etc. Based on detailed evaluation, management has determined that this arrangement meets the criteria for recognition as service concession arrangement.

Concession fee:

As per the Concession Agreement (CA), GHIAL is required to pay concession fee to MoCA @ 4% on its gross revenue. As per Article 3.3.2 of CA, "Gross Revenue" is defined to include all pre-tax revenue of GHIAL with certain specified exclusions.

Management of GHIAL is of the view that certain income / credits arising on adoption of Ind-AS, mark to market gain on valuation of derivative instruments and gain on restatement of long-term borrowings was not in contemplation of parties in December 2004 when this Concession Agreement was signed / entered. Further, these income/credits in statement of profit and loss along with interest income on investment of part proceeds from borrowings earmarked for airport expansion project and adjusted from the value of capital work-in-progress, do not represent actual receipts from business operations, from any external sources and therefore, these incomes/ credits should not be treated as "Revenue" for calculation of concession fee payable. Accordingly, GHIAL, basis above and Legal Opinion obtained in this regard, has provided the concession fee payable to MoCA after adjusting such incomes/credits.

b) Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Group based its assumptions and estimates on parameters available when these consolidated financial statements were prepared, existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

59 Significant accounting judgments, estimates and assumptions (continued)

Defined benefit plans

The cost of the defined benefit plan and other post-employment benefits and its present value obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate for plans operated, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation.

The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

Contingencies

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Group, including legal, contractor and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgement and the use of estimates regarding the outcome of future events.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Impairment of financial asset

The impairment provisions for financial assets are based on the assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Impairment of non-financial assets

Impairment exists when the carrying value of an asset or cash generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use. The fair value less costs of disposal calculation is based on available data from binding sales transactions, conducted at arm's length, for similar assets or observable market prices less incremental costs for disposing of the asset. The value in use calculation is based on a discounting cash flow (DCF) model. The cash flows are derived from the budget for the next five years and do not include restructuring activities that the Group is not yet committed to or significant future investments that will enhance the asset's performance of the CGU being tested. The recoverable amount is sensitive to the discount rate used for the DCF model as well as the expected future cash-inflows and the growth rate used for extrapolation purposes.

Taxes

Deferred tax assets on unused tax losses and minimum alternate tax credit entitlement are recognised to the extent that it is probable that taxable profit will be available against which these amounts can be utilised. Significant management estimate is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

60 Determination of aeronautical tariff

GHIAL had filed an appeal, challenging the disallowance of pre-control period losses and foreign exchange loss on external commercial borrowings, classification of revenues from ground handling, cargo and fuel farm ("CGF") as aeronautical revenues and other issues for determination of aeronautical tariff for the First Control Period ("FCP") commencing from April 01, 2011 to March 31, 2016 by Airport Economic Regulatory Authority ('AERA').

In relation to determination of tariff for the Second Control Period ("SCP"), commencing from April 01, 2016 to March 31, 2021, AERA had issued a consultation paper on November 19, 2017. However, as the aforesaid consultation paper does not address the issues arising out of the FCP, including true up for shortfall of receipt vis-a-vis entitlement for the FCP, GHIAL had filed a writ petition and obtained a stay order from the Hon'ble High Court at Hyderabad in the month of February 2018 in respect of further proceedings in determination of tariff order for the SCP. The Adjudicating Authority, Telecom Disputes Settlement Appellate Tribunal (TDSAT), in its disposal order dated March 04, 2020 has directed AERA to reconsider the issues afresh while determining the aeronautical tariff for the Third Control Period commencing ("TCP") from April 01, 2021.

During the month of August 2021, AERA has issued Tariff Order ("the Order") effective from October 01, 2021 for the TCP commencing from April 01, 2021 to March 31, 2026. GHIAL in the month of September 2021, has filed an appeal against the Order with TDSAT, as the management is of the view that AERA has not considered the outstanding issues of FCP and SCP in determination of aeronautical tariff for the TCP as directed by TDSAT vide its ordered dated March 04, 2020, while continuing to charge the aeronautical tariff as determined by AERA.

