Passenger obligation

• Passengers travelling by air shall be mandatorily required to be fully vaccinated, or COVID recovered, or with negative RTPCR report of last 72 hours. As such, it is compulsory for all passengers entering Punjab to carry either a certificate of complete vaccination of both doses, or, carry a negative RT-PCR Certificate of last 72 hours. Further, in the absence of the requirements as stated, passengers would be stopped from boarding the aircraft at the point of origin itself. Children below 10 years of age are exempted from either of the conditions.

• All incoming passengers belonging to Punjab/whose destination is Punjab shall install COVA-application on their smart phone before exiting the airport. Passengers shall necessarily turn on blue-tooth and GPS.

Airline obligation

• Passengers travelling by air shall be mandatorily required to be fully vaccinated, or COVID recovered, or with negative RTPCR report of last 72 hours. As such, it is compulsory for all passengers entering Punjab to carry either a certificate of complete vaccination of both doses, or, carry a negative RT-PCR Certificate of last 72 hours. Further, in the absence of the requirements as stated, passengers would be stopped from boarding the aircraft at the point of origin itself. Children below 10 years of age are exempted from either of the conditions.

- **The Station Managers of Airlines shall give wide publicity of these instructions and ensure that passengers who do not meet these requirements are not allowed to board at the point(s) of Origin.**

- **The airlines shall publicize above extensively to ensure that this information is available to all pax boarding the flights well before their departure.**

Airport or State obligation

- **Passengers travelling by air shall be mandatorily required to be fully vaccinated, or COVID recovered, or with negative RTPCR report of last 72 hours. As such, it is compulsory for all passengers entering Punjab to carry either a certificate of complete vaccination of both doses, or, carry a negative RT-PCR Certificate of last 72 hours. Further, in the absence of the requirements as stated, passengers would be stopped from boarding the aircraft at the point of origin itself. Children below 10 years of age are exempted from either of the conditions.**

- **The passengers found to be symptomatic during screening shall be isolated and immediately action shall be taken as per health protocol.**