During the current year, TDSAT has pronounced the Judgement and has adjudicated various issues raised by GHIAL including directing AERA to true up the pre-control period losses, to treat CGF as non-aeronautical revenue etc., in favour of GHIAL. However, TDSAT ruled in favor of AERA on certain other issues. GHIAL has filed caveat petition with the Hon'ble Supreme Court to avoid any ex-parte orders in case AERA files an appeal against the TDSAT order. Meanwhile, the management is evaluating TDSAT's decision and planning the next legal steps regarding the issues not resolved in its favour, all while adhering to the aeronautical tariff set by AERA for the TCP.

61 The Company has recognized, deferred tax asset comprising of Minimum Alternate Tax (MAT) credit entitlement and unabsorbed business losses aggregating to Rs. 634.59 Crore (March 31, 2023: Rs. 546.36 Crore) as at March 31, 2024. The Company based on the future taxable income expects to adjust these amounts against the projected taxable profits. The ultimate realisation of the deferred tax asset is dependent upon the generation of future taxable income projected by considering the applicable tariff order for the Third Control Period and the anticipated tariff orders for the subsequent control periods, estimated revenues and expenses of the business, scheduled reversals of deferred tax liabilities and tax planning strategy. As the recoverability of deferred tax assets is based on estimates of future taxable income including projected aeronautical tariff revenue which involved determination of applicable tariff orders by AERA and being a subject matter of litigations as detailed in note 60, any changes in such future taxable income could impact its recoverability. However, basis the sensitivity analysis performed, management believes that any reasonable possible change in the key assumptions would not effect the Company's ability to recover the deferred tax asset within the specified period as per the provisions of Income Tax Act, 1961.

62 As detailed in note 59(a), to these consolidated financial statements, certain incomes/credits recognised on adoption of Ind-AS are not considered for computation of concession fee payable to MoCA basis a legal opinion obtained. Accordingly, the following sources of income have not been considered for accrual of the concession fee:

	Income forming part of	March 31, 2024	March 31, 2023
Discounting on fair valuation of deposit received from concessionaries	Revenue from operations	9.43	5.40
Income recognised on advance from customers under Ind AS 115	Revenue from operations	0.64	0.64
Impact on account of straight lining of lease rentals	Revenue from operations	10.39	4.53
Income arising from fair valuation of financial guarantee*	Other income	2.67	1.82
Discounting on fair valuation of deposit paid to vendors	Other income	0.14	0.10
Income from government grant	Other income	5.28	5.27
Amortisation of deferred income	Other income	0.53	0.22

*These transactions got eliminated in the Consolidated Financial Statements of the Group.

63 The disclosure on nature of revenue from contracts as required under Ind AS 115 is part of note 25. Further, the additional disclosure on trade receivable and contract assets, contract liabilities are as below:

Contract balances	**March 31, 2024**	**March 31, 2023**
Trade receivables *	185.43	127.61
Contract assets**	89.17	84.50
Contract liabilities***	150.33	67.53

* Trade receivables carry a credit period ranging between 15-30 days. Further, trade receivables beyond the credit period as per the contracts with the customers, are interest bearing. In March 31, 2024: Rs. 0.18 crore (March 31, 2023: Rs. 0.18 crore) was recognized as provision for expected credit losses on trade receivables.

** Contract asset includes unbilled revenue. Amount of revenue recognised from amounts included in the contract assets at the beginning of the year is Rs. 84.50 crores. Total contract assets outstanding as on 31 March 2024 will be recognised in next 12 months.

*** Contract liabilities includes advance received from customers. Amount of revenue recognised from amounts included in the contract liabilities at the beginning of the year Rs. 82.80 crores (31 March 2023: Rs. 2.72 crores). Total contract liabilities outstanding as on 31 March 2024 will be recognised in next 12 months.

Details of movement in provision for trade receivable is as below:

Particulars	**March 31, 2024**	**March 31, 2023**
Opening balance	1.36	1.49
Add: Provision made/(reversed) during the year	(0.28)	(0.13)
Less: Bad debts written off	-	-
Closing balance	**1.08**	**1.36**

64 GMR Air Cargo and Aerospace Engineering Limited

Pursuant to the agreement entered by the GMR Group dated February 20, 2020, the GMR Group has executed a definitive agreement with Aeroports De Paris ("ADP") for acquisition of 49% stake by ADP in GMR Airports Limited (the holding company of GHIAL, which is the holding company of the GACAEL) on fully diluted basis. The MRO CGU is part of the Airports business. To assess whether the Cash Generating Unit ("MRO CGU") (including goodwill of Rs. 36.27 crores) is impaired, management has reckoned the values attributed to MRO CGU which are higher than its carrying value, on the basis of an independent valuation of the Airport business carried out as part of entering the aforesaid agreement. The Management has reviewed such assessment as at March 31, 2022, the updated business plans and the projections considering the COVID-19 impact and believes that there would not be any change in the original conclusion as of 31 March 2024.

Management has also performed sensitivity analysis considering different scenarios to build in the uncertainties attached. Based on such assessment, management is of the view that no impairment is required in the carrying value of MRO CGU as at March 31, 2024.

65 Interest in Joint Ventures

The Group has a 49% interest in Laqshya Hyderabad Airport Media Private Limited (LHAMPL), a joint venture engaged in offering Out of Home (OOH)/Outdoor Media Services for display of advertisement at the airport. The Group's interest in LHAMPL is accounted for using the equity method in the Consolidated Financial Statements. Summarised financial information of the joint venture, based on its financial statements, and reconciliation with the carrying amount of the investment in Consolidated Financial Statements are set out below:

Summarised Balance Sheet:

	March 31, 2024	March 31, 2023
Current assets, including cash and cash equivalents Rs. 3.69 crores (March 31, 2023: Rs. 2.46 crores)	51.85	46.66
Non-current assets	28.31	17.68
Current liabilities	(16.27)	(8.80)
Non-current liabilities	(0.96)	(1.21)
Equity	**62.93**	**54.33**
Less: Equity component of borrowings availed at below market rate	(4.51)	(4.51)
Adjusted equity	**58.43**	**49.82**
Proportion of the Group's ownership	49%	49%
Group's share in adjusted equity	**28.63**	**24.41**
Add: GHIAL's share of equity components of borrowings	5.59	5.59
Carrying amount of the investment	**34.22**	**30.00**

Summarized Statement of Profit and Loss account:

	March 31, 2024	March 31, 2023
Revenue from operations	100.21	73.29
Other income	0.96	1.50
Total Income	**101.17**	**74.79**
Operating expenses	64.02	45.93
Employee benefit expenses	3.82	3.17
Depreciation	2.84	1.82
Finance cost	0.06	0.04
Other expenses	17.27	2.00
Total expenses	**88.00**	**52.97**
Profit before tax	**13.17**	**21.83**
Tax expenses	4.58	6.43
Profit after tax	**8.59**	**15.40**
Other comprehensive income	(0.01)	(0.01)
Total comprehensive income	**8.58**	**15.39**
Group's share of total comprehensive income for the year	4.21	7.54

Group's share of contingent liabilities of the jointly controlled entity is Rs. 1.27 crores (March 2023: Rs. 0.82 crores).

The Group has a 30% interest in ESR GMR Logistics Park Private Limited (GLPPL), a joint venture of GHIAL engaged in the business of acquiring land and developing warehouses on those land parcels for the purpose of renting:

Summarised Balance Sheet:	March 31, 2024	March 31, 2023
Current assets, including cash and cash equivalents Rs. 2.67 crores (March 31, 2023: Rs. 25.27 crores)	41.96	30.77
Non-current assets	476.43	393.87
Current liabilities	(22.01)	(52.90)
Non-current liabilities	(472.88)	(318.70)
Equity	**23.50**	**53.04**
Proportion of the Group's ownership	30%	30%
Group's share in adjusted equity	**7.05**	**15.91**
Less: Loss on conversion of subsidiary to joint venture	(0.43)	(0.43)
Carrying amount of the investment	**6.62**	**15.48**

GMR Hyderabad International Airport Limited

Loss after tax	**(29.55)**	**(4.66)**
Total comprehensive income	**(29.55)**	**(4.66)**
Group's share of total comprehensive income for the year	(8.86)	(1.40)

Group's share of contingent liabilities of the jointly controlled entity is Rs. Nil (March 31, 2023: Rs.Nil)

66 For the previous year ended March 31, 2023, the Holding Company has identified certain group of assets and its directly associated liabilities to be disposed off and hence the same has been classified as "Held for sale". Further, during the year the Group has disposed off the same.

Details of assets and liabilities classified as held for sale as of 31 March 2023 are as under:

	Amount
Property, plant and equipment	85.12
Other non-current assets	34.02
Trade receivables	0.72
Cash and cash equivalents	0.26
Other current assets	7.32
Assets classified as held fo sale	**127.44**
Borrowings (including current maturities of long term borrowings)	55.28
Other non-current liabilities	8.73
Other current liabilities	0.72
Liabilities directly associated with assets classified as held for sale	**64.73**

67 Disclosure as per the Schedule III of the Companies Act, 2013:

A) Net Assets, i.e. total assets minus total liabilities as at:

	March 31, 2024		**March 31, 2023**	
Name of the Entity	**As % of consolidated net assets**	**Amount**	**As % of consolidated net assets**	**Amount**

68 The Hon'ble Orissa High Court vide Judgement in W.P. No.20463/2018, in the case of Safari Retreats Private Limited, observed that the GST provisions under Section 17(5)(c) and 17(5)(d) w.r.t input tax credit eligibility are not in line with the objective of the GST Act to allow seamless credit where such input services are used to provide taxable output services and accordingly, it was held that if an assessee is required to discharge GST on the rental income, it is eligible to avail the Input Tax Credit (ITC) of GST paid on the goods or services or both by a taxable person for construction of an immovable property when they are used in the course or furtherance of business. The Company is engaged in the operation of Airport, it renders taxable Output Services in the nature of landing and parking charges, hanger services, charges for use of terminal facilities, refuelling facilities, licensing of space for various aeronautical and non-aeronautical charges being its output supplies which are subject to output GST. Hence, the company in view of the favourable judgment of Orissa High Court in the case of Safari Retreats Private Limited has availed the Input Tax Credit accumulated in respect of the Input goods and Services supplied for the construction of Airport facilities as part of the ongoing expansion project and regular operations. Further, department has filed Special leave to appeal before Hon'ble Supreme Court of India against the judgement of Hon'ble Orissa High Court, where leave has been allowed without stay of operation of the judgment. Thus relying upon the favourable ruling of Orissa High Court which is a binding law and enforceable across all jurisdictions, the management decided to avail the Input Tax Credit in the GST Returns and books for the respective periods. However, the credit availed was not utilized by the Company owing to pending outcome of the judgement of Hon'ble Supreme Court of India. Further, the Company has filed a writ petition (10367/2020) with Hon'ble High Court of Telangana requesting to strike down the relevant provisions of GST which denies ITC in respect of works contract services or goods and services received for construction of immoveable property (other than plant & machinery). The Hon'ble High Court had passed interim order directing the Respondents to not take any coercive action against the petitioner.

Considering that, the final decision from the Hon'ble Supreme Court of India, may take longer time, the management has taken a considered view for recognition of the project expenditure in terms of the prudent accounting principles and prevailing circumstances and also in view of the fact that various developmental activities under the ongoing expansion project are under completion and currently being recognised as CWIP, the said expenditure including the value of Input Tax Credit pertaining to the Civil Works has been capitalised during the year ended March 31, 2023. However, the management reserves its right to claim ITC in case of favourable decision from the Supreme Court on the above issue. Accordingly, GST ITC on civil works amounting to Rs. 512.67 crores accumulated till March 31, 2023 has been reversed from GST recoverable account and capitalized against the respective property, plant and equipment and capital work in progress to the tune of Rs. 316.57 Crores and Rs. 196.10 Crores respectively in the books of accounts of the Company.

69 "The Ministry of Corporate Affairs (MCA) has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted by the Companies (Accounts) Amendment Rules 2021 requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Holding Company is using SAP ERP accounting software for maintaining its books of account and Comvision used for processing parking revenues, which have a feature of recording audit trail (edit log) facility and the same has operated throughout the year for all relevant transactions recorded in the accounting software, except that the audit trail logs for direct changes in data at database level for accounting software, SAP ERP, is retained only for 7 days and has not been enabled for Comvision application. The retention of edit logs for more than 7 days for SAP ERP will require huge data space and accordingly, the Company has implemented additional control, wherein alerts generated through these logs are monitored at the Security operation Centre. Audit trail (edit log) for Comvision is enabled at the application level, users have access to perform transactions only from the application level and continues to be restricted to limited set of users who necessarily require this access for maintenance and administration of the database. Further, Comvision has inbuilt data consistency checks to detect any tampering of tables and mismatches in accounting entry. Additionally, the audit trail (edit log) facility that logs for direct changes in data at database level was not enabled in the accounting softwares used for maintaining books of account by two of its subsidiaries."

70 On March 28, 2024, GHIAL has issued listed, rated, secured, redeemable non-convertible debentures ("NCD") amounting to ₹540 crore to the eligible Qualified Institutional Buyers. Further GHIAL has received premium of ₹0.02 crore. The proceeds from the NCD's have been fully utilized for redemption of existing Senior Secured Notes (SSN) 2024 aggregating to $73.61 million, including accrued interest on April 10, 2024.

71 During the financial year ended 2019, GHIAL had entered into a term loan facility arrangement with Yes Bank Limited ("YBL" or "Bank"), to avail term loan of Rs. 4,200 crore and had incurred an up-front processing fee of Rs. 63 crore. However, in view of certain developments, the Bank expressed its inability to extend the loan, and accordingly on April 21, 2020, the arrangement was terminated. Further YBL vide their letter dated June 9, 2020 acknowledged the receipt of request from GHIAL for refund of the aforesaid up-front fees and to present the GHIAL's request to the appropriate committees for approvals. Further, GHAIL had obtained legal opinion from an independent lawyer regarding the GHIAL's right to receive the refund of upfront fee and accordingly had considered the amount recoverable in full for all reporting periods upto December 31, 2022.

However, owing to the delays in obtaining requisite approvals by the Bank for processing of upfront fee, GHIAL had assessed and written-off the carrying value of upfront processing fee receivable during the quarter and year ended March 31, 2023.

72 During the current year, the Company has sold 100% stake in it's subsidiary, GMR Hyderabad Airport Assets Limited involved in the business of development and renting of commercial property. The gain on sale has been recognised as an exceptional item in the accompanying Financial Statements.

73 The Company has presented profit/ (loss) before finance costs, taxes, depreciation, amortisation expense and exceptional items as EBIDTA.

This is the summary of material accounting policies and other explanatory information referred to in our report of even date.

7. Profit or Loss for the year		
i. Considered in Consolidation	(8.86)	4.21
ii. Not Considered in Consolidation	-	-

Note 1 :

GHIAL has assessed and determined that LHAMPL and GLPPL as its JV and associate under Ind AS 111 Joint Arrangements. Therefore, this need to be accounted for using the equity method as against proportionate consolidation.

Under the equity method, the investment in a joint venture/associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognise changes in the entity's share of net assets of the joint venture /associate since the acquisition date. Goodwill relating to the joint venture/associate is included in the carrying amount of the investment and is not tested for impairment individually.

Further, in case entity's share of losses of a joint venture/associates equals or exceeds its interest in the joint venture/associates (which includes any long term interest that, in substance, form part of the entity's net investment in the joint venture/associates), the entity discontinues recognising its share of further losses. If the joint venture/associates subsequently reports profits, the entity resumes recognising its share of those profits only after its share of the profits equals the share of losses not recognised.

$ On December 20, 2018, GHAL has incorporated a wholly owned subsidiary GMR Logistics Park Private Limited. Pursuant to the Subscription Agreement and Shareholders' Agreement dated January 08, 2020 executed by and amongst GMR Logistics Park Private Limited (GLPPL), GMR Hyderabad Aerotropolis Limited (GHAL) and ESR Hyderabad 1 Pte. Limited, Singapore (ESR), GLPPL allotted 4,13,35,182 equity shares of Rs. 10 each at par to ESR and 16,965,078 equity shares of Rs. 10 each at par to GHAL on private placement basis by passing a circular resolution dated April 16, 2020. Consequently, the percentage shareholding of ESR and GHAL in GLPPL stands at 70 and 30 respectively, as a result of which, GLPPL has ceased to be a wholly owned subsidiary of GHAL with effect from April 16, 2020.
